1. The Petitioners are bound by their testimony, representations and exhibits of record to the extent that such testimony and evidence are identified in the Hearing Examiner's Report and in the Board's Opinion;

2. The Petitioners must make the repairs needed to comply with the conditions set forth in the Memorandum of Robert Goff, Housing Code Inspector, Division of Housing and Code Enforcement (Exhibit 12):
a. Install stove/range
b. Install refrigerator

3. Based on habitable space in the apartment (477.6 square feet), no more than three family members or two unrelated persons may reside in the accessory apartment;

4. Petitioners must occupy one of the dwelling units on the lot on which the accessory apartment is located;

5. Petitioners must not receive compensation for the occupancy of more than one dwelling unit;

6. Petitioners must restrict the accessory apartment tenant to keeping no more than one vehicle in the general neighborhood, given the availability of only one off-street parking space at the site; and

7. Petitioners must obtain and satisfy the requirements of all licenses and permits, including but not limited to building permits and use and occupancy permits, necessary to occupy the special exception premises and operate the special exception as granted herein. Petitioners shall at all times ensure that the special exception use and premises comply with all applicable codes (including but not limited to building, life safety and handicapped accessibility requirements), regulations, directives and other governmental requirements.
