Leggett Seeks Applicants for Commission on Health

County Executive Isiah Leggett is seeking applicants to fill seven vacancies on the Montgomery County Commission on Health for provider and consumer representatives. Four incumbents (consumers) are eligible to apply for reappointment.

The commission consists of 19 voting members, representing a cross section of consumers and providers of health care. The majority of the members must not be providers. Persons with an interest or background in public health are encouraged to apply.

The commission advises the County Executive and County Council on public health programs, services, and facilities, and comments on any gaps, deficiencies or duplication of efforts. The commission also comments on the local public health planning needs, area-wide institutional health services, and State of Maryland health-related issues where appropriate. The group reports each year to the Executive and Council on a variety of health issues.

Meetings are held the third Thursday evening of each month at 6 p.m. in Rockville. Members serve three-year terms without compensation.

Applicants should write by May 11 to County Executive Isiah Leggett at the Executive Office Building, 101 Monroe St., Rockville, MD 20850 or send an e-mail to countyexecutive.boards@montgomerycountymd.gov. A letter and brief resume that include work and home phone numbers should be included. Members of County boards, committees and commissions may not serve on more than one such group at a time. Members of this committee are eligible for reimbursement for travel and dependent care for meetings attended.

Leggett's appointments are subject to confirmation by the County Council. Applications of those selected for appointment are made public as part of the confirmation process.
