April 30, 2021
Worksession

M E M O R A N D U M

April 27, 2021

TO: Transportation and Environment Committee

FROM: Carlos Camacho, Legislative Analyst
Glenn Orlin, Senior Analyst

SUBJECT: **Resolution to approve FY22 transportation fees, charges, and fares**

PURPOSE: Develop Committee recommendations for Council consideration

According to Section 2-57A of the Montgomery County Code, all fees, charges, and fares for any transportation or transportation-related service or product provided by the Department of Transportation must be set by Council resolution adopted after a public hearing and approved by the Executive, unless any law expressly requires a different process. If the Executive disapproves a resolution within 10 days after it is adopted and the Council readopts it by a vote of six Councilmembers, or if the Executive does not act within 10 days after the Council adopts it, the resolution takes effect. The fees, charges, and fares currently in effect are those in Council Resolution 19-441 adopted on May 5, 2020 and approved by the Executive on May 13, 2020.

On March 15 the County Executive recommended several revisions to parking fees and hours and a couple of minor adjustments to Ride On fares. His transmittal memorandum is on ©1-2, and a draft resolution reflecting his March 15 recommendations is on ©3-10. A public hearing was held on his proposals on April 13, 2021.

Since then there have been changes to transit fares proposed by the Executive and by Councilmembers Glass and Riemer. **Because of the significant fiscal impact of these changes on the budgets of the Parking Lot District Funds and the Mass Transit Funds, they are described and evaluated separately in the staff reports for today's Item #2 and Item #4, respectively.** The Committee's recommendations will be reflected in the staff report to the full Council in early May.
