

Medical Facilities Development and University Expansion

Environmental Impact Statement

Walter Reed BRAC Integration Committee Update

September 17, 2013

Agenda

- EIS Process Update
- Proposed Action Summary
- Updates from the Draft EIS
- Completed EIS Schedule
- Next Steps/Construction Update

EIS Process Update

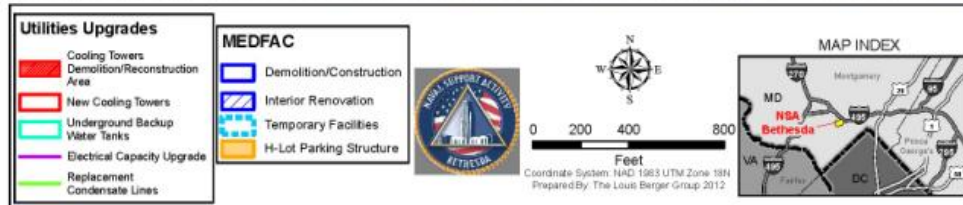

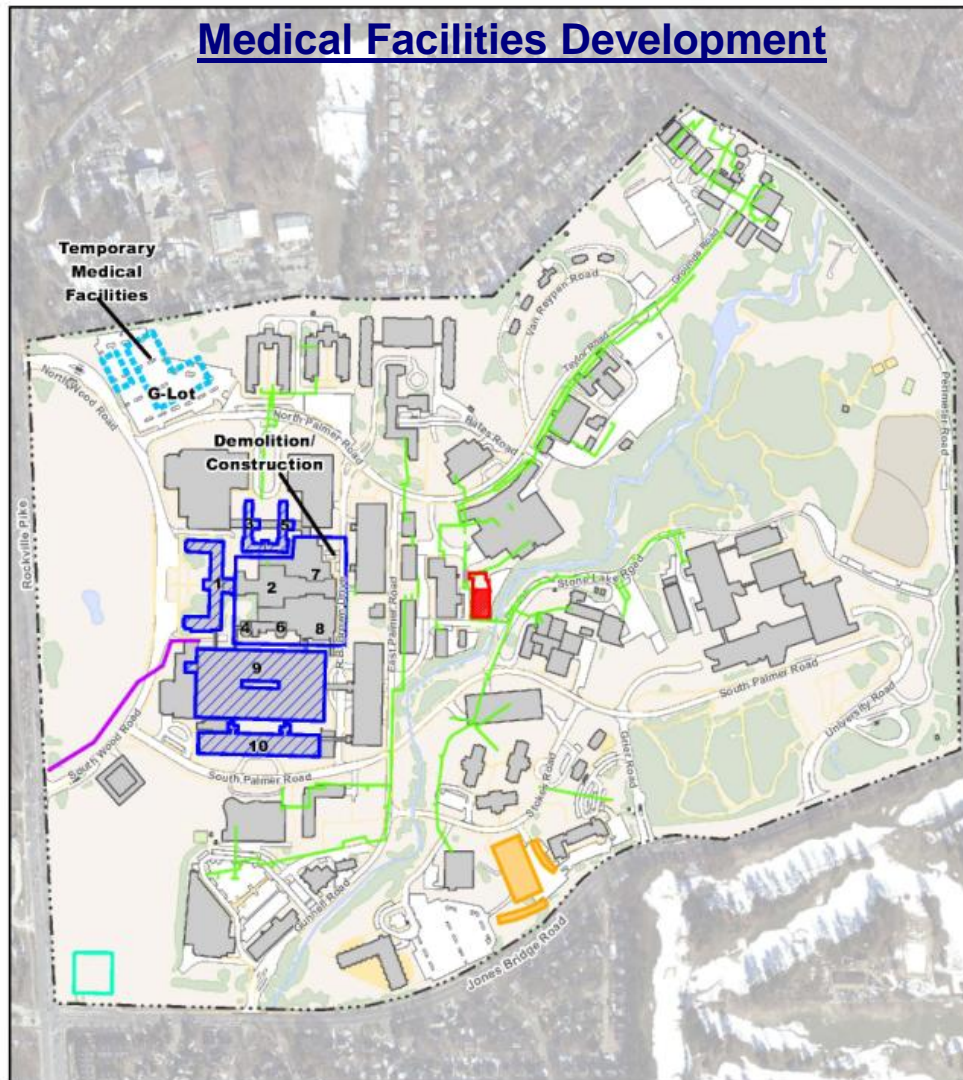

- The Final Environmental Impact Statement (EIS) was formally released via the Federal Register on Friday July 19, 2013 and was available for public review and comment until August 19, 2013
- The Record of Decision (ROD) was signed by the Navy on August 29, 2013. The Federal Register Notification was published on September 10, 2013.
 - Comments on the Final EIS addressed in ROD (pages 25-26)
- The EIS process officially closed with the signing of the ROD and subsequent Federal Register notification.
- The Final EIS and ROD are also available at the following website:
<http://www.wrnmmc.capmed.mil/PatientVisitors/SitePage/EIS.aspx>

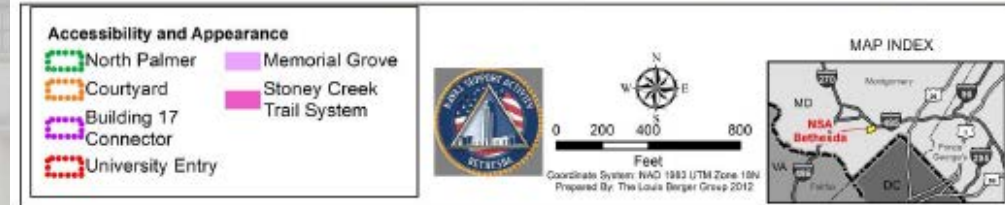

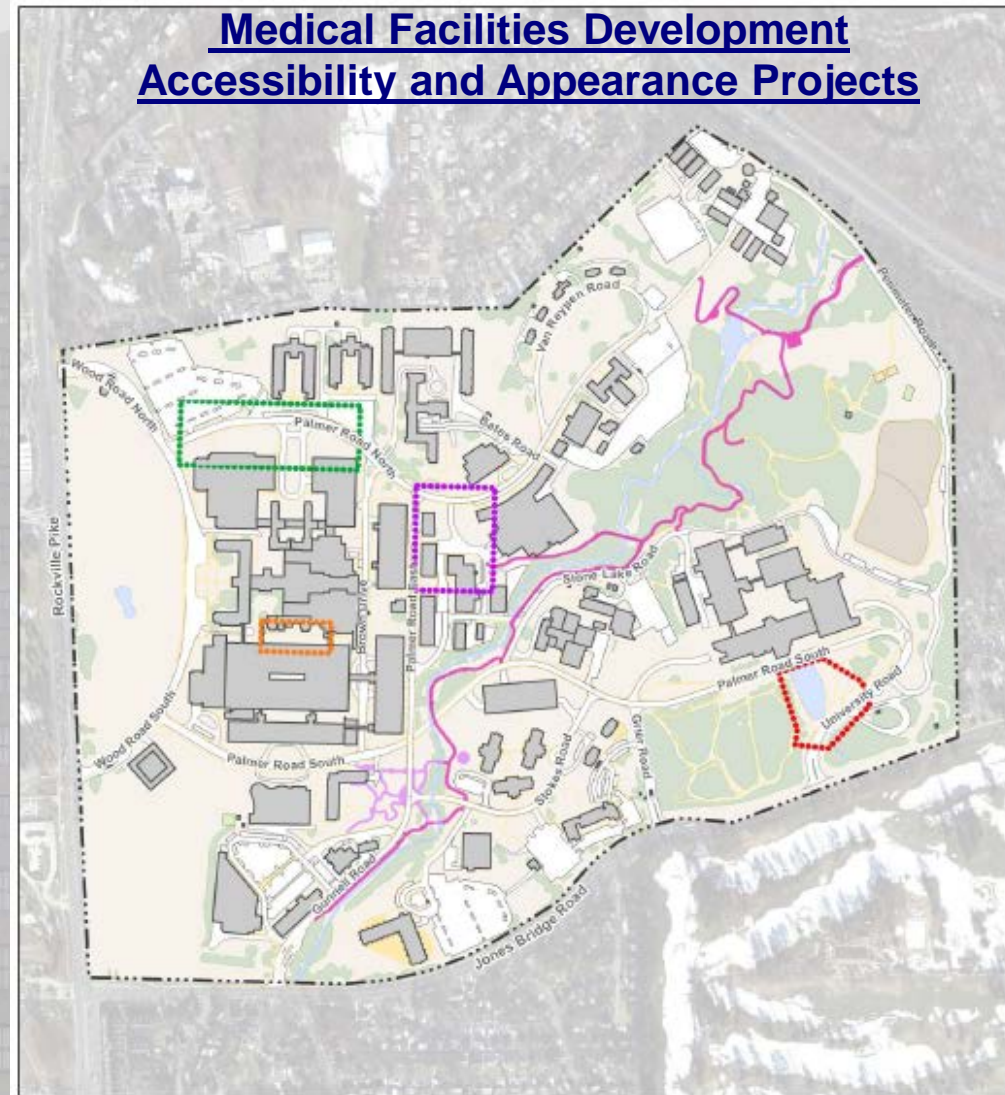

Proposed Action Summary Medical Facilities Development

- **Demolition of five hospital buildings (Buildings 2, 4, 6, 7, 8) and construction of a 5-story replacement facility in the same footprint**
- **Construction of a 500-space parking garage on H-Lot to provide a net increase of 500 patient/visitor/VIP spaces in the hospital core**
- **Utility capacity upgrades**
- **Construction of temporary medical facilities to maintain uninterrupted patient care during construction**
- **Internal renovations of five hospital buildings (Buildings 1, 3, 5, 9, 10)**
- **Accessibility and appearance improvement projects**

Medical Facilities Development

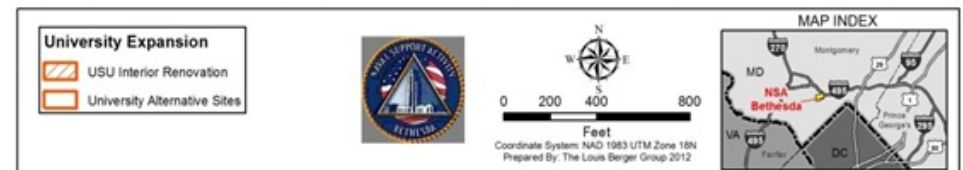

Medical Facilities Development Accessibility and Appearance Projects

Proposed Action Summary University Expansion

- Construction of a 341,000 SF education/research facility
 - Alternative Site 2 is the selected location
- Construction of a 400-space staff parking garage
- Internal renovations to existing USU buildings

Updates from the Draft EIS

- **Parking garage location changed from Front Lawn (underground) to H-Lot (above ground)**
- **Building 13 Renovations removed from the project**
- **Programmatic Agreement with MD State Historic Preservation Office completed for Building C**

Completed EIS Schedule

Next Steps/Construction Update

- **Two Medical Facilities Development Projects to begin in Fall 2013**
 - **Temporary Medical Facilities in G-Lot (2 phases)**
 - **Accessibility and Appearance Projects**
- **Two Medical Facilities Development Projects to begin in 2014**
 - **H-Lot Parking Garage**
 - **Utility and Electrical Capacity Upgrades**
- **Building C Demolition/Construction to begin in 2015**

A faded, grayscale background image of a tall, Art Deco-style building with many windows, likely the Naval Support Activity Bethesda building. The building is centered and takes up most of the frame. There are some trees visible at the base and sides of the building.
