SUBJECT: Tower Group Meeting Agenda for February 6, 2008

The next TFCG meeting is scheduled for Wednesday, February 6, 2008 at 2:00 p.m. in the second floor Conference Room #225 of the COB. The agenda for the meeting is as follows:

Consent Agenda Applications:

1. T-Mobile application to attach nine 52" panel antennas (six at the 82' level and three at the 85' level) on the penthouse walls atop the 76' high Walker House apartment building located at 18700 Walkers Choice Road in Montgomery Village (Application #200711-05).
2. Verizon Wireless application to attach three 50" panel antennas at the 45' level (two within two proposed faux chimneys and one pole mounted on the building wall) of an existing Village Square Apartment building located at 11931-11933 Veirs Mill Road in Silver Spring (Application #200801-03).
3. Verizon Wireless application to attach 12 panel antennas (six 71" and six 47") at the 87' level of an existing 100' monopole on Wheaton High School property located at 12501 Dalewood Road in Silver Spring (Application #200801-04).

Discussion/Action Item:

- T-Mobile Application #200702-07 / 2100 Spencerville Road

The attached letter explains that the Special Exception (SE) application for this monopole is now ready to be filed with the Board of Appeals. The Zoning Ordinance requires that a TFCG recommendation of no more than one year old must accompany the SE filing. The TFCG Record of Action on this application is now over one year ago; thus, the applicant requests an updated review and recommendation from the TFCG. Bob Hunnicutt has visited the site and confirms that the conditions appear to be the same as when the application was first

reviewed; thus, he still recommends the application conditioned on approval of the SE by the Board of Appeals. A copy of the original recommendation, the application, and an excerpt of the minutes from the meeting at which the application was initially reviewed is attached for your reference.
