MEMORANDUM

November 5, 2009

TO: Distribution

FROM: Margie Williams, Tower Chairperson
Transmission Facility Coordinating Group (TFCG)

SUBJECT: **TFCG Notice of Action for the November 4, 2009 Meeting**

At its meeting of November 4, 2009, the Montgomery County TFCG voted to **recommend** the following applications:

- Clearwire application to attach three dish antennas to a 121' high monopole located at the Airpark Industrial Center, 7707 Airpark Road, Gaithersburg (200907-33).
- Clearwire application to attach two dish antennas to a 180' high monopole located at the former Burtonsville VFD, 15430 Old Columbia Pike, Burtonsville (200907-35).
- Clearwire application to attach one dish antenna to a 105' high PEPCO transmission line tower #100-S at the 2000 block of Goshen Road, Gaithersburg (200909-05).
- Clearwire application to attach six antennas to the penthouse walls of an 11-story Takoma Business Center building, 6930 Carroll Avenue, Takoma Park (#200909-07).
- Clearwire application to attach three antennas to the penthouse walls of a 9-story office building, 6110 Executive Boulevard, Rockville (#200909-12).
- Verizon Wireless application to replace nine panel antennas with 12 panel antennas atop a 15-story Chateau Apartments building, 9737 Mount Pisgah Road, Silver Spring (200911-04).
- ITT application to attach six omni-directional antennas on a 218' lattice tower on Suburban Propane property, 35 Derwood Circle, Rockville (200912-01).

Office of Cable and Communication Services

**100 Maryland Avenue, Suite 250, Rockville, Maryland 20850
240-773-2288 (CATV) FAX 240-777-3770**

Condition: On submission of a structural analysis report to DPS, and a copy to the Tower Coordinator, that states the attachment of Clearwire's dish antennas can be safely made:

- Clearwire application to attach three dish antennas to a 110' high monopole located at the Rinaldi property, 15700 Georgia Avenue, Olney (200908-34).

Condition: On Clearwire considering a flush-mount or low profile mounting design for their antennas:

- Clearwire application to attach five antennas to a 101' high monopole located at Daly Elementary School, 20301 Brandermill Drive, Germantown (200911-01).

Withdrawn by applicant:

- Clearwire application to attach one dish and three panel antennas on a church bell tower on St. John's Episcopal School, 3427 Olney-Laytonsville Road, Olney (200910-05).
