

Looking for Ways to support the Montgomery County Animal Services & Adoption Center?

To care for the animals served by Montgomery County Animal Services and Adoption Center, the shelter needs many supplies. Please consider holding a "drive" for the shelter or making a donation on your own.* The supplies are used to keep our animals fed, comfortable and entertained while they are in our care. You, your family, school, youth group or troop can conduct a drive to collect wish list items and bring them to the shelter. All donations can be dropped off during regular shelter hours or shipped. We are located at 7315 Muncaster Mill Rd., Derwood MD, 20855. On behalf of our resident animals – Thank you!
