WORKSESSION

MEMORANDUM

April 29, 2019

TO: Public Safety Committee

FROM: Susan J. Farag, Legislative Analyst *SJF*

SUBJECT: **WORKSESSION: FY20 Operating Budget**
Prisoner Medical Services NDA

PURPOSE: Vote on Recommendations for Council Consideration

For FY20, the County Executive is recommending \$20,000 in funding for this NDA (©1- 2). The NDA provides reimbursements for medical costs incurred by persons under arrest, but not under the custody of the Department of Correction and Rehabilitation. The Department of Police administers this NDA. The spending history for this NDA is:

FY08	\$10,434
FY09	\$27,313
FY10	\$99,611
FY11	\$0
FY12	\$14,121
FY13	\$13,535
FY14	\$0
FY15	\$0
FY16	\$27,773
FY17	\$0
FY18	\$0

The costs for this responsibility are unpredictable. Annual expenditures over the past 10 years have ranged from a low of \$0 in FY18 up to a high of \$99,611 in FY10. The County will have to provide for whatever costs are incurred no matter how much is in the initial budget of this NDA. While FY10 expenditures exceeded the appropriation, a majority of the last ten years has been below this amount. **Council staff recommends approval of \$20,000, as submitted by the County Executive.**

☼ **Prisoner Medical Services**

This NDA provides reimbursements to physicians and hospitals for medical care provided to individuals in the custody of any Montgomery County law enforcement agency, with the following exceptions:

- Offenders committed to the custody of the Department of Correction and Rehabilitation (DOCR) and receiving medical treatment paid for by the budget of that department,
- Medical treatment expenses covered by Workers' Compensation,
- Medical treatment expenses covered by personal medical insurance,
- Medical treatment expenses covered by the Federal Government,
- Medical treatment expenses covered by other appropriate and available outside resources.

The Department of Police manages this account with the assistance of the County Attorney. All bills are reviewed to determine the appropriateness of the medical expense reimbursement and to assess the responsible party for the medical expense.

☀ Public Elections Fund

Article IV of Chapter 16 of the County Code requires the Director of Finance to create a Public Election Fund to provide public campaign financing for qualified candidates for County Executive or County Council. The law is intended to encourage more candidates who do not have access to large contributions from interest groups or individuals to run for County elective offices. This NDA provides for the distribution of public contributions to qualified candidates in a contested election.

☀ Public Technology, Inc.

Funds are budgeted each year to continue membership in Public Technology, Inc. (PTI) as the County's research and development link with the National Association of Counties. Annual dues cover research and development assistance for innovative projects; access to a computerized information-sharing network; and membership in the Urban Consortium. The County participates in, and has received grants as a result of, initiatives in task forces on energy, solid waste, and telecommunications. PTI, as an organization, specializes in the research and assessment of ideas of interest to local governments for increasing efficiency, reducing costs, improving services, and solving problems. A current emphasis is on public enterprise, toward helping local governments identify and capture potential sales from products and information that are outcomes of government investment.

☀ Retiree Health Benefits Trust

Consolidated Retiree Health Benefits Trust: Beginning in FY08, the County implemented a plan to set aside funds for retiree health benefits, similar to the County's 50 year-old practice of prefunding for retiree pension benefits. Due to exponential growth in expected retiree health costs, the County had determined the cost of funding these benefits, which were being paid out as the bills came due, would become unaffordable. Setting aside money now and investing it in a Trust Fund, which is invested in a similar manner as the pension fund, not only is a prudent and responsible approach but will result in significant savings over the long term.

The County's approach to address retiree health benefits funding is to determine an amount which, if set aside on an annual basis and actively invested through a trust vehicle, will build up over time and provide sufficient funds to pay future retiree health
