

**Navy Medical Center  
Countywide Bikeways Functional Master Plan  
Existing, Planned, and Proposed Bikeways**  
Revised September, 2008  
MCDOT—Montgomery County Department of Transportation

**NOTICE**  
The geometric, property, and topographic information shown on this map is based on georeferenced data products from the Montgomery County Department of Park and Planning of the Maryland-National Capital Park and Planning Commission, and may not be updated or incorporated without written permission from M-NCPPC.

Property lines are compiled by adjusting the property lines to topography created from aerial photography and should not be interpreted as actual field surveys. Topographic features were compiled from 1:4,000 scale aerial photography using stereo photogrammetric methods.

This map is derived from a variety of data sources and may not reflect the most current conditions at any one location and may not be completely accurate or up to date. All data features are approximately within the date of their true location. This map may not be the same as a map of the same area printed at an earlier time as the data are continuously updated. Use of this map, other than for general planning purposes, is not recommended. Copyright 2008.
