MEMORANDUM

March 5, 2009

TO: Distribution

FROM: Margie Williams, Acting Tower Chair
Transmission Facility Coordinating Group (TFCG)

SUBJECT: TFCG Notice of Action for the March 4, 2009 Meeting

At its meeting of March 4, 2009, the Montgomery County TFCG voted to **recommend** the following applications:

- Cricket Wireless application to install four panel antennas on the roof of a Grosvenor House apartment building located at 10101 Grosvenor Place in Rockville (Application #200810-13).
- Cricket Wireless application to attach three panel antennas on the penthouse walls atop the Semmes office building located at 10220 River Road in Potomac (Application #200811-01).
- Cricket Wireless application to install three panel antennas on the roof of a White Oak Towers apartment building located at 11700 Old Columbia Pike in Silver Spring (Application #200811-06).
- Cricket Wireless application to attach three panel antennas on an existing lattice tower on Kenwood Country Club property located at 5601 River Road in Bethesda (Application #200811-10).
- Cricket Wireless application to attach three panel antennas on the penthouse walls atop the Westlake Towers apartment building located at 7420 Westlake Terrace in Bethesda (Application #200811-13).
- Cricket Wireless application to attach three panel antennas on an existing monopole on MDOT property located at I-495 & Connecticut Avenue in Kensington (Application #200811-37).

- AT&T application to install one dish antenna atop a WSSC water tank located at 11400 Woodglen Drive & Executive Boulevard in Rockville (Application #200903-01).
- AT&T application to install one dish antenna to the penthouse wall of the Westlake Towers apartment building located at 7420 Westlake Terrace in Bethesda (Application #200903-02).

Recommendation conditioned on Cricket, AT&T and the landlord resolving the equipment and cabling placement conflicts:

- Cricket Wireless application to attach three panel antennas on the penthouse walls atop the Chateau Apartments building located at 9727 Mt. Pisgah Road in Silver Spring (Application #200811-02).

Recommendation conditioned on removal of the deactivated AT&T antennas atop the monopole prior to attaching the Cricket antennas:

- Cricket Wireless application to attach three panel antennas on an existing monopole on Fire Station #31 property located at 12100 Darnestown Road in Gaithersburg (Application #200811-14).

Recommendation conditioned on T-Mobile 1) meeting the requirements of the FAA Determination to coordinate frequency activation with the FAA, and 2) voluntarily lighting the monopole to meet the Revenue Authority's request in a manner compliant with FAA lighting specifications:

- T-Mobile application to construct a 100' monopole on Extra Space Storage property located at 18920 Earhart Court in Gaithersburg (Application #200901-04).
