REVISED HHS ITEM #1 May 4, 2023 Worksession

#### MEMORANDUM

May 2, 2023

TO: Health and Human Services Committee

**Education & Culture Committee** 

FROM: Vivian Yao, Legislative Analyst

SUBJECT: FY24 Operating Budget Amendment: Youth Harm Reduction Budget

Amendment

PURPOSE: Review and make recommendations on FY24 Operating Budget Amendment

#### Those expected to participate in the worksession include:

- Earl Stoddard, Assistant Chief Administrative Officer
- Sonia Mora, Assistant Chief Administrative Officer
- Chief Marcus Jones, Montgomery County Police Department (MCPD)
- Dira Treadvance, Chief, Children, Youth and Family Services (CYF), DHHS
- Luis Cardona, Administrator, Positive Youth Development, DHHS
- Mark Hodge, Senior Administrator, School Health Services, DHHS
- Deborah Lambert, Fiscal and Policy Analyst, Office of Management and Budget

#### **Background**

On November 15, 2022, the Council approved Special Appropriation #23-19 to the Department of Health and Human Services (DHHS) FY23 Operating Budget which provided \$853,699 for the Youth Harm Reduction Initiative. The Council responded to concerns about youth violence incidents in the community and the increase in community-based youth violence, much of which involved the use of firearms. The Initiative sought to scale up violence prevention programming in partnership with community-based organizations to support vulnerable youth and mitigate potential harm. The funding was to support employment opportunities for youth, mentorship, peer-to-peer community engagement, positive youth development and skills building, and mental health awareness.

#### Recommended Amendment

On April 25, the County Executive transmitted amendments to his recommended FY24 Operating Budget (©1-4), which included additional funding of \$853,699 to continue programming through the Youth Harm Reduction Initiative. The Executive has indicated that Montgomery County has recently seen an increase in gun violence and aggravated assaults, youth victimization and the number of youths under seventeen in possession of weapons. (See Crime statistics below.) Funding for the Initiative was inadvertently left out of the FY24 Recommended Operating Budget and is being proposed as one-time funding supported through General Fund: Undesignated Reserves.

The proposed funding is intended to support the same portfolio of work to be launched in FY23 to ensure continuity of services and interventions. These services include the following activities to increase youth engagement, divert youth from engaging in violent activities, and empower adolescents and families in Montgomery County, with a particular focus on the most at-risk populations residing in the Germantown, Montgomery Village, and Gaithersburg communities (see also ©2):

- Consulting Services (County Prevention/Response Strategy) \$180,000: Consultant will assist in mobilizing key community stakeholders to map out a cohesive County response to violence prevention and mitigation. Council staff understands that this work has not commenced and that the contract is working its way through the procurement process. The work might begin in the last few months of FY23, but because the bulk of the work will be performed in FY24, Executive staff indicated that these additional funds will be needed in FY24. Before the Joint Committee recommends approval of this funding, it should seek clarification from Executive staff when the contract will be finalized and FY23 funding will be encumbered and whether unspent FY23 funding will revert to the General Fund.
- 480 Club Sports Ambassadors Program \$160,425: Mentorship and peer engagement targeting Upcounty high-risk middle students and high school athletes whose school sports participation was revoked due to disciplinary action. Services expected to reach 25 student ambassadors with four youth mentorees each. The initiative has not yet launched. The Purchase Order (PO) was approved in March, and the organization is hiring to support the additional services.
- The BUILD Program \$50,000: Provide capacity building and community strengthening training to a minimum of 50 community providers to strengthen skills in implementing programs intended to decrease community violence. Funding will also support the training of 40 youth and community residents to strengthen skills in addressing violence. The PO was approved at the end of January and the organization has been establishing classes.
- Florence Crittenton Services of Greater Washington, Inc. \$400,000: Funding will support service to 325-360 teen girls in six middle schools with high poverty rates, majority BIPOC student population, and significant academic challenges: Mario Loiederman, Gaithersburg, Montgomery Village, Neelsville, Odessa Shannon, and White

Oak Middle Schools.

- Identity, Inc. Community Sports Events \$38,308: Sports-themed youth and community engagement in Germantown, Montgomery Village and Gaithersburg. The initiative has not launched yet. The PO was approved at the end of February, and DHHS expects April invoice at the beginning of May.
- Identity, Inc. Youth Outreach Groups \$17,053: Creation of youth outreach groups with 10 diverse adolescents focused on peer engagement and resource sharing in Germantown, Montgomery Village and Gaithersburg. The initiative has not launched yet. The PO was approved at the end of February, and DHHS expects April invoice at the beginning of May.
- Identity, Inc. Community Mental Health Groups \$7,912: Mental health awareness and well-being services for adolescents from targeted communities. Participants will provide stipends for participation and completion of the series. The initiative has not launched yet. Council staff understands that services are targeted for Summer 2023.

The Joint Committee may want to discuss what mechanisms could be put in place to allow Government to move quickly to stand up new community-based programs in an emergency. Council staff understands the importance adhering to appropriate procurement policies and procedures, but can the County implement strategies that allow more timely response to urgent community needs?

Executive notes that "that while the Youth Harm initiative funded the expansion and launch of new programming for adolescents, there is a vast amount of efforts taking place throughout the County to address youth harm." Additional services that supported the Youth Harm Reduction Initiative in FY22 by County department, agencies, and community organizations, including DHHS, MCPD, Montgomery County State's Attorney's Office of Community Use of Public Facilities, Montgomery County Public Schools, Montgomery County Collaboration Council for Children, Youth and Families, and Identity, Inc. are described at ©7-24.

#### **Update on Violent Crime Involving Youth**

Data on violent crime involving youth in 2022 and the 1<sup>st</sup> Quarter of 2023 is attached at ©25-27. Council staff makes the following observations regarding the data:

- While youth ages 17 and under have not been the victim or suspect of a homicide involving a firearm since the 2<sup>nd</sup> Quarter of 2022, they have been involved as victims and suspects of contact shootings in 1<sup>st</sup> Quarter of 2023.
- Victims ages 17 and under accounted for 13% of contact shooting victims in 2022,
- For the 18-21 age group, there were 8 victims and 12 suspects of homicide involving a firearm during the reporting period, with incidences in every quarter.
- There were more juvenile suspects arrestees ages 17 and under for all categories of violent crime involving firearms than the 18-21 year old category.

- Juvenile suspects/arrestees ages 17 and under were responsible for 31 carjackings involving firearms in 2022, more than any other age group.
- There were no homicides using firearms in the 3<sup>rd</sup> Quarter of 2022.

Council staff recommend adding funding to support the Youth Harm Reduction Initiative in FY24 to the reconciliation list as a high priority. However, the Joint Committee should seek clarification about the amount for consulting services to be encumbered or expended in FY23 and reduce the proposed appropriation by that amount, unless there is a compelling reason to increase the amount allocated for strategic planning.

#### OFFICE OF THE COUNTY EXECUTIVE

Marc Elrich
County Executive

#### **MEMORANDUM**

April 25, 2023

TO: Evan Glass, President

Montgomery County Council

FROM: Marc Elrich, County Executive Man Security

SUBJECT: Amendments to the Recommended FY24 Operating Budget

Since I submitted my FY24 Recommended Operating Budget on March 15, there have been a number of developments that necessitate sending over amendments to the recommended budget. These amendments center around the creating the new Friendship Heights Urban District, funding for the Youth Harm Initiative, and funding an increase to election judge stipends mandated by HB1200. The amendments are described in detail below (including the source of funds), and the attached report contains the necessary information for the Council analysts to account for them. The amendments submitted are consistent with the County's policy to maintain 10 percent of adjusted governmental revenues in reserve.

#### CHANGES IN RESOURCES / EXPENDITURES

#### Friendship Heights Urban District

In accordance with Bill 13-23 enacted by Council on April 11, 2023, this amendment would provide funds to establish the Friendship Heights Urban District (FHUD). The Friendship Heights Urban District will be fully funded by a commercial district charge within the Urban District of \$120 per residential rental unit (excluding MPDUs) or hotel room and \$0.165 per square foot of the rentable commercial property. There are 230 hotel rooms, 1,079 residential units (excluding MPDUs), 649,627 square feet of retail space, and 2,140,906 square feet of office space within the Urban District. This will generate annual revenue of \$617,518, which will be fully expended to support the Friendship Heights Alliance. All the expenditures for FHUD

Amendments to the Recommended FY24 Operating Budget April 25, 2023 Page 2 of 3

will be for operating expenses for the contract with Friendship Heights Alliance. The contract management will be absorbed by existing County staff that currently manages the Bethesda Urban District.

#### **CHANGES IN EXPENDITURES**

#### **Department of Health and Human Services**

Recently, Montgomery County has seen an increase in gun violence and aggravated assaults. Simultaneously, the County has experienced an increase in youth victimization and the number of youths under seventeen in possession of weapons. Strategic engagement, prevention, and awareness is needed to progress the County toward consistent violence prevention. In FY23, the Youth Harm Initiative was created by a special appropriation (Resolution 19-1451) to launch and expand a series of offerings to bolster youth engagement and programming to divert youth from engaging in violent activities. The initiative included funding for employment opportunities for youth, mentorship, peer-to-peer community engagement, positive youth development and skills building, and mental health awareness. Funding for this program was inadvertently left out of the FY24 Recommended Operating Budget. This amendment for \$853,699 will continue funding this initiative and its portfolio of programming to continue to promote and empower adolescents and families in Montgomery County, with a particular focus on most at-risk populations residing in the Germantown, Montgomery Village, and Gaithersburg communities. Funding for this initiative will come from General Fund: Undesignated Reserves.

#### **Board of Elections**

During the 2023 legislative session, the General Assembly passed, and the Governor signed HB1200, which established a floor for election judge stipends of \$250 per day for the first-time serving election judges (an increase of \$70 per day), an additional \$100 per day for those who have served previously (an increase of \$170 per day), and \$50 for training (an increase of \$20 per election judge). The State Board of Elections is required to reimburse each local Board of Elections \$50 of the extra compensation provided to returning election judges. The Board of Elections estimates that it will need 4,111 election judges with 7,083 service days to conduct the 2024 Primary Election, including the assumption that the State reimburses the County for the \$50 of the cost associated with returning election judges and implementing HB1200 results in a cost increase of \$831,580 in FY24. Funding for this initiative will come from General Fund: Undesignated Reserves.

Expenditures for the new Friendship Heights Urban District are completely offset by revenues. Thus, the net impact of the above actions totals \$1,685,279. My FY24 Recommended Operating Budget estimates that the County will end FY24 with reserves totaling \$715.4 million, which represents 11.4 percent of Adjusted Governmental Revenues (AGR), or approximately \$86 million more than required to meet the County's fund balance policy of maintaining a reserve level of 10

Amendments to the Recommended FY24 Operating Budget April 25, 2023 Page 3 of 3

percent of AGR. The effect of these actions would be to decrease the amount of excess reserves to approximately \$84.3 million.

The Departments and Office of Management and Budget staff are available to answer any questions you may have about these amendments as we work together to finalize the FY24 Operating Budget.

DHHS	Summer of Peace	Series of Community based events in targeted communities, intended to enhance opportunities for residents to access County resources that help improve Community safety.	Communities impacted by high rates of crime and violence	Germantown, Montgomery Village, Wheaton, and White Oak	Engagement/ prevention	Over 1172 families served	More targeted focus on communities impacted by gun violence	
DHHS	90 day Moratorium and on going Cool Down Meetings	Total of 6 weekly meetings with County agencies, community providers, and community leaders to maintain and strengthen flow of communication to reduce further acts of violence.	UpCounty Community Providers, Community leaders, and County agencies.	UpCounty area	Engagement/ prevention	Only 1 youth shooting in Montgomery Village since Moratorium started	Targeted focus on Germantown and Montgomery Village	
DHHS	Community Safety Roundtables	Series of meetings with community residents to help inform County's response to increased gun violence	Residents from UpCounty area	UpCounty area	Engagement/ prevention	Held on Wednesday, September 28th at Germantown Park- over 50 residents attended as well as representatives from HHS PYD, MCRD, and MCPL. Residents provided valuable insight on what the County can do to help address youth violence. Next Meeting will be held on Wednesday, November 16th at Gaithersburg Library at 6 PM.	N/A	
DHHS	Peace Walk for Mothers of slain children	Community mobilizing event to increase community leadership to address violence as well as provide a Healing Space for UpCounty Community to process so much tragic death	Residents from UpCounty area as well as multiple County agencies, Nonprofits, and Faith Community	UpCounty area	Engagement/Preventi on/Intervention	over 300 Families attended event	N/A	https://www.dropbo x.com/s/5vcr4gum47 8av9c/Guns_Down_G ermantown_final_kc m.mp4?dl=0
DHHS	Youth Crisis Response: Collaboration between Street Outreach Network (SON) of Children, Youth and Families (CYF) service area and Behavioral Health and Crisis Services (BHCS) service area	Goals are to: (1) Provide trauma response through BHCS staff at Vicitms of Abuse and Sexual Assault Program (NASAP) for youth in emergency rooms who have been identified by SON staff; (2) provide a behavioral health "critical incident" response through the BHCS mobile crisis and outreach teams (MCOTs) in the aftermath of a traumatic or violent event involving youth with whom SON staff have engaged; (3) provide a BHCS harm reduction educational experience or therapeutic session for youth groups convened by the SON staff; (4) provide an MCOT civilian response in situations when SON staff become aware that a behavioral health crisis is underway among youth with whom SON staff interact.	Primarily youth of color who are at risk of getting involved in traumatic and crisis situations.	Across the entire county, but especially in areas where SON staff are most active	Engagement	The following are output measures under development for this relatively new collaboration: (1) Annual number of youth that VASAP staff responded to at an emergency room when called by SON staff. (2) Annual number of "critical incidents" to which both an MCOT and SON staff responded to jointly. (3) Annual number of sessions in which BHCS staff provided a harm reduction educational experience or a therapeutic session for youth groups organized by SON staff. (4) Annual number of MCOT crisis interventions requested by SON staff and co-responding with SON staff.	Draft protocols for how SON collaborates with BHCS staff with youth at risk of trauma and violence are available upon request.	N/A
DHHS	SON Peer to Peer Youth Mentoring Program	MCPS High School Football Players mentor MCPS Middle school youth.	High School and Middle School Youth throughout the County	County wide	Engagement/Preventi on and Intervention	80 youth served	N/A	This Pilot is a partnership with the SON and MCPS High School Football Coaches

Identity	YOC Soccer Program	The soccer program was developed in order to help clients, with an interest in soccer, to obtain official coaching or refereeing licenses to build a career pathway. These certifications enabled clients to work on weekend or afternoon soccer programs and having the flexibility with school or work. Throughout this time, workforce development components were mixed in with the program to ensure that client would become equipped with the necessary tools to seek employment. This program wanted to teach the principles of resume/cover letter writing, job seeking techniques, mock interviews and soft skills. This program also wanted to enable the clients to realize their full potential in becoming leaders and becoming empowered by preparing them for the workforce.	between 18 to 25 years old	·	Capacity Building Activity	# Served: 21  The soccer program had a very good outcome. Participants were able to complete online courses and workforce internship hours, they took one of the in person classes, and after completing the second in As they continue to work this out with US Soccer learning center this has not stopped clients from using their experience to teach others. They have used their resumes to show off their learned skills and partaken in employment opportunities. When interviewed, they used their training to prepare and showcase themselves, they are using their online training as a way to work on weekends or after-school soccer programs.	This was not an existing program, we created it as a new WFD program for our clients	There were two successful cohorts last year, and we are planning to have two more this year
Identity	Newcomer Summer Camp	To provide PYD programming, recreation, arts & crafts, and field trips to recently arrived youth from AZ and TX, living in hotels.	5-14 year olds	Newcomers living in hotels in Rockville/Gaithersburg	Engagement		This was not an existing program, but we expanded services through our Montgomery County After School Program (MCAS) to provide this opportunity to youth at the end of the summer.	This is a wonderful program to provide recent arrivals as they become acclimated to their new home country, culture, and language. It would be best if the program could be a four week program to allow youth to really bond and experience growth. In addition, it is important that younger siblings stay with older siblings as many youth have experienced trauma on their journeys here and it helps to alleviate anxiety to keep siblings together but seaffolding activities by age and maturity levels. The very young children need
Identity	Wellness Center Adventure Nights	This summer all Wellness Centers have collaborated to host enriching and adventurous night activities from 5:00 - 8:30 pm. These evening events in the community allowed students to engage in positive activities in recreational spaces in their community, and meet students from other schools where Identity manages the Wellness Centers. The purpose of these events is to prevent risky behaviors during high risk times.	backgrounds who	July 11 - Appleridge Ballfield, Montgomery Village; July 28 - Gaithersburg Middle School fields	Prevention	# Served: 187  The event on July 11 at the Appleridge Ballfield in Montgomery Village included a kickball tournament and other games to engage with youth. Food, and ice cream were served and close to 70 youth particiapted. The second event took place on July 28 <sup>th</sup> at Gaithersburg Middle School. This evening included friendly competitions and obstacle courses, a foam party, food, drinks, and ice cream. At this event, 117 youth from all four Wellness Centers participated.	We expanded our therapeutic recreation programs to include more evening hour activities.	We focused on providing recreational activities in the Upcounty and collaborated with school and community partners such as the Montgomery Village Foundation and Gaithersburg Middle School to hold the events in recreational spaces in the community.

Identity	National Night Out	To provide engaging activities in the community during high risk times. To connect Wellness Center program participants to resources in their own community.	Gaithersburg, Wheaton and Seneca Valley High School Wellness Center Program participants.	August 2: Cinnamon Run Apartments, Silver Spring; Hamptons, Germantown; City of Gaithersburg	Prevention	# Served: 12  Students and staff from the Wellness Centers at Gaithersburg, Seneca Valley, and Wheaton participated in the Montgomery County National Night Out event held at locations in their community. Youth learned about safety and crime prevention and met members of the police department. Students enjoyed the fire department demonstrations and information on safety tips. Overall, students enjoyed the Night Out evening and understood the importance of strengthening relationships between the community and the local police department.	This was a new activity held during evening hours.	We focused on attending the National Night Out events organized in the City of Gaithersburg or in the MCPD District that encompasses our schools. District 6 did not hold a National Night Out event in Montgomery Village but perhaps we will collaborate with them for next year with Watkins Mill WC
Identity	Germantown Peace March	To engage Wellness Center program participants and families in community efforts to raise awareness about gun violence in the UpCounty community and provide a space to hear from mothers in the community who have lost their children to gun violence and learn about resources in the community.	Students from diverse backgrounds who participate in Wellness Center programs from Gaithersburg, Seneca Valley, Watkins Mill and Wheaton High Schools.	July 23 - UpCounty Services Center, Germantown from 9:00am - 12:00pm.	Prevention	# Served: 60  Seneca Valley Wellness Center staff partnered with the DHHS Street Outreach Network to plan, promote and participate as a resource at the Stop the Violence Peace March. Staff met weekly to plan the March. Leading up to the March, Wellness Program participants made posters and signs to carry during the March. About 60 students, and staff participated in the March.		participants. Seneca Valley Wellness Center partners from Identity, 480 Club and Emerging Triumphantly met weekly with 50N staff and other partner agencies to plan the event and discuss ways to continue collaboration during the school year on violence prevention.
Identity	Summer of Peace	Provide activities and information on Wellness Center programs and services to youth and families at SON Summer of Peace events.	Community members in Germantown, Montgomery Village and Wheaton	Germantown - June 17; Wheaton - July 15; Lakeforest/Montgomery Village - July 29	Engagement	# Served: 60  Staff and student Safety Ambassadors from the Wellness Centers at Gaithersburg, Seneca Valley, and Wheaton participated in SON Summer of Peace events in Germantown, Wheaton and Montgomery Village. Wellness Centers provided a resource table at the Summer of Peace event in their community and included games and give aways for families attending the events.	This is a existing outreach event.	
Identity	Mental Health Workshop	To engage Wellness Center program participants at high risk times and to engage them in engaging and therapeutic activities that encourage self care and give them more tools to manage the mental health impacts of the pandemic and existing traumas.	Students from diverse backgrounds who participate in Wellness Center programs from Gaithersburg, Seneca Valley, Watkins Mill and Wheaton High Schools.	August 15: Seneca Valley Wellness Center from 5:00 pm - 8:30 pm	Capacity Building Activity	# Served: 60 students from the Wellness Centers at Gaithersburg, Seneca Valley, Watkins Mill and Wheaton rotated among stations with four different therapeutic activities (Zumba, Art Therapy, Yoga/Mindfulness and therapy dogs). Students were able to reflect on how to implement these strategies into their own routines, as well as connect and build relationships with other students and staff from different Wellness Centers.	This was a new capacity building activity.	The Mental Health Workshop was planned by therapists from True Connection Counseling, our Seneca Valley and Wheaton Wellness Center mental health partner, in collaboration with our Wellness Center managers and PYD staff.
Identity	Extended Hours Programs (Wellness Centers)	The Wellness Center provides additional evening hours to serve newcomers at Wheaton High School and the CREA programs, at Watkins Mill, Gaitherburg and Seneca Valley Wellness Centers. During this time, participants and their families have access to safety net resources and a safe space with opportunities for positive and engaging youth activities, therapeutic recreation, case management, family reunification and strengthening, non-clinical and clinical behavioral health services.	Newcomer students and their families	Galthersburg Wellness Center - M/W 5:00 - 8:00; Watkin Mill Wellness Center - Tu/Th 5:00 - 8:00; Seneca Valley Wellness Center M/W 5:00 - 8:00 and Wheaton Wellness Center M/Th 5:00 - 8:00. One Saturday a month staff plan a field trip or activity.	Engagement	# Served: 53  Through July and August, 53 Newcomer youth from across the Wellness Centers including 7 CREA youth, participated in a variety of activities including: therapeutic field trips, the Wellness Center Adventure Nights, soccer workouts, and in one Center, a multi session Family Reunification Program. In addition, thirty students and families from Seneca Valley Wellness Center's Spring Family Reunification Cohort went to a daylong trip to the beach on July 23rd.	This is an existing program.

REC	Summer Camp: Summer Leadership Challenge	Summer Leadership Challenge (SLC)is a leadership development program that encourages exploration, independence, and personal growth. Young people participate in interactive workshops that prepare them for leadership roles and employment opportunities available to teens. Participants will become competent in leading activities and coordinate a "capstone" project benefiting young campers. Participants will earn service-learning hours, earn First Ald & CPR certifications, receive individual participant evaluations and acquire skills to make them competitive for summer jobs such as assistant counselors and lifeguards.	Teens	15 available locations— schools, park buildings, Rereation Centers, pools	OUTCOME: Healthy, Productive, Connected: Youth establish sense of purpose; gain employability sidls and become employment ready, develop attitudes and behaviors of civic responsibility, increase confidence; motivation to mastery, provide service to others; reduce stress; reduced screentime.  MEASURE/INDICATOR: # enrolled 244; % attending 11 or more days; % reporting a change in knowledge, attitude, skill, behavior 93%	Existing program	
REC	Summer Classes	Classes are designed to meet the varying interests and needs of youth and their families and often emphasize outcomes such as specialized skilld development, interest and explorations, and help young people to satisfy self- expression. Classes are options for those not seeking a full camp day program.		Countywide	Outcomes: Healthy, Productive, Connected: safe and supportive environment; avoid risky behavior; reduce social isolation; improve healthy habits; provide access to competent and caring adults; opportunities to satisfy esler-expression; build and maintain relationships; skill development; interest and exploration; reduce stress; reduced screenlime, life-skills development; immoutdoors; 60 minutes+ of physical activity; MEASJURE/INDGATOR-8: #Enrolled 378. % reporting	Existing program	
REC	Summer Youth Sports Initiatives:Summer High School Basketball League; Soccer4change; 3 on 3 with Police; Lacrosse; Volleyball; Tennis; Softball	MCR launched a campaign called PLAYMontgomery to address an alarming and growing trend in the area of youth sports, which is the sharp increase in disparities an adeclining access to participation roften summarized as "pay to play." MCR is committed to equalizing access and increasing participation rates, particularly for historically marginalized groups. MCR recognizes the value of sports as a platform for bringing communities together and creating asset rich environments embodied with structure, social stabilization, hope, mindfulness, flow, etc. where youth thrive. PLYMOntgomery also utilizes non-traditional sports and activities as a platform for engaging young people who are less likely to participate in traditional offerings. The initiative also emphasizes principals and practices of Title (L. establishing opportunities that are more likely to engage girls. Programs like SoccerdChange and the 3-on-3 Basketball are designed to connect vulnerable youth facing complex social, economic, and cultural environments, which make it difficult to seprence success, to critical developmental assets through sport.	youth, newly arrived youth,	White Oak, Long Branch, Plum Gar, Mid County, East County, Wheaton Woods, Green Castle, Galway, Coffield, Blair	OUTCOME: Healthy, Productive, Connected: safe and supportive environment, positive relationships with competent caring adults, engaged in physical activity and avoid risky and/or destructive behavior, develop resistance skills, healthy habits; self-confidence: motivation to mastery/ skill development; reduce stress; reduced screentime; reduced social despondency MEASURE/INDICATOR: denrolled 431/623, % reporting a change in knowledge, skill, attitude, belief.	Combination of new and existing programs designed to improve access to sports.	Soccer4Change is 90% immigrant youth many who are newly arrived and non-english speaking.
REC	Community Events and Outreach (i.e. National Night Out, Community Days, Independence Day Celebrations, participating in Summer of Peace, family movie nights, etc.)	Youth and Community Events offers a variety of non- traditional activities which serve as platform for engaging young people in their communities who are less likely to participate in more traditional out-of-school options (i.e. sports tournaments, trips, special events.) Additionally, these programs generally reach beyond the traditional program hours to include night and weekend opportunities. These specialty activities help to connect vouth to supports, opportunities, and services; help to build positive relationships and connection to community, help young people to perceive confidence and believe they can be successful; help to cultivate creativity, and ensure young people are safe and welcomed in their environment. These events are designed to engage families and build social capital.		County-Wide	OUTCOME: Healthy, Productive, Connected: Safe and supportive environment, positive relationships with competent caring adults; avoid risky behavior; satisfy self-expression; engage in socially acceptable behavior and have healthy self-concept; interest and exploration; achievement motivation; sense of community. MEASURE/INDICATOR: # attendance >40K, # events 21+, #partners	New and existing programs designed to promote positive social capital.	Montgomery County Recreation uses Performance Accountability Measures to determine impact which "focuses on the well-being of the customer population, distinct from whole populations," however, successful conditions directly contributes to population results such as youth rime rate, and has the ability to contribute to improved community conditions. (Freidman, Mark pg. 25)
REC	Summer Swimming Lessons	Promoting water competency, life-long water safety and lifetime liesure sports. Drowing is one of leading causes of unintentional liny-related deaths amongst youth net leading cause for children ages 1-4. National studies indicate minority youth are five times more likely to drown. Recreation works to improve DEI in aquatics and reduce barriers steming from historical racist and discriminatory practices.	youth	Montgomery Village/ Germantown (Upper County); Long Branch	Healthy, Productive, Connected: safe and supportive environment; positive relationships with competent carring adults; engaged in physical activity; healthy habits; self-confidence; motivation to masteryl skill development; reduce stress; reduced screentime; improve life-safety skills. ## YOUTH DATA FOR VIOLENT CRIMES

CAS #23-0421, 4/10/2023

Prepared by: M Iezzi

Request: Number of juveniles who were victims or suspects in homicides, contact shootings and non-contact shootings

#### Filters:

- Compiled using homicide spreadsheet data and non-fatal shooting database data
- Based on offense start date (January 1, 2022 March 31, 2023)
- Justifiable homicides are not included
- Takoma Park data is not included

#### **Homicides Involving Firearms**

Additional homicides were reported for each year that did not involve firearms. There were no homicides involving firearms in Q3 of 2022.

Victim Age Group		2022	2023	<b>Grand Total</b>	
victini Age Group	Q1	Q2	Q4	Q1	Granu Total
17 yoa and Under	1	1			2
18 - 21 yoa	1	3	2	2	8
22 yoa and Over	2	1	4	2	9
Grand Total	4	5	6	4	19

In 2022, there were 15 victims in 14 CR numbers.

- There were the same number of homicide victims where firearms were involved in Q1 2023 as in Q1 2022. However, in 2023, there have not been any victims aged 17 and under.
- In 2022, victims 17 and under accounted for 13% in homicides where firearms were involved. Victims between 18 and 21 accounted for 40% and victims 22 and over accounted for 47%.
- All victims in 2023 are between the ages of 18 and 23 in homicides where firearms are involved.

Suspect Age Croup		2022	2023	Grand Total	
Suspect Age Group	Q1	Q2	Q4	Q1	Granu Totai
17 yoa and Under		5			5
18 - 21 yoa	3	3	4	2	12
22 yoa and Over	2	2	6	2	12
Grand Total	5	10	10	4	29

In 2022, there were 14 CR numbers. Some homicides had multiple offenders.

- The last homicide involving a firearm where a suspect was 17 and under was in May 2022. That incident was a double homicide where two subjects shot at each other and both subsequently died.
- In 2022, suspects 17 and under account for 20% in homicides where firearms were involved. Suspects between 18 and 21 accounted for 40% and suspects 22 and over accounted for 40%.
- In 2023, all known suspects are 21 and 22 years of age.

#### **Contact Shootings**

Victim Ago Croup	2022				2023	<b>Grand Total</b>
Victim Age Group	Q1	Q2	Q3	Q4	Q1	Granu Total
17 and Under	4	1	2		3	10
18 - 21	3	4	1	3	4	15
22 and Over	6	11	9	8	11	45
<b>Grand Total</b>	13	16	12	11	18	70

In 2022, there were 52 victims in 48 incidents.

In 2023, there have been 18 victims in 13 incidents.

- There have been 38% more contact shooting victims in Q1 2023 than in Q1 2022, but there have only been one more incident (13 and 12 respectively).
- In 2022, victims 17 and under accounted for 13% of contact shooting victims, victims 18-21 you accounted for 22% and victims 22 and over accounted for 65%.

Sugnost Ago Croup	2022				2023	Grand Total
Suspect Age Group	Q1	Q2	Q3	Q4	Q1	Granu Total
17 and Under	1				1	2
18 - 21	2	3	5	2		12
22 and Over	2	6	5	7	2	22
Unknown	7	12	9	6	12	46
<b>Grand Total</b>	12	21	19	15	15	82

In 2022, there were 67 suspects in 48 incidents.

In 2023, there have been 15 suspects in 13 incidents.

- Suspects have not been identified in multiple incidents, hence the unknown age category.
- In 2022, there was one suspect identified who was 17 years of age and under. There has already been one in that age group in the first quarter of 2023.
- In 2022, suspects who were 17 years of age and under accounted for 1% of all suspects in contact shootings, 18% were 18-21 years of age and suspects 22 years of age and over accounted for 30%. Unknown suspects account for 51% of all suspects in 2022.

#### **Violent Crimes in 2022**

Many incidents below have multiple victims and/or suspects per incident.

Some incidents with more than one offense may have victims/suspects/arrestees listed more than once.

Crime Type	17 yoa and	l Under	18 - 21 yoa	
Crime Type	Suspect / Arrestee	Victim	Suspect / Arrestee	Victim
Aggravated Assaults - Firearms	25	37	35	47
Rape - Firearm	1	1		
Robbery - Commercial - Firearm	1		2	2
Robbery - Carjacking - Firearm	31	1	15	6
Robbery - Non-Commercial - Firearm	19	20	42	16
Weapon Possession / Selling	180	13	109	5
Weapon - Firing	4		9	
Grand Total	261	72	212	76
Percentage of Total	17%	11%	14%	11%

Crimo Tymo	22 yoa an	d Over	Unknown		
Crime Type	Suspect / Arrestee	Victim	Suspect / Arrestee	Victim	
Aggravated Assaults - Firearms	110	234	197	31	
Rape - Firearm					
Robbery - Commercial - Firearm	15	26	59		
Robbery - Carjacking - Firearm	7	59	106		
Robbery - Non-Commercial - Firearm	29	110	208	1	
Weapon Possession / Selling	253	48	31	17	
Weapon - Firing	33	17	49		
Grand Total	447	494	650	49	
Percentage of Total	28%	71%	41%	7%	

- The high total of suspects/arrestees with unknown ages is likely due to offenders who have not yet been identified.
- Victims with an unknown age may be due to a lack of recorded DOB for the victims.
