Services: Equine Therapy Associates (ETA)—a 501(c)3 charitable entity that supports a place of joyful learning and love for children and horses in Montgomery County, Maryland. Founded in 1999, ETA is an accredited Premier Center of the North American Riding for the Handicapped Association (NARHA), now known as Professional Association of Therapeutic Horsemanship (PATH Int'l.). We provide a broad range of specialized equine instruction in a private, beautiful setting on a pesticide-free farm. ETA's certified instructors work closely with parents, physicians, teachers, physical, occupational and other therapists, as well as our riders to craft the most effective and suitable course of study to enhance the physical and emotional development of our students.
