Re: Child Counsel

Dear Master Segal:

I graduated from The University of Georgia School of Law in 1989 and practiced law in Atlanta until December 2000. Throughout this period of time I had very little Family Law exposure. However, upon joining Quinn, McAuliffe & Rowan in 2001 I was immediately immersed in Family Law. For the first four or five years of practicing with what is now Ethridge, Quinn, Kemp, McAuliffe, Rowan & Hartinger my practice was probably about 80% Family Law. That percentage has decreased over time as I have expanded my practice. Currently, Family Law makes up anywhere from 35 – 40% of my practice.

Soon after receiving my Child Counsel Training I began taking assignments from the Frederick Circuit Court. I think I have received 6 case assignments in the last two years or so and declined another because of a conflict.

In addition to Child Counsel assignments I also received the Court sponsored guardianship training and receive assignments from the Montgomery County Circuit Court in guardianship matters.

If you should need additional information, please do not hesitate to let me know.

Kindest regards.

Sincerely,

Timothy C. Price
