MEMORANDUM

November 2, 2006

TO: Distribution

FROM: Jane Lawton, Tower Chair
Transmission Facility Coordinating Group (TFCG)

SUBJECT: TFCG Notice of Action for November 1, 2006 Meeting

At its meeting of November 1, 2006, the Montgomery County TFCG voted to **recommend** the following applications:

- Modeo application to install antennas on an existing monopole and equipment shelter at Bullis Prep School located at 10601 Falls Road in Potomac (Application #200609-10).
- Clearwire application to install antennas at the 178' level of an existing 326' Carver lattice tower located at 2647 University Boulevard in Wheaton (Application #200610-03).
- Modeo application to install antennas at the 125' level and on the ice bridge of an existing monopole on the Rinaldi property located at 15700 Georgia Avenue in Olney (Application #200610-06).
- Verizon Wireless application to replace nine existing 48" antennas with nine 72" antennas at the 185' level on the roof of the Chateau Apartments located at 9727 Mt. Pisgah Road in Silver Spring (Application #200610-08).
- Sprint/Nextel application to add three new antennas at the 85' level of a 100' monopole on Damascus Grace Fellowship Church property located at 8425 Damascus Road in Damascus (Application #200610-09).

Recommendation conditioned on completion of the necessary modifications to the structure to support the additional antennas and related cables:

- Modeo application to attach antennas on an existing monopole and ice bridge on the Seneca Ayr Farm property located at 13100 West Old Baltimore Road in Boyds (Application #200609-18).

Recommendation conditioned on any modifications that may be necessary to the Special Exceptions on this property:

- Sprint/Nextel application to add six new antennas and relocate three existing antennas on chimneys at the 57' level of the National 4-H Council building located at 7100 Connecticut Avenue in Chevy Chase (Application #200610-05).

Recommendation conditioned on completion of the structural modifications necessary to permit the safe attachment of the antenna and related cables as proposed:

- Modeo application to install antennas at the 182' level and on the ice bridge of a 170' monopole on Aspen Landscape property located at 15710 New Hampshire Avenue in Silver Spring (Application #200610-07).
