Douglas W. Tregoning Retirement Program

Doug has served Montgomery County citizens for 30 years with a focus on production agriculture and agriculture education.

Additionally he served as the Montgomery County Extension Director for 13 years giving excellent leadership to faculty and staff as they worked to educate the citizens of Montgomery County. Diverse programs were offered, including traditional Agriculture, Commercial and Home Horticulture, 4-H, Master Gardeners, Family and Consumer Sciences, Expanded Food and Nutrition Program and the Senior Health Insurance Program.

Doug was the creator and driving force behind the development and implementation of the "Close Encounters with Agriculture" Program for 4th grade students of Montgomery County.
