Action Item: Meeting Minutes

Motion: Martin Rookard moved that the minutes be approved as written. Boyd Lawrence seconded the motion and it was unanimously approved.

Action Item: Consent Agenda

1. Verizon Wireless application to attach one omni-directional antenna at the 53' level on a 48'-high building on Quick Printing, Inc. property located at 2416 Blueridge Avenue in Silver Spring (201601-02). *Co-location.*
2. Sprint application to attach three panel antennas at the 110' level on a 120'-high monopole on Moyer and Sons Inc. property located at 13050 Shawnee Lane in Clarksburg (201601-03). *Co-location.*

3. Verizon Wireless application to add three remote radio heads at the 74' level on a 66'-high office building on Cadlerock's Concord Building LLC property located at 10605 Concord Street in Kensington (201601-04). *Minor Modification.*
4. Verizon Wireless application to remove twelve antennas and replace with nine panel antennas at the 102' level on a 120'-high monopole on Crown Castle property located at 7707 Airpark Road in Gaithersburg (201601-05). *Minor Modification.*
5. Verizon Wireless application to add three panel antennas at the 141' level on a 146'-high PEPCO transmission line tower on PEPCO property located at 11200 Deborah Drive in Bethesda (201601-06). *Minor Modification.*
6. Verizon Wireless application to remove twelve antennas and replace with nine panel antennas at the 82' level on a self-supported tower atop a 78'-high building on Montgomery County property located at 10025 Darnestown Road in Rockville (201601-07). *Minor Modification. Conditioned on the applicant providing written approval from Montgomery County that the County approves of the attachment at the time of permitting.*

Thomas Williamson noted that the County is scheduled to start demolition on this tower in September or October 2016. Because of this Mr. Williamson asked that the recommendation be conditioned on removal of the antennas in the fall of 2016 pending demolition of the monopole. Nancy Rodriguez confirmed that she would modify the recommendation to include the additional condition. Mr. Williamson noted that he will be sending out a letter to notify the contract administrators of the demolition.

7. Verizon Wireless application to remove three antennas and replace with three panel antennas at the 114' level on a 120'-high monopole on Nicholas Rinaldi property located at 15700 Georgia Avenue in Olney (201601-08). *Minor Modification.*
8. AT&T application to add three panel antennas at the 131' level on a 135'-high apartment building on Management Group Associates property located at 8830 Piney Branch Road in Silver Spring (201601-09). *Minor Modification.*

Ms. Williams noted that approval of the Consent Agenda would also include approval of the 2016 meeting schedule.

Motion: Martin Rookard moved that all items on the Consent Agenda be recommended. Dave Niblock seconded the motion and it was unanimously approved.

The next regularly scheduled meeting of the TFCG will be held on February 3, 2016 in Room #225 of the COB.
