

Tour Information and Request Form

At the Montgomery County Animal Services and Adoption Center (MCASAC), we offer guided tours of the Adoption Center to groups during our operational hours:

Monday, Tuesday, Thursday, Friday...12 p.m. to 7 p.m. (last tour scheduled for 6 p.m.)
 Saturday and Sunday.....12 p.m. to 5 p.m. (last tour scheduled for 4 p.m.)
 Closed on Wednesdays and major holidays

In our tours, groups have the opportunity to learn about the services the Montgomery County Animal Services and Adoption Center offers and also see the animals who are waiting for their forever families. Tours typically last about 40-45 minutes. Because of safety and health concerns, we do not offer direct contact with our animals.

Some groups choose to support our shelter animals by collecting items from our wish-list. For a list of items that your group can make or our wish-list, please visit www.montgomerycountymd.gov/animalservices/about/ourfacility.html.
