MEMORANDUM

March 5, 2009

TO: Management and Fiscal Policy Committee

FROM: Amanda M. Mihill, Legislative Analyst *Am Mihill*

SUBJECT: **Worksession:** Resolution to approve a franchise agreement for use of public right-of-way: XO Communications Services, Inc.

At the request of the County Executive, the Council President introduced a resolution on February 3 that would grant a new franchise agreement to XO Communications Services, Inc. ("XO") to construct a fiber optic telecommunications network. The proposed franchise agreement is for an initial 10-year term, and the County will reserve the right to charge XO 5% of gross revenues or another amount set by County law or resolution.

The Executive recommends approval of the attached franchise agreement. Under Chapter 49 of the County Code, the Council has sole authority to grant a franchise for use of the public right-of-way. XO published notice of the franchise application, and the Executive did not receive any comments by the December 1, 2008 deadline. Since no public comments were received, the Executive was not required to conduct a public hearing on the franchise application.

The Council has held public hearings on all franchise applications. A public hearing was held on February 24 and there were no speakers. A draft resolution to approve the XO franchise agreement is attached on ©17. **Council staff recommendations will be available at the worksession.**

3. SCOPE OF FRANCHISE.

3.1 Any and all rights expressly granted to XO under this Agreement, which shall be exercised at XO's sole cost and expense, shall be subject to the prior and continuing right of the County under applicable Laws to use any and all parts of the Public Right-of-Way only, exclusively or concurrently, with any other Person or Persons, and further shall be subject to all deeds, easements, dedications, conditions, covenants, restrictions, encumbrances, and claims of title which may affect the Public Right-of-Way. Nothing in this Agreement shall be deemed to grant, convey, create, or vest a perpetual real property interest in land in XO, including any fee, leasehold interest, or easement. The County makes no representations or warranties with respect to the title to the Public Right-of-Way or the nature of the County's interest in the Public Right-of-Way. If there are other interests, if any, in the Public Right-of-Way, XO must obtain the necessary consent for its use from each Person who holds any such interest. XO must indemnify and hold the County harmless from any claims or costs arising out of or related to a constitutional takings claim or other legal action by reason of XO's use of the Public Right-of-Way.

3.2 The County hereby grants a non-exclusive right to XO to construct, reconstruct, install, operate, maintain, locate, move, remove, reattach, reinstall, relocate, and replace the Facilities in or upon, under, above, and across the Public Right-of-Way, in accordance with

County laws for use in the provision of Services to Persons located inside or outside the County. During the term of this Agreement, the proposed location of the Facilities by XO or its designee shall be disclosed, in writing, to the County by XO at least fifteen (15) days prior to its construction, reconstruction, installation, location, removal, reattachment, reinstallation, or relocation. Such proposed locations shall be incorporated into this Agreement as Exhibit A.

3.3 The County hereby further authorizes and permits XO to construct, reconstruct, install, operate, maintain, locate, move, remove, reattach, reinstall, relocate, and replace its Facilities in or on street light poles, power poles, or other property owned by public utility companies or other property owners located within the Public Right-of-Way as may be permitted by the public utility company or property owner, as the case may be. To the extent required by Law, XO shall obtain permission from the individual utility or property owner prior to the time that XO undertakes any of the activities permitted by this Agreement. Upon request, XO shall provide documentation of said permission to the County. Prior to undertaking any construction activity, XO shall provide reasonable advance notice to affected property owners as required by Law.

3.4 Except as permitted by applicable Law or this Agreement, in the performance and exercise of its rights and obligations under this Agreement, XO shall not interfere in any manner with the existence and operation of any and all public and private rights-of-way, sanitary sewers, water mains, storm drains, gas mains, poles, aerial and underground electric and telephone wires, electroliers, cable television, and other telecommunications, utility, and County or municipal property without the express written approval of the owner or owners of each affected property.

3.5 XO shall comply with all applicable Law in the exercise and performance of its rights and obligations under this Agreement. XO hereby acknowledges that the rights granted by this Agreement are subject to the police powers of the County.

3.6 XO represents and agrees that the Facilities subject to this Agreement will be used exclusively for the rendering of Services and no other services, except to the extent that XO is required by State or Federal authorities, in the proper exercise of their jurisdiction over such matters, to make the Facilities available for use by third parties.

4. FEES AND TAXES.

4.1 XO acknowledges and agrees that the County may require Subscribers to pay a users' tax to the County. If XO provides Service to any Subscribers who are subject to a users' tax, XO agrees to collect the tax from any such Subscribers and remit such tax to the County in accordance with applicable County law.

4.2 The County is not presently seeking monetary compensation for XO's use and occupation of the Public Right-of-Way. The County reserves the right to charge XO, as compensation for this Agreement, an amount equal to five percent (5%) of XO's Gross Revenues or such other amount set by County law or resolution. If such a charge is imposed, XO will pay

⑤

the amount every six (6) months. XO acknowledges the County's authority to obtain compensation for the use and occupation of the Public Right-of-Way.

4.3 If the County charges XO monetary compensation, XO shall keep accurate books of account, and make such books of account available for inspection in the County for the purpose of determining the amounts due to the County under Section 4.2. The County shall have the right to inspect XO's books of account at any time during regular business hours on five (5) days' prior written notice and may audit the books from time to time at the County's sole expense, but in each case only to the extent necessary to confirm the accuracy of payments due under Section 4.1 or 4.2. No later than one hundred twenty days from the end of XO's fiscal year, XO must file with the County an annual statement of revenues, certified by XO's chief financial officer, relating to its operations and revenues within the County. The County agrees to keep confidential any non-public information it receives from XO in accordance with applicable law. The statement of revenues shall include a detailed breakdown of the Gross Revenues and uncollectible accounts for the fiscal year, and shall be prepared in accordance with Generally Accepted Accounting Principles.

4.4 XO shall reimburse the County within thirty (30) days of the receipt of a request, for all reasonable expenses relating to the preparation, issuance, implementation and administration of this Agreement, not to exceed Two Thousand Dollars (\$2,000) in the aggregate.

5. REMOVAL AND RELOCATION OF TELECOMMUNICATIONS SYSTEM.

5.1 XO understands and acknowledges that the County may require XO to relocate the Facilities. At the County's request, XO shall, within thirty (30) days after receipt of prior written notice in situations described in subsection (i) below, and immediately in situations described in subsections (ii) and (iii) below, relocate the Facilities, at XO's sole cost and expense, whenever the County reasonably determines that relocation is needed: (i) to facilitate or accommodate the construction, completion, repair, relocation, or maintenance of a County project, facility, or service; (ii) because the Facilities are interfering with or adversely affecting proper operation of the County light poles, traffic signals, or other County facilities, or (iii) to protect or preserve the public health, safety, or welfare including, without limitation, any emergency situation. XO must obtain all permits and approvals required by the County before relocating the Facilities. If XO fails to relocate the Facilities as requested by the County in accordance with this paragraph, the County shall be entitled to remove the Facilities at XO's sole cost and expense.

5.2 In the event that any part of the Facilities subject to this Agreement is abandoned by not being placed in service for a period of six (6) months or more, XO promptly shall notify the County, and XO must, at XO's sole cost and expense, promptly remove the abandoned part of the Facilities or dedicate the same to the County. The County shall not issue notice to XO that the County requires removal or dedication of any part of the Facilities, unless and until the County first issues all required County permits and approvals required of the County for such activity and gives fifteen (15) days' prior written notice to XO to remove the telecommunications

system. If XO shall fail to remove any part of the Facilities as required by the County under this paragraph, the County shall be entitled to remove any part of the Facilities at XO's sole cost and expense. XO shall execute such documents of title as will convey all right, title, and interest in the abandoned Facilities, but in no other property, intellectual or otherwise, to the County.

5.3 Whenever the construction, reconstruction, installation, location, removal, reattachment, reinstallation, or relocation of the Facilities is performed by XO under this Agreement, and such construction, reconstruction, installation, location, removal, reattachment, reinstallation, or relocation shall cause the Public Right-of-Way to be damaged, XO, at its sole cost and expense, promptly shall repair and return the Public Right-of-Way in which the Facilities are located to its previous condition. If XO does not repair the site as required, then the County shall have the option to perform or cause to be performed such reasonable and necessary work on behalf of XO and charge XO for the proposed costs to be incurred at the County's standard rate, if any, or the actual costs incurred by the County. Upon the receipt of a demand for payment by the County, XO shall reimburse the County for such costs.

6. CONSTRUCTION PERMIT AND SECURITY DEPOSIT.

6.1 In the event that the construction, reconstruction, installation, location, removal, reattachment, reinstallation, or relocation of the Facilities shall require any construction work in the Public Right-of-Way, XO shall apply for the appropriate street opening and other permits required by Law. XO shall perform such construction work as required by the permits and in accordance with all applicable Laws.

6.2 Within thirty (30) days of the completion of any construction, reconstruction, installation, location, removal, reattachment, reinstallation, or relocation work, XO promptly shall furnish to the County, in hard copy and electronic format or other format reasonably acceptable to the County, suitable documentation containing a full set of drawings showing, in detail, the exact location of the Facilities in the Public Right-of-Way.

6.3 XO shall deposit or file with the County a cash security deposit, a surety bond acceptable to the County Attorney, or letter of credit acceptable to the County Attorney within thirty (30) days of the Effective Date, in the amount of Fifty Thousand Dollars (\$50,000) as security for the faithful performance by XO of the provisions of this Agreement and the Laws. If XO fails to pay the County any taxes, fees, costs or expenses within ten (10) days of receipt of notice to pay from the County, or fails to comply with any provision of this Agreement or the Laws that can be remedied by an expenditure from the security fund, then the County may proceed to immediately withdraw the amount thereof or proceed against the surety bond or the letter of credit. Such action by the County is in addition to any other remedy provided to the County by this Agreement or the Laws. In the event that the Franchise is terminated or revoked for cause by the County, the security fund shall become the property of the County, unless there are no outstanding defaults or moneys owed to the County, in which case, XO may request that the County return the security deposit, the surety bond, or the letter of credit.

⑦

7. INDEMNIFICATION AND WAIVER.

7.1 XO agrees at its sole cost and expense to indemnify, protect, defend (with counsel acceptable to the County) and hold harmless the County, the county executive, county council members, officers, employees, and agents, from and against any and all claims, demands, losses, damages, liabilities, fines, charges, penalties, administrative and judicial proceedings and orders, judgments, remedial actions of any kind, and all costs and cleanup actions of any kind, all costs and expenses incurred in connection therewith, including, without limitation, reasonable attorney's fees and costs of defense (collectively, the "Losses") arising, directly or indirectly, in whole or in part, out of the activities or facilities of XO, its officers, employees, agents, consultants, attorneys, and contractors, described in this Agreement, except to the extent arising from or caused by the gross negligence or willful misconduct of the County, the county executive, county council members, officers, employees, agents, or contractors.

7.2 The waiver by either party of any breach or violation of any provision of this Agreement shall not be deemed to be a waiver or a continuing waiver of any subsequent breach or violation of the same or any other provision of this Agreement.

7.3 XO waives any and all claims, demands, causes of action, and rights it may assert against the County on account of any loss, damage, or injury to the Telecommunications System or any loss or degradation of the Services as a result of a sudden or gradual loss or change of electrical power caused by or arising from the installation, maintenance, replacement, or relocation of any County-owned facility in the Public Right-of-Way (except to the extent caused by or arising from the gross negligence or willful misconduct of the County), or an Act of God, an event or occurrence which is beyond the reasonable control of the County, a power outage, or a lightning strike. Nothing herein shall be construed to waive the County's governmental immunity.

8. INSURANCE.

8.1 XO shall obtain and maintain at all times during the term of this Agreement comprehensive general liability insurance and comprehensive automotive liability insurance protecting XO in an amount of not less than two million dollars (\$2,000,000) (including umbrella or excess coverage) per occurrence (combined single limit), including bodily injury and property damage, and not less than two million dollars (\$2,000,000) (including umbrella or excess coverage) aggregate, for each personal injury, products-completed operations, and each accident. Such insurance shall name the County, the county executive, its council members, officers, employees, agents, and contractors as additional insured for any liability arising out of XO's performance of work under this Agreement, or suitable additional- insured endorsement acceptable to the County. Coverage shall be provided in accordance with the limits specified and the provisions indicated herein. Claims-made policies are not acceptable. Such insurance shall not be canceled or materially altered to reduce coverage until the County has received at least thirty (30) days advance written notice of such cancellation or change. XO shall be responsible for notifying the County of such change or cancellation.

8.2 XO, within thirty (30) days of the Effective Date of this Agreement, shall file the required original certificate(s) of insurance with endorsements with the County, subject to the County's prior approval, which shall clearly state all of the following:

8.2.1 Policy number; name of insurance company; name, address, and telephone number of the agent or authorized representative; name, address, and telephone number of insured; project name and address; policy expiration date; and specific coverage amounts. Each policy of insurance required by this Agreement shall be issued by a responsible insurance company qualified and authorized to do business in the State of Maryland.

8.2.2 That thirty (30) days prior written notice to the County is required for any change or cancellation to the insurance policy.

8.2.3 XO's insurance is primary to any other valid or collectible insurance that the County may possess, including any self-insured retentions the County may have, and any other insurance the County does possess shall be considered excess insurance only and shall not be required to contribute with this insurance.

The certificate(s) of insurance with endorsements and notices shall be mailed to:

Chief Administrative Officer
Montgomery County, Maryland
Executive Office Building
101 Monroe Street

8.3 XO shall obtain and maintain at all times during the term of this Agreement statutory workers' compensation and employer's liability insurance in an amount not less than five hundred thousand dollars (\$500,000) or such other amounts required by Maryland law, and furnish the County with a certificate showing proof of such coverage.

8.4 Any deductibles or self-insured retentions must be stated on the certificate(s) of insurance, which shall be sent to and approved by the County prior to the execution of this Agreement.

10. TERMINATION AND DEFAULT.

10.1 This Agreement may be terminated by either party upon thirty (30) days' prior written notice to the other party upon a default of any material covenant or term hereof by the other party, which default is not cured within thirty (30) days of receipt of written notice of default (or, if such default is not curable within thirty (30) days, if the defaulting party fails to commence such cure within thirty (30) days or thereafter fails to diligently prosecute such cure to completion), provided that the grace period for any monetary default is ten (10) business days from receipt of notice.

XO shall give the County prior written notice of any proposed assignment or transfer for which the County's consent is required hereunder. The County Council shall give XO written approval or disapproval of any such proposed assignment or transfer within a reasonable time period not to exceed ninety (90) days after the Council receives XO's request therefor, and the County Council's failure to approve or disapprove any such request within such ninety (90) day period shall be deemed an approval. XO shall provide all information and documents reasonably requested by the County relating to the assignment or transfer.

11.2 XO understands that this Agreement does not provide XO with exclusive use of the Public Right-of-Way and that the County shall have the right to permit other providers of telecommunications systems to install equipment or devices in the Public Right-of-Way.

11.3 This Agreement contains the entire understanding between the parties with respect to the subject matter herein and supersedes all prior understandings and agreements, whether written or oral. There are no representations, agreements or understandings (whether oral or written) between or among the parties relating to the subject matter of this Agreement which are not fully expressed herein.

11.4 This Agreement may not be amended except pursuant to a written instrument signed by both parties.

11.5 If any one or more of the provisions of this Agreement shall be held by a court of competent jurisdiction in a final judicial action to be void, voidable, or unenforceable, such provision(s) shall be deemed severable from the remaining provisions of this Agreement and shall in no way affect the validity of the remaining portions of this Agreement.

11.6 XO shall be available to the staff employees of any County department having jurisdiction over XO activities 24 hours a day, 7 days a week, regarding problems or complaints resulting from the construction, reconstruction, installation, location, removal, reattachment,

11.7 This Agreement shall be governed by and construed in accordance with the laws of the State of Maryland, without reference to its conflicts of law principles. In the event that suit is brought by a party to this Agreement, the parties agree that trial of such action shall be vested exclusively in the state courts of Maryland, or in the United States District Court of Maryland, Southern Division.

11.8 All exhibits referred to in this Agreement and any addenda, attachments, and schedules which may, from time to time, be referred to in any duly executed amendment to this Agreement are by such reference incorporated in this Agreement and shall be deemed a part of this Agreement.

11.9 This Agreement is binding upon the successors and assigns of the parties hereto.

11.10 XO acknowledges that the County may develop rules, regulations, and specifications that apply to the construction, reconstruction, installation, location, removal, reattachment, reinstallation, or relocation of the Facilities in the Public Right-of-Way, and such rules, regulations, and specifications, when finalized, shall govern XO's activities hereunder as if they were in effect at the time this Agreement was executed.

11.11 XO agrees to comply with the non-discrimination in employment policies in County contracts as required by Section 11B-33 and Section 27-19 of the Montgomery County Code 1994, as amended, as well as all other applicable state and federal laws and regulations regarding employment discrimination. XO assures the County that, in accordance with applicable law, it does not, and agrees that it will not discriminate in any manner on the basis of age, color, creed, national origin, race, religious belief, sexual preference, or handicap.

11.12 XO represents that it has not retained anyone to solicit or secure this Agreement from Montgomery County, Maryland, upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, except for bona fide employees or a bona fide established commercial selling or leasing agency maintained by XO for the purpose of securing business or an attorney rendering a professional legal service consistent with applicable canons of ethics.

11.13 XO understands that, unless authorized under Section 11B-52 and Chapter 19A of the Montgomery County Code 1994, as amended, it is unlawful for any person transacting business with the County to employ a public employee for employment contemporaneous with his or her public employment.

11.14 It is expressly understood that the County shall not be construed or held to be a partner or associate of XO in the conduct of XO's business.

11.15 In any case where the approval or consent of one party hereto is required, requested or otherwise to be given under this Agreement, such party shall not unreasonably condition, delay or withhold its approval or consent.

11.16 Nothing in this agreement shall impair, diminish, supersede, or otherwise affect any authority or remedy that the County may have against XO or any other Person, such as another current or former franchisee. This franchise is granted to XO subject to any such authority or remedy, even if the exercise of that authority or remedy affects the System. XO agrees to cooperate with the County in any action to enforce County law or any franchise agreement against another Person.

COUNTY COUNCIL
FOR MONTGOMERY COUNTY MARYLAND

By: Council President at the Request of the County Executive

Subject: Grant of franchise to XO Communications Services, Inc. to use the public right-of-way.

Background

1. Sections 49-20 and 49-21 of the County Code provide that the County Council may grant a franchise for use of the public right-of-way after:
 - a) the franchise applicant publishes notice of the application once a week for three consecutive weeks in a newspaper of general circulation in the County;
 - b) the County Executive investigates the value of the franchise and the adequacy of the proposed compensation the applicant will pay to the County;
 - c) the Executive holds a hearing on the application if any taxpayer or affected property owner objects to the franchise within 10 days after the last notice of the application is published;
 - d) the Executive makes a written recommendation to the Council about the franchise, including findings about the value of the franchise, any response to objections that have been raised, and any other relevant issues; and
 - e) the Council decides that the franchise is expedient and proper.
2. Between October 30 and November 13, 2008, XO Communications Services, Inc. published notice of its application for a franchise to use the public right-of-way to construct a fiber optic telecommunications network. The Executive received no objection to the franchise by the December 1, 2008 deadline and was therefore not required to conduct a hearing on the franchise application.
3. On January 8, 2009, the Council received the Executive's recommendation to grant a franchise to XO Communications Services, Inc. and a proposed franchise agreement.
4. On {Date}, the Council held a public hearing on the proposed franchise. {Testimony received}.

5. On {Date}, the Council's Management and Fiscal Policy Committee considered the franchise application and recommended *{that the Council grant the franchise as recommended by the Executive or with certain changes to the proposed franchise agreement}*.

Action

The County Council for Montgomery County Maryland approves the following resolution:

The County Council finds that granting a franchise to XO Communications Services, Inc. for use of the public right-of-way for a fiber optic telecommunications network *{is/is not}* expedient and proper. The Council *{grants/denies/modifies}* the franchise under the terms of the attached franchise agreement.

This is a correct copy of Council action.

Linda M. Lauer, Clerk of the Council
