**Subject:** We need Agricultural Representatives on Several Boards and Committees

Hello Everyone,

There are several County Boards and Committees that are in need of agricultural representatives as outlined in the attached messages.

The dead line for applying to these Board and Committees is normally extended when few applications are received.

We need two new farmer members on the Agricultural Advisory Committee to replace Tom Linthicum and Gene Walker.

We need a new farmer member of the Rustic Roads Advisory Committee to replace Fred Lechlíder.

We need an agricultural representative on the Forest Conservation Advisory Committee.

The Historic Preservation Commission-HPC is advertising for new members and it would be helpful if a farmer representative was appointed to the HPC.

These County Boards and Committees represent one way for the agricultural community to be represented and heard at the table of government.

Please let me know if you interested in being considered as a candidate.

Thanks Jeremy
