

BIOGRAPHY

MARY MCCARTHY CAMPBELL, ESQ.

1620 PROVIDENCE ROAD • TOWSON, MARYLAND 21286
PHONE (410)960-3169

OVERVIEW

Solo practitioner with extensive experience in guardianship, estate, medical assistance, and collections matters including litigation and trial experience before courts throughout the state of Maryland.

AREAS OF PRACTICE

Guardianships: Representation of individuals, hospitals, and long term care institutions in court proceedings seeking the appointment of guardians for individuals with age related and other disabilities; facilitating communications between client and interested persons, including families, state agencies, and the Court; court appointments as counsel to persons alleged to suffer from disabilities in guardianship proceedings; representation of other interested persons in guardianship proceedings; service as guardian of property and management of guardianships of property including extensive experience dealing with financial institutions, real estate issues, pension and retirement funds, preparation of pleadings and fiduciary accountings and litigation to recover misappropriated assets; extensive experience before the Circuit Courts of Baltimore City and Baltimore County as well as other jurisdictions throughout the state of Maryland.

Estate Planning and Administration: Consultations with individual clients and family members regarding estate planning issues; preparation of financial powers of attorney, advance directives, health care powers of attorney and wills; and the administration of estates.

Medical Assistance: Assist institutional and individual clients with the completion of applications for medical assistance benefits, including successfully seeking the appointment of legal representatives to obtain the information necessary to complete said application; gathering needed documents to complete medical assistance applications, initiating legal actions to compel representatives to complete applications and to make appropriate payments to long term care institutions; and initiating court proceedings to recover misappropriated funds from responsible parties

Collections: Successful representation of institutional clients in collections matters.
