MEMORANDUM

December 3, 2009

TO: Distribution

FROM: Margie Williams, Tower Chairperson
Transmission Facility Coordinating Group (TFCG)

SUBJECT: TFCG Notice of Action for the December 2, 2009 Meeting

At its meeting of December 2, 2009, the Montgomery County TFCG voted to **recommend** the following applications:

- Verizon Wireless application to replace antennas at the 100' level on the Fire Station #31 monopole located at 12100 Darnestown Road in Quince Orchard (Application #200906-14).
- Clearwire application to attach a dish antenna at the 51' level within a bell tower at the Memorial United Methodist Church located at 9226 Colesville Road in Silver Spring (Application #200907-23).
- Clearwire application to attach dish antennas at the 223' level atop a 225' high office building located at 7500 Old Georgetown Road in Bethesda (Application #200907-30).
- Clearwire application to attach antennas at the 177' level atop a 17-story Parkside Plaza apartment building located at 9039 Sligo Creek Parkway in Silver Spring (Application #200908-39).
- Clearwire application to attach antennas at the 206' level atop a 16-story office building located at 9000 Rockville Pike in Bethesda (Application #200908-42).
- Clearwire application to attach antennas at the 54' level atop the 45' high Wildwood Medical Center building located at 10401 Old Georgetown Road in Bethesda (Application #200910-01).
- Clearwire application to attach antennas at the 57' on a church bell tower at St. John's Episcopal School located at 3427 Olney-Laytonsville Road in Olney (Application #200910-05).
