APPENDIX XVIII - INTERNAL SALARY EQUITY REVIEW PROGRAM

A. The Office of Human Resources will ensure internal salary equity within the job classification in setting salaries for new hires and promotional employees by reviewing average salaries and time in-grade for incumbents in the job classification.

B. If a new hire is offered a salary that exceeds the average salary and time-in-grade, applicable incumbents in the department will be granted a within-grade pay increase equal to the salary of the new employee. Salary on promotions and within-grade increases will be determined in accordance with these criteria. These equity adjustments will be made upon hire of the new employee, promotion, or within-grade advancement.

C. The internal salary equity process will address long-standing inequities among incumbents by benchmarking average salaries and time-in-grade, using a phased approach by Department and employee group, prioritized as follows:

i. By September 30, December 30, 2023: • Social Workers, Therapists (DHHS) • Truck Warehouse Driver (ABS & DOT) • Recreation Coordinator, Recreation Specialists (REC)

ii. July 1, 2024:

- TBD
- TBD

iii. By December 31, 2025

- TBD
- TBD

D. To resolve any outstanding issues of retroactivity for Truck Warehouse Driver (ABS & DOT) and Recreation Coordinator and Recreation Specialists, the parties shall negotiate a lump sum payment upon completion and review of the findings of the internal equity review. Should the parties not reach agreement by January 31, 2024, the matter shall be subject to the impasse resolution procedures contained in the County collective bargaining law

[A. The parties agree to establish a Wage Equity Workgroup consisting of three (3) employer representatives and three (3) Union representatives. The Workgroup will meet from July 1, 2017 to June 30, 2018 and report to the Parties.

The Wage Equity Workgroup will advise on how to standardize the way in which relevant experience, education, training, and skills relevant to the job are evaluated by reviewing selected job classifications.

B. When a newly hired employee, hired between July 1, 2017 and June 30, 2019, (who can enter the bargaining unit after completing their probationary period) is granted a salary above the minimum of the pay grade, the Office of Human Resources agrees to conduct a salary review to compare the salaries of similarly situated incumbents with the salary of the new employee. The Office of Human Resources will give the Union written notification whenever a salary review is prompted by a hire above the minimum of the salary range of the pay grade.

It may be determined that new hires' salaries (this assumes that an offer was made and accepted by the applicant) will affect incumbent employees (who are more skilled than new hires in terms of the relevant criteria) in the appropriate area of consideration (i.e. Department, Division, or Team).

The parties agree that the proper application of pay policies and practices in connection with the implementation of personnel actions is not sufficient to trigger a pay increase for individual employees. These applications include changes in base salary associated with: grants of merit system status, promotions, performance awards, demotion, reclassification, reallocation, transfer, periods of leave without pay resulting in service increment delays, or performance-based actions including service increment delays.

In such situations, if an incumbent's relevant experience, education, training, and skills relevant to the job are greater than those of the new employee, the incumbent will be granted a within-grade pay increase to a point \$500 above the salary of the new employee.

If an incumbent's relevant experience, education, training, and skills relevant to the job are equivalent to those of the new employee, the incumbent's salary must be adjusted so that it is equal to the new employee's salary.

Any changes that are required to be made to an incumbent employee's salary under this section will be effective the date on which the newly hired employee completes their probationary period and enters the bargaining unit, and the pay increase will be retroactive to the date the new employee was hired.

If, after a salary review described in this Appendix is completed, the Union believes that an individual bargaining unit employee is adversely affected by a pay inequity, the Union may file a "pay inequity" grievance under Article 10 of this Agreement and, if necessary, invoke arbitration under Article 11.

The effective date of this Appendix is July 1, 2017 through June 30, 2019. The parties can agree to make revisions to this Appendix during the Work Group's evaluation period.]

APPENDIX XX - DEPARTMENT OF GENERAL SERVICES

(f)

* * *

(7) The Office of Human Resources (OHR) has determined that the Mechanic I job classification no longer requires a Commercial Driver's License (CDL) as a minimum qualification. OHR will take the appropriate steps to update this job classification to remove the CDL requirement as a minimum qualification.

If an employee encumbering a DGS job classification requiring a CDL becomes unable to qualify for a CDL due to a certified medical condition, Appendix VIII (Reasonable Accommodation) will govern the evaluation, accommodation, and disposition thereof.

The Montgomery County Government (“County”) and the United Food and Commercial Workers, Local 1994, Municipal and County Government Employees Organization AFL-CIO, Office, Professional, and Technical and Service, Labor, and Trades Bargaining Units (“MCGEO”) agree as follows regarding the procedure to ensure timely and efficient completion of CDL and other medical examinations:

1. The Parties will, by September 1, 2023, establish a working group with defined membership, tasks, schedule and results:
 - a. Responsibility to establish the group and monitor compliance with the terms of this framework agreement is joint and several;
 - b. Goal of group and process is to negotiate and provide memorandum of agreement covering labor relations aspects of CDL and other County-required employee medical examinations;

 - d. Each Team Head appoints subject matter specialists of its choosing (keeping it small);

- e. Working with their respective group members, Team Leaders agree on scope, task, schedule and product, reduce to writing and instruct group;
- f. Team Heads take action to ensure that Departments, managers and employees provide full cooperation with the group. Requests for cooperation to be in writing and confirmed;

- i. Team Leaders retain mediator and coordinate schedule to ensure the mediator's attendance;
- j. Group meets and conducts inventory of components: (this should not take long, but need agreement), take notes of each meeting and sign off as go, and disagreements must be brought back to Team Leaders at once;
- k. Inventory needs to include:
 - (i) How many examinations need to be done over course of day/week/month/year?
 - (ii) How much time/resources/costs does each such procedure take?
 - (iii) What facilities and resources are presently available? Locations, hours, number, schedules of certified physicians, administrative support.
 - (iv) What are the numbers of examinations needed, now and projected? If projected, quantify and confirm timeline.

 - q. Employees have a duty to cooperate in the scheduling of CDL and other required examinations;

The Employer shall prepare, and OMS and/or the employee's department will provide the employee with a list of such providers.
2. The group shall reduce the terms adopted to writing and provide the proposed MOA to their respective Team Leaders for review and execution.
 3. If the MOA is not executed by the Parties within thirty (30) days, it may be submitted by either Party to expedited arbitration. The Parties will be bound by the result.
 4. When executed by the Parties or awarded by an arbitrator, it becomes binding on them for the duration of the collective bargaining agreement or such other period as the Parties agree.

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

Lead Sponsor: Government Operations and Fiscal Policy Committee

SUBJECT: Collective Bargaining Agreement with the Montgomery County Career Fire Fighters Association of the International Association of Fire Fighters (IAFF), Local 1664 – Fiscal Year 2023

Background

1. Section 510A of the County Charter authorizes the County Council to provide by law for collective bargaining with binding arbitration with authorized representatives of County career fire fighters.
2. Chapter 33, Article X of the County Code implements Section 510A of the Charter and provides for collective bargaining by the County Executive with the certified representatives of the County's fire fighters and for review of the resulting contract by the Council.
3. On April 3, 2023, the County Executive submitted to the Council amendments to a collective bargaining agreement (the “Agreement”) between the County government and the Montgomery County Career Firefighters, International Association of Fire Fighters, Local 1664, AFL-CIO (“IAFF”) for the term of July 1, 2022 through June 30, 2024.
4. The Executive has submitted to the Council the terms and conditions of the Agreement that, for FY2024, will have fiscal impacts, require an appropriation of funds, or require changes in County law or regulation.
5. The County Council has considered these terms and conditions. The Council is required by law to indicate, on or before May 1, 2023, its intention regarding the appropriation of funds or any legislation or regulations required to implement the agreement. The Council may extend the May 1 deadline.

Action

The County Council for Montgomery County, Maryland, approves the following resolution:

- A. For FY2024, the County Council intends to **approve/reject** the following provisions of the Agreements, which require the appropriation of funds or have a fiscal impact for FY2024.
1. *Salary Schedule Adjustments.* The Agreement would make adjustments to the salary schedule resulting in an increase of \$3,412,656 in FY2024 expenditures. Letters A and B of the salary schedule would be removed, and the remaining positions would be re-lettered.
 2. *General wage adjustment.* The Agreement would require a 3.2% general wage adjustment beginning in July 2023. The expected fiscal impact for FY2024 over FY2023 is \$3,622,465.
 3. *Longevity increments.* The Agreement would require a 3.5% longevity step increase for eligible employees. The fiscal impact for FY2024 over FY2023 is estimated at \$114,564.
 4. *Retiree Vision Benefits.* Effective January 1, 2024, the Agreement would provide eligible retirees with a fully insured vision benefit. The expected FY2024 increase in expenditures is \$36,228.
 5. *Service Increments.* The Agreement would provide for a 3.5% service increment for eligible bargaining unit members on their anniversary dates. The anticipated fiscal impact for FY2024 over FY2023 is \$874,175.
 6. *Service increments for FY2013.* The Agreement would require a 3.5% service increment for all eligible bargaining unit members who would have been eligible to receive a service increment in FY13. This service increment is expected to result in an increase of \$326,617 in FY2024 expenditures over FY2023 expenditures.
- B. Contingent upon the enactment of Expedited Council Bill 21-23, the Council intends to **approve/reject** alterations to pension benefits under Article 51 of the Agreement, including:
1. amending the cost-of-living adjustment (“COLA”) for Group G members; and
 2. increasing the pension formula for Group G members.

The estimated fiscal impact of the COLA amendments would be an increase in expenditures of \$1,210,091 in FY2024. The estimated fiscal impact for the increased pension formula would be an increase in expenditures of \$1,995,524 in FY2024.

- C. For FY2024, the County Council intends to approve any provision of the Agreements:
 - 1. that the Council approved for a prior fiscal year; and
 - 2. for which the Executive has not identified an increased fiscal impact for FY2024 over FY2023.

This is a correct copy of Council action.

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

Lead Sponsor: Government Operations and Fiscal Policy Committee

SUBJECT: Collective Bargaining Agreement with Fraternal Order of Police – Fiscal Year 2024

Background

1. Section 510 of the County Charter requires the County Council to provide by law for collective bargaining with binding arbitration with an authorized representative of the County police officers.
2. Chapter 33, Article V of the County Code implements Section 510 of the Charter and provides for collective bargaining with representatives of certain police officers and for review of the resulting agreement by the County Council.
3. On April 3, 2023, the County Executive submitted to the Council the collective bargaining agreement (the “Agreement”) between the County government and the Fraternal Order of Police, Montgomery County Lodge 35, Inc. (“FOP”), for the term July 1, 2023 through June 30, 2025.
4. The County Executive outlined the terms and conditions of the Agreement that require or may require an appropriation of funds or changes in any County law or regulation in FY24.
5. The County Council is required by law to indicate on or before May 1, 2023 its intention regarding the appropriation of funds or any legislation or regulations required to implement the Agreement or to extend the time to do so.

Action

The County Council for Montgomery County, Maryland approves the following resolution:

- A. For FY2024, the County Council intends to **approve/reject** the following provisions of the Agreement, for which the Executive has identified fiscal impacts in FY2024:
1. *Administrative Leave - Bereavement.* The Agreement increases from 3 workdays to 40 hours the amount of administrative leave an eligible employee would receive in the event of the death of an immediate family member. The anticipated fiscal impact of this provision for FY2024 is indeterminate.
 2. *Administrative Leave – Pending Investigation or Removal.* The Agreement would entitle an eligible employee to administrative leave when the employee is relieved of police powers pending an investigation or removal. Under the prior collective bargaining agreement, the employee would receive administrative leave only if the employee was relieved of police powers in excess of 90 days pending investigation or removal. The fiscal impact of this provision is indeterminate.
 3. *Temporary Duty Pay.* The Agreement would provide that an individual temporarily assigned to a higher classified job for more than one week is entitled to higher pay. This is a change from the current agreement, which provides that the individual would need to work at the higher classification for more than two weeks to qualify for the higher pay. The fiscal impact of this change is indeterminate.
 4. *Uniforms.* The Agreement would require the issuance of polo shirts, long sleeve uniform shirts, and high-visibility jackets to eligible employees. The anticipated fiscal impact for FY2024 is \$675,151.
 5. *Personal Patrol Vehicles.* The Agreement would expand the use of personal patrol vehicles (“PPVs”) to within 10 miles of the County’s border. The prior collective bargaining agreement provided for the use of PPVs to within 5 miles of the County’s border. The anticipated fiscal impact of this provision for FY2024 is \$944,362.
 6. *Centralized Traffic Vehicles.* The Agreement would require the issuance of certain “ghost graphic” centralized traffic vehicles. The FY2024 fiscal impact of these vehicles would be \$116,800.
 7. *General Wage Adjustments.* The Agreement would require a 4% general wage adjustment (“GWA”) in July 2023; a 3% GWA in January 2024; and a 3.5% GWA in July 2024. The anticipated FY2024 fiscal impact of these wage adjustments is \$6,696,703.

8. *Lump Sum Payments.* Under the Agreement, each eligible employee would receive a lump sum payment of \$1,500 for the first full pay period following January 1, 2024. The anticipated fiscal impact for FY2024 is \$1,634,874.
9. *Signing Bonuses.* The Agreement also would allow for \$20,000 signing bonuses for certain new recruits and lateral candidates. The anticipated fiscal impact of the signing bonuses for FY2024 is \$408,000.
10. *Shift Differentials.* The Agreement would increase from \$1.42 to \$2.00 the shift differential that applies to work shifts starting on or after 12:00 p.m. and before 7:59 p.m.; and would increase from \$1.87 to \$4.25 the shift differential that applies to work shifts starting on or after 8:00 p.m. and before 5:59 a.m. The anticipated fiscal impact of the increases to shift differentials is \$1,309,791 in FY2024.
11. *Multilingual Pay.* The Agreement would require multilingual pay at \$1.00 per hour for recertified multilingual employees. The FY2024 fiscal impact of the multilingual pay would be \$205,633.
12. *Service Increments.* The Agreement requires 3.5% service increments for eligible members. The anticipated FY2024 fiscal impact of the increments is \$953,829.
13. *Longevity adjustments.* The Agreement requires a 3.5% longevity step increase for eligible members. The anticipated fiscal impact of these adjustments for FY2024 is \$85,046.

B. Contingent upon the enactment of Council Bill 19-23, the Council intends to **approve/reject** alterations to retirement eligibility and benefits for Group F under Article 57, Section Y of the Agreement, including:

1. making any Group F member who has reached normal retirement age to participate in the DRSP/DROP; and
2. effective January 1, 2025, increasing the multiplier to 2.6 of average final earnings up to 25 years and to 2.4 of average final earnings from 25 years to 34 years.

The anticipated fiscal impact of these alterations for FY2024 is \$1,220,578.

C. For FY2024, the County Council intends to **approve** any provision of the Agreement:

1. that the Council approved for a prior fiscal year; and
2. for which the Executive has not identified an increased fiscal impact for FY2024 over FY2023.

This is a correct copy of Council action.
