

Bethesda-Chevy Chase Regional Services

SERVING

Bethesda, Cabin John, Chevy Chase, Friendship Heights, Garrett Park, Glen Echo, North Bethesda, Potomac, Rockville, and Twinbrook Communities

The Bethesda-Chevy Chase Regional Services (B-CC RS) office increases citizen accessibility to Government and improves the responsiveness of public services. We are an extension of the County government and work with every department at local, state, and federal levels. We also oversee three special county districts providing support with landscaping, street cleaning, marketing, and events: Bethesda Urban District, Friendship Heights Urban District, and the Pike District.

Got a pothole not filled, someone in your family needs mental health services, have a permitting question, just moved to the County, want to join a committee, need business assistance—contact us! Email: Peter.fosselman@montgomerycountymd.gov.
