MEMORANDUM

March 10, 2010

TO: Distribution

FROM: Margie Williams, Tower Chairperson
Transmission Facility Coordinating Group (TFCG)

SUBJECT: TFCG Notice of Action for the March 3, 2010 Meeting

At its meeting of March 3, 2010, the Montgomery County TFCG voted to **recommend** the following applications:

1. Verizon Wireless application to replace antennas at the 173' level atop a 164' high Berkshire Towers building, 11215 Oak Leaf Drive, Silver Spring (Application #201004-01).

Condition: Approval of a Special Exception by the Board of Appeals, a unipole-designed monopole as recommended by the Rustic Roads Committee, and either approval of a monopole for less than three carriers if requested by the applicant, or a monopole designed to accommodate three carrier's antennas and ground equipment

2. T-Mobile application to attach antennas at the 147' level on a 150' high monopole to be constructed on the Carlisle property, 22730 Mt. Ephraim Road, Dickerson (Application #200907-11).

Condition: Board of Appeals approval of a Special Exception, Administrative modification to the existing Special Exception or whatever other applicable action may be deemed appropriate by the Board for placement of these facilities.

3. T-Mobile application to attach antennas atop a 24' high National Children's Center office building, 410 University Boulevard West, Silver Spring (Application #200908-22).
