**Choose Respect:** The Choose Respect Montgomery Student Advisory Committee is a Montgomery County Government lead organization to educate MCPS students about dating violence. The group runs a yearly PSA contest and a festival called Respectfest, both meant to educate students about dating violence. As a member of the student advisory committee, you will: advertise the PSA contest and Respectfest, judge the PSA entries, plan Respectfest, and run activities at Respectfest. It meets monthly for about an hour, with the exception of Respectfest in late March and the time to judge the PSAs. You will earn SSL hours for your participation.
