MEMORANDUM

June 9, 2006

TO: Distribution

FROM: Jane Lawton, Tower Chair  
Transmission Facility Coordinating Group (TFCG)

**SUBJECT: TFCG Notice of Action for June 7, 2006 Meeting**

At its meeting of June 7, 2006, the Montgomery County TFCG voted to **recommend** the following applications:

- Sprint application to changeout 9 existing antennas with 9 new 48" antennas on the same mounts and location on PEPCO transmission line tower #100-S located at Goshen Road & Rothbury Drive in Gaithersburg (Application #200605-16).
- FiberTower application to install two dish antennas at the 92' level on the 100' monopole located on the Rinaldi property located at 15700 Georgia Avenue in Olney (Application #200606-03).
- T-Mobile application to install three antennas at the 42' level inside a cupola of the Potomac United Methodist Church located at 10300 Falls Road in Potomac (Application #200606-05).
- T-Mobile application to attach 9 antennas at the 100' level of a 100' monopole on Storage USA property located at 19500 Frederick Road in Germantown (Application #200606-07).
- Nextel application to replace an existing equipment shelter with a new 12' x 20' shelter on the roof of the Grosvenor House Apartment building located at 10101 Grosvenor Place in Rockville (Application #200606-09).
- FiberTower application to install one dish antenna at the 70' level of an existing 138' monopole located at I-270 & Montrose Road in Rockville (Application #200606-13).

- Cingular application to replace six 51” and three 55” antennas with six 55” antennas at the same location and mounts on the roof of the Choice International Hotel located at 10750 Columbia Pike in Silver Spring (Application #200606-14).

***Recommendation conditioned on any modifications that may be needed to the Special Exception(s) for this site:***

- T-Mobile application to replace two existing antennas with six 53” antennas pole mounted to the penthouse wall at the 59’ level of the National 4-H Council building located at 7100 Connecticut Avenue in Chevy Chase (Application #200606-01).

***Recommendation conditioned on the Board of Appeals approving a Special Exception for this site:***

- T-Mobile application to install nine antennas on sleds mounted on the roof at the 55’ level of the existing 46’ Wildwood Medical Center building located at 10401 Old Georgetown Road in Bethesda (Application #20606-11).

***Recommendation conditioned on submission of a structural analysis to the Office of Permitting Services with a copy to the Tower Coordinator showing that the attachment can safely be made:***

- FiberTower application to install two dish antennas at the 85’ level on the PSTA observation tower located at 10025 Darnestown Road in Rockville (Application #200606-02)
