Hon. Andrew Friedson  
President  
Montgomery County Council  
100 Maryland Avenue  
Rockville, MD 20850

Dear Council President Friedson:

On behalf of the Western Montgomery County Citizens Advisory Board (WMCCAB), it's my pleasure to congratulate you on your election to Montgomery County Council President.

As you know, many WMCCAB members are your constituents in District 1, so we are especially pleased that someone well acquainted with our communities' concerns will be leading the Council over the next year. We are confident that you will also share and reflect the priorities the CAB established for the next year, including business development, policing, public spaces, and transportation.

We look forward to working with you and the entire Council in the coming year.

Best regards,

Chair  
Western Montgomery County Citizens Advisory Board
