Tower Coordinator Recommendation: Conditioned on the applicant providing written approval from WSSC of the attachment at the time of permitting. Recommendation is subject to compliance with all applicable laws.

8. Application Number: 2019010721 Type: Minor Modification Received (date): 2/1/2019 Revised: 2/20/2019

Applicant: T-Mobile
Site Name/Location: Clark Building/7500 Old Georgetown Rd, Bethesda
Zoning Standard: CR-8.0 Property Owner: Clark Office Bldg LP
Description: Remove five antennas and three RRHs. Add six antennas and six RRHs at 215' on a 209' building.
Tower Coordinator Recommendation: Recommended. Recommendation is subject to compliance with all applicable laws.

Motion: Gregory Russ moved that items #1 through #8 on the Consent Agenda be recommended. Martin Rookard seconded the motion and it was unanimously recommended.

Regular Agenda

9. Application Number: 2019010711 Type: Colocation Received (date): 1/18/2019 Revised: 2/1/2019 Revised: 2/4/2019

Applicant: AT&T Wireless
Site Name/Location: Knights of Columbus 2/17001 Overhill Rd, Derwood
Description: Attach six antennas and nine remote radio heads (RRH) at 142’ on an existing 150’ monopole. Equipment to be installed within an existing fenced compound.

Tower Coordinator Recommendation: Recommended with condition that applicant must apply to the Board of Appeals for a modification of the existing Special Exception (S-888) if necessary. Recommendation is subject to compliance with all applicable laws.

Jasmina Rivas summarized the application.

Motion: Michelle Grace moved that the application be recommended. Boyd Lawrence seconded the motion and it was unanimously recommended.

10. Application Number: 2018120624 Type: Colocation Received (date): 12/6/2018 Revised: 12/28/2018

Applicant: T-Mobile
Site Name/Location: Pepco 802422-090050/902 Merrimac Dr, Takoma Park
Zoning Standard: CRT-1.5 Property Owner: Takoma Park ROW
Description: Add one omni-directional antenna at 51’5” on an existing 48'4” wooden Pepco utility pole. An equipment shroud will also be attached to the side of the existing utility pole.

Tower Coordinator Recommendation: Recommended with condition on the applicant working and obtaining a Takoma Park ROW Permit with the City of Takoma Park. Recommendation is subject to compliance with all applicable laws.

Marjorie Williams gave a summary of the history of this application. She explained that Pepco filed a permit with the City of Takoma Park in 2017 to replace an existing 34’ utility pole with a 48'4” pole to accommodate a third-party attachment. The permit was approved in September 2017 and Pepco replaced the utility pole prior to the expiration of the permit in March 2018.

Crown Castle applied to the TFCG to colocate on this site (i.e., the proposed taller pole) on behalf of T-Mobile in December 2017, but tabled the application in February 2018 (prior to the TFCG meeting that month) and subsequently withdrew the application. Crown Castle submitted
a new colocation application for this site (i.e., to colocate on the new, taller replacement pole that Pepco had by that time installed) in December 2018.

The TFCG has concluded that the 48'4" pole was legally replaced and is an existing structure on which Crown Castle, on behalf of T-Mobile, can propose to colocate. (The Montgomery County ZTA 18-11, which went into effect in July 2018, would have limited Pepco’s replacement pole to a height that was no more than 10 feet greater than the original pole, or 44', but the pole was replaced prior to those new rules.)

Jasmina Rivas summarized the application.

**Motion:** Michelle Grace moved that the application be recommended. Boyd Lawrence seconded the motion. Gregory Russ abstained from voting. All other members voted to recommend.

The meeting was adjourned.

The next TFCG meeting is scheduled for April 3, 2019, at 2 p.m. at 51 Monroe St., Suite 300.
