

COMING SOON: Online Services Being Offered by the Court on July 20, 2020

July 20, 2020 marks the beginning of Phase III of the *Montgomery County Circuit Court Reopening Plan*. On this date, the Circuit Court Clerk's Office will be open to the public and attorneys for certain services. These services will be by appointment only from 10-12 and 2-4. However, we are still strongly encouraging the public and attorneys to continue to request copies and information by e-mail, drop box, or USPS.

To limit the number of people in the courthouse and to expedite requests, members of the public and attorneys will be able to order copies and request appointments for the following services online:

1. Copies of case documents (excluding marriage licenses)
2. Reviewing case files
3. Swearing in of Special Police Officers
4. Swearing in of notaries

More information about how to request each of these services will be made available on the Circuit Court homepage on July 17, 2020.

In the meantime, please visit the Court's home page for announcements about when and how hearings are being scheduled and policies relating to all judicial operations. Also, please consult the Circuit Court's *Tips and Frequently Asked Questions During the Montgomery County Circuit Court's Closure* [<https://www.montgomerycountymd.gov/cct/Resources/Files/COVID-19-Notices/Tips-and-FAQs-during-Court-Closure.pdf>] document for information on how to apply for a marriage license, get copies of/corrections to marriage licenses, request a document be certified for apostille, and other services.
