Rustic and exceptional rustic roads are preserved under the Rustic Roads Program. Therefore, M-NCP PC would have to take this into account when reviewing this application at a later stage. Gregory Russ indicated that the recommendation that was given for all RCS towers (items #12 through #14 on the Regular Agenda) would need to be amended. He recommended it read as “Recommended on the condition that the applicant goes through the Mandatory Referral process and receives a recommendation from the Planning Board. Recommendation is subject to compliance with all applicable laws”. All other members agreed with amending the recommendations to read as such.

**Motion:** Patricia Wolford moved that the application be recommended. Boyd Lawrence seconded the motion. Gregory Russ abstained from voting and all other members unanimously recommended the application.
