MEMORANDUM

March 3, 2011

TO: Distribution

FROM: Margie Williams, Tower Chairperson
Transmission Facility Coordinating Group (TFCG)

SUBJECT: TFCG Notice of Action for the March 2, 2011 Meeting

At its meeting of March 2, 2011, the Montgomery County TFCG took the following action on applications reviewed:

NOT RECOMMEND:

- T-Mobile application to add equipment at the base of the tower located at 17335 Donora Road, Ashton. (Application #201103-13).

RECOMMEND:

- T-Mobile application to add equipment at multiple PEPCO locations. (Application #201103-09).

RECOMMEND WITH CONDITIONS:

Conditioned on the Board of Appeals approving a Special Exception, Administrative modification to the existing Special Exception or whatever other applicable action may be deemed appropriate by the Board for placement of these facilities.

- T-Mobile application to attach antennas at the 35'-high level atop a 24'-high building on National Children's Center property located at 410 University Boulevard West in Silver Spring (Application #200908-22).

Conditioned on applicant being granted a Special Exception by the Board of Appeals for a monopole not to exceed 130 feet in height or lower.

- IMF application for an AT&T 155'-high monopole with panel antennas at the 150 level on IMF property located at 15700 River Road in Germantown (Application #201103-02).

Conditioned on approval of a Special Exception by the Board of Appeals.

- T-Mobile application to attach antennas at the 153' level on a 155'-high monopole on Ammerman property located at 19100 Wasche Road in Dickerson. (Application #201103-07).

Conditioned on providing written approval from WSSC, the public schools, and M-NCPPC permitting the installations at time of permitting, on TFCG review and recommendation of sites not yet reviewed and recommended, on approval by the Board of Appeals for any sites requiring a Special Exception or modification to a Special Exception.

- T-Mobile application to add equipment at multiple monopole locations. (Application #201103-08)

Conditioned on providing written approval from WSSC at time of permitting.

- T-Mobile application to add equipment at multiple self supporting structure locations. (Application #201103-10).

Conditioned on providing written approval from WSSC at time of permitting.

- T-Mobile application to add equipment at multiple water tank locations. (Application #201103-11).

Conditioned on TFCG review and recommendation of T-Mobile installations not yet reviewed and recommended, on approval by the Board of Appeals for any sites requiring a Special Exception or modification to a Special Exception or administrative hearing.

- T-Mobile application to add equipment at multiple rooftop locations. (Application #201103-12).
