

Rudy Logan Bio

Rudy Logan is a nonprofit professional from Silver Spring, Maryland. He has experience as a community builder, facilitator, and minister. Rudy works with communities to cultivate holistic responses to racial disparities in the criminal justice system and society at-large. His experiences with people disproportionately impacted by the school-to-prison pipeline drive his pursuit for racial equity and greater accountability within the criminal justice system. Promoting restorative alternatives-to-incarceration and connecting lived experience with thought and practice are Rudy's chief concerns.
