July 2000 to Present

Presenter. Circuit Court of Anne Arundel County's Family Law Orientation Workshop (FLOW); Educate parents/grandparents/caregivers of children that are court ordered to the FLOW workshop in Anne Arundel County. This education includes awareness of the benefits to the children when co-parenting and the detriments to the children when there is high conflict, as well as, promoting mediation and explaining the court process. These classes offer techniques to accomplish co-parenting and the ability to focus on the children.

January 1998 to April 2013 (Loss of funding)

Clinical Supervision. YWCA of Anne Arundel County, Maryland. Temporary contractual clinical supervisor for the therapists treating sexually abused children while the agency pursued a replacement for the retired clinical supervisor.

March 2007 to February 2008

Quality Assurance Consultant. Queen Anne's County Department of Social Services, Centreville, MD; Grant driven, part-time, contractual consultant assisting the administration with organization and implementation of case record reviews to assure quality for the customers.

June 2005 to December 2007 (Grant goals met)

Clinical Consultant. Anne Arundel Abuse Counseling Center. Family and Children's Services of

Central Maryland, Inc., Annapolis, MD; Part-time, contractual clinical consultant for therapists treating children, adolescents, and adults that are primary and/or secondary victims of sexual and/or physical abuse.

May 2003 to April 2005

Clinical Consultant. Talbot County Department of Social Services, Easton, MD; Grant driven, part-time, contractual consultant providing clinical case reviews, trainings, and assistance with administration in accreditation process.

June 2001 to June 2004 (Grant goals met.)

Child Therapist. Anne Arundel Abuse Counseling Center. (Previously, the Sexual Assault Crisis Center of Anne Arundel County) Family & Children's Services of Central Maryland, Annapolis, MD; Part-time, contractual psychotherapist for children and adolescents who have been physically and/or sexually abused.

February 2001 to September 2002

Custody Evaluator. Family Law Division, Circuit Court for Anne Arundel County, Annapolis, MD; Primary purpose was to provide the Court with contested custody and adoption studies. Other responsibilities: to provide crisis mediation on an as needed basis for the Masters and Judges; review Court files pertinent to investigations; interview/review professional and personal references such as doctors, attorneys and interested parties related to each case; recommend appropriate services as needed; assess, identify and evaluate parents' circumstances, strengths and needs; interview children to define their needs consistent to the developmental stages; and testify in Court as an expert witness offering custody recommendations.

January 1998 to September 2000

Mental Health Practitioner. Spectrum Behavioral Health, Inc. Arnold, MD; contractual mental health practitioners at a private agency providing therapeutic treatment to all ages for individuals, families, couples and groups. Primary clients: adult women, couples, children, adolescents, victims of abuse, and families.

February 1997 to August 1999

Psychotherapist, Coordinator & Lead Worker. Queen Anne's County Department of Social Services, Centreville, MD; a state social services agency. Primary responsibilities are coordinating the Sexual Abuse Treatment Program (SATP), treating abuse victims and their families, and Lead Worker for the Child Protective Service Unit. Responsibilities related to the SATP: budget of grant money, supervising the SATP aide, supervising a MSW student, assessing and treating physically & sexually abused children and adolescents individually, in groups and with their families with play therapy/ psychotherapy. Additional caseload includes Child Protective Service Investigations, Continuing Child Protective Service Clients, Home Studies, Custody Evaluations, trained evaluator for Mental Injury of children, staff consultant for dual-diagnosed clients, and screening Intake calls/walk-in visits for emergency services or for assistance with abuse. Other responsibilities included giving community outreach presentations concerning reporting and treating abuse. Lead Worker on CPS Unit when the supervisor was unavailable to screen all reported abuse and neglect referrals and assign a worker to the case when appropriate. On-call after hours for Queen Anne's Co. & Kent Co. DSS Child Welfare for alleged child abuse, and neglect.

May 1993 to January 1998

Psychiatric ER Evaluator. Dorchester General Hospital's Psychiatric Emergency Response Team,

Cambridge, MD; a non-profit, community hospital. On-call on the average of 2 nights per week for Dorchester County's psychiatric emergencies. Responsibilities include consulting with the physicians and nurses in regard to assessment and recommendations.

August 1993 to October 1993

Mental Health Therapist. Harford County Addictions and Mental Health Clinic, Bel Air, MD; a general outpatient psychiatric program. Responsibilities included initial interview of assigned patients to determine appropriateness of referral and completion of a psychosocial assessment. Also, managed a therapeutic caseload of individuals and families treating the mentally ill and dual-diagnosed (mental illness and addictions) patients, and co-facilitated a group for adult, female, and incest survivors. On-call one workday every four weeks.

January 1992 to May 1993

Family Specialist and Therapist. Talbot County Health Department, Easton, MD; an outpatient adolescent addictions' program. Developed family specialist's responsibilities for this new position. Participated on the county's Interagency Committee as well as consulted for the interdisciplinary Student Assistant Program teams at two high schools and two middle schools, and participated on the two high schools' Intervention Teams. Liaison with local agencies. Presented to various community organizations awareness and education of the disease concept, codependency issues, and children coping with alcoholic/drug addicted parent(s). Managed therapeutic caseload, both family and individual. Focus of treatment included disease concept education, codependency issues, children coping with alcoholic/drug addicted parents, child abuse (physical, sexual and/or neglect), dysfunctional parenting, co-existent diagnoses, spousal or impending separation/divorce. Member of Independent Team Certification that determined the need for inpatient chemical dependency treatment of Medical Assistance clients. Recommended and connected families with appropriate resources such as self-help/12-step groups. Facilitated therapeutic support group for pregnant teens and teenage mothers.

September 1990 to January 1992

Paid MSW Intern. Springfield Hospital Center, Sykesville, MD; a state psychiatric hospital. Member of interdisciplinary team with nurses, psychiatrists, psychologists, and recreational therapists on an adult multi-county admissions unit. Managed therapeutic caseload, coordinated discharge planning and co-led a weekly therapy group for mentally ill and dual-diagnosed (mental illness and addiction) patients.

May 1989 to August 1989

Social Worker--Therapist/Case Manager. Northern Regional Juvenile Detention Facility, Youth Services System, Inc., Wheeling, W.V.; a secure facility primarily serving 5 W.V. counties for adolescents charged with adult crime/s/. Assisted the Director in developing the program, policies and procedures. Also assisted in interviewing and hiring of direct care workers. Developed the social worker position. Developed the behavior management program for the unit. On-call one week per month to provide supervision of staff and resolve crises. Field instructor for bachelor level social work student. Managed therapeutic caseload, both individual and group. Assisted in drug and alcohol assessments of youth. Developed service plans. Liaison person with police, prosecuting attorneys, defense attorneys, Judges, schools, in-and out-of-state residential placements, Department of Human Services, and attended court hearings to effect prompt disposition.

September 1986 to April 1988*

Child Care Worker. Samaritan House, Youth Services System, Inc., Wheeling, W.V.; an emergency

shelter for adolescent males in crisis. Part-time live-in. Organized therapeutic care and group-life activities that included substance abuse treatment.

March 1986 to September 1986 (Satellite location for Northern Regional Juvenile Detention Facility)

October 1983 to January 1985

Social Worker--Therapist/Case Manager. St. John's Home for Children, Wheeling, W.V.; a long-term residential treatment facility for adolescent males and females. Supervisor of the Girls' Cottage staff. On-call one week per month to provide supervision of staff and resolve crises. Supervised an associate level student. Therapeutic caseload of female residents and their families.

Provided long-term planning for female residents--service plans that included substance abuse treatment. Facilitated weekly therapy group for female residents. Evaluated potential female residents.

January 1985 to March 1986

**Child Care Worker, part-time live-in. Therapeutic care and group-life activities that included substance abuse treatment.

October 1980 to November 1981

INTERNSHIPS

**MSW Intern. Jewish Family Services, Baltimore, MD; a social service agency for the Jewish population of Baltimore. Supervised by the Director of Residential and Support Services. Therapeutic caseload both individual and group with the mentally ill, dual-diagnosed (mental illness and addiction), and developmentally disabled. Developed service plans. Planned and implemented monthly recreational activities and monthly fire drills in a halfway house for chronically mentally ill adults. Administrative duties consisted of assisting in development of an entrepreneurial project, recruited, interviewed and hired the care providers.

Assisted the Assistant Executive Director in grant writing. Coordinated a volunteer project serving the elderly.

September 1989 to May 1990 (700+ hours)

**MSW Intern. Springfield Hospital Center, Sykesville, MD; a state psychiatric hospital. Member of interdisciplinary team with nurses, psychiatrists, psychologists, and recreational therapists on a Baltimore City adult admissions unit. Carried a therapeutic caseload and coordinated discharge planning for mentally ill, and dual-diagnosed (mental illness and addiction) patients. *September 1988 to May 1989* (500+ hours)

**Child Life Specialist Intern and Infant Therapy Intern. Akron Children's Hospital, Akron, Ohio; a city hospital. Supervised recreation for children of all ages, conducted play therapy, assisted infant therapists, and liaison between doctors, and families. *February 1980 to May 1980* (400+ hours)
