June 16, 2020
Interview

SUBJECT

Montgomery County Planning Board interviews.

EXPECTED ATTENDEES (*REMOTELY*)

Gerald Cichy
Anthony Falcone
Justin Malcom
Roberto Pinero

COUNCIL DECISION POINTS & COMMITTEE RECOMMENDATION

Not applicable.

DESCRIPTION/ISSUE

The Council received 10 applications to fill the upcoming vacancy on the Montgomery County Planning Board. Four applicants were selected for interviews, including Mr. Gerald Cichy whose first term ended on June 14, 2020. Members serve four-year terms and are limited to two full terms. No more than three members of the Planning Board may be from the same political party, and each member must be a resident and registered voter of Montgomery County when appointed. This position must be filled by a Republican, a voter who is unaffiliated with a party, or a voter who is a member of another party officially recognized by the Board of Elections. This position cannot be filled by a Democrat.

Background

The Land Use Article of the Annotated Code of Maryland requires that no more than three members of the Planning Board be from the same political party. In addition to Mr. Cichy (Rep), current board members are Chair Casey Anderson (Dem), Vice Chair Natali Fani-Gonzalez (Dem), Tina Patterson (Unaffiliated) and Partap Verma (Dem).

The following applicants will be interviewed remotely beginning at **1:45 p.m. on Tuesday, June 16:**

Gerald Cichy (Rep)
Anthony Falcone (Rep)
Justin Malcom (Rep)
Roberto Pinero (Unaffiliated)

GRC 3-9-2020 Letter

Gerald R Cichy, P.E., AICP

March 9, 2020

Council President Sidney Katz and Council Members
Montgomery County Council Office
Stella B. Werner Council Office Building
100 Maryland Avenue
Rockville, Maryland 20850

Dear President Katz and Council Members:

I like to express my continued interest and qualifications to continue to serve Montgomery County and its Citizens as a Planning Board Member and M-NCP&P Commissioner over the next four years, and I respectfully request your approval of my reappointment. As Montgomery County and the Planning Board undertake "Thrive 2050", I believe my education and experience in planning, engineering, transportation and administration can be of value to the sound and equitable growth of the County.

Over the past four years as a Commissioner, I have valued the knowledge, leadership, and sincere concern of the Chair and Planning Board Members, Planning and Parks Directors and their staffs for the welfare and sound growth of the County, and the input, questions and comments provided by Citizens and Businesses of the County.

During my tenure on the Planning Board, I have supported the Council's initiatives on Vision Zero, Racial Justice and Social Equity, and Affordable Housing, among others. Having grown up in a safe and sound Public Housing Project in Jersey City, I have always had an appreciation for Affordable Housing as a community benefit, which helped lead me to completing a Planning Master's Thesis on Affordable Housing.

I have lived in Montgomery County since December 1969 and have had the honor of serving as its Director of Transportation. I am registered as a Republican in Montgomery County. My wife grew up in the County and attended its excellent Public School System, as have our son and our daughter, and now our 5 grandchildren are all in Montgomery County Public Schools.

Always being an advocate for Multi-Modal Transportation, in 1997 I have received a US Patent for a Bus Rapid Transit Vehicle with doors on both sides to allow access both at curbside, and at a median or rail station platforms directly. In 2001, I also received the Federal Transit

Administration (FTA) "Innovative Idea Award" for a 200 Mile Bus Rapid Transit (BRT) System supplementing the 103 Mile plus Metro Rail System in the Washington Region, including Montgomery County.

I am a "Certified Planner - AICP" with the American Institute of Certified Planners, and a Registered "Professional Engineer-P.E." in the State of Maryland, with both credentials by examination. I have a BSCE- Bachelor of Science in Civil Engineering, a Master in City and Regional Planning, a Master in Civil Engineering, and PhD level courses at the National Center for Smart Growth, at the University of Maryland College Park.

For and from my work in Planning and Transportation, I have learned that in planning "all things are related" and that blindly pursuing one goal can adversely affect another. In transportation I have always been "multi-modal" and have seen transportation "not an end in itself but a system that helps people and families do the things that they need to do, or want to do, like: getting to work, education, health, recreation, visiting family and friends, and for business logistics.

My civic experience has include serving as President, Rockshire Citizens Association; and have been a Member of the Rockville Transportation and Traffic Commission, Rockville Environmental Committee, Appalachian Mountain Club, National Trust for Historic Preservation, and American Planning Association. I have also volunteer with Cystic Fibrosis, Rebuilding Together, Rockville Baseball as a Coach, and BSA as an Assistant Scout Master.

I graduated from the Senior Leadership Montgomery Class of 2016. I was fortunate to participate in this outstanding program, and even though I had served in Montgomery County Government, I learned about new and important programs to serve the community under the concept of what was called the "three-legged stool" of Government, Business and the Non-Profit Sector efforts. Over the past 4 years, I have learned even more about the growing diversity of the County, and that the expansion of our outstanding Montgomery Community, needs continuing care and attention for it to remain a "great place to live" for all.

I believe by continuing to serve on the Montgomery County Planning Board, I can continue to give back to my Montgomery County community in a meaningful and effective way. I have always been willing to listen to other viewpoints, and to then seek win-win solutions. In closing, I again respectfully request your approval of my reappointment.

Sincerely,

Gerald R Cichy, P.E., AICP

Commissioner - Maryland-National Capital Park & Planning Commission and Montgomery County Planning Board
Silver Spring, MD - 2016 to Present

Appointed by the Montgomery County Council in 2016 to serve as a M-NCP&PC Commissioner and as a Montgomery County Planning Board Member. Have supported Council approved Vision ZERO 2030, Racial Justice and Social Equity, and Affordable Housing, in my decisions in approving Planning and Park projects, and also in Thrive 2050.

Leadership Montgomery Program
Montgomery County, MD -- 2015 to 2016

Participant in the Senior Leadership Montgomery (SLM) Program. Graduate SLM Class of 2016. Gaining broader knowledge of Montgomery County Needs and Assets.

President
Strategic Transportation Solutions
Rockville, MD - 2015

Developing planning, engineering and financial strategic solutions to implement multi-modal transportation projects consistent with land use planning, the natural environmental, and racial and social equity and justice.

Subject: Montgomery County Planning Board Vacancy

[EXTERNAL EMAIL]

Dear Councilmember Katz,

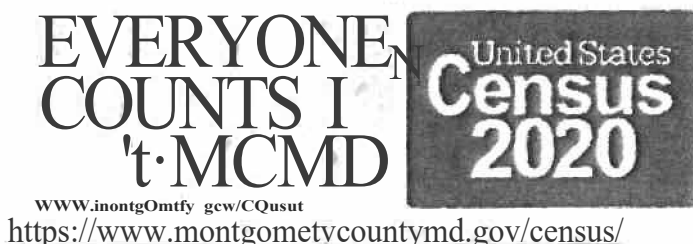

I'm writing to ask that when you consider filling the Montgomery County Planning Board vacancy you give serious consideration to appointing Gerald Cichy to a second 4 year term. I had the good fortune to participate in Senior Leadership Montgomery with Mr. Cichy and we have maintained a connection since our graduation in 2016 through monthly gatherings of SLM classmates. Each time we discuss matters related to planning and, in particular development issues that impact transportation, I am thankful for his experience, insight and open-minded approach to our discussions. He demonstrates, in his conversation, a commitment to fairness when deliberating issues. He is a great listener and a patient "educator" for those of us who care about key issues in planning that impact the county we love. If you haven't had an opportunity to meet with him one on one I hope you will make time to do so as you consider the applicants for this position.

I sincerely appreciate the leadership you are providing at this very difficult time. The Council communications and actions are important as we address COVID-19 and the long term implications of this virus.

Sincerely,
Kendra Wells

VIA EMAIL TRANSMISSION

Sidney Katz
Council President
County Council Office Building
100 Maryland Avenue
Rockville, MD 20850

Council President Katz,

Please accept my letter of application for a position on the Montgomery County Planning Board.

With an unbeatable track record of successfully reengineering and revitalizing companies, it is a pleasure to submit my resume for a Planning Board Position. I believe that, upon review, you will recognize that my innovative strategies are exactly what The Planning Board needs to meet its strategic goals. My knowledge of the Planning Process has been demonstrated throughout my real estate centered career.

Applying such knowledge to making our Community a desired place to live and work would allow me to give back that knowledge to present and future generations.

My keen business insight and in-depth knowledge of improving desired outcomes of planning opportunities will provide you with an invaluable resource.

The Planning Board appears to me as a Board that realizes the importance of achieving Strategic Goals. That type of vision has defined and propelled my career.

I look forward to discussing your objectives and how we can work together to accomplish them. I am a registered Republican.

Sincerely,

Anthony Falcone

Rockville, MD 20850

Dear Councilmembers

I am writing as an applicant for the Montgomery County Planning Board vacancy.

Within this document you will find my cover letter explaining my passion for the county and planning its future, as well as my professional resume outlining my experience as a construction and development professional. Listed below are the high-level profile characteristics of my application.

- Life-long county resident
- Construction professional
- Silver Spring homeowner
- MCPS graduate
- Millennial
- Father
- Registered Republican

I would like to further discuss my capabilities and value to the county as a member of the Planning Board and I look forward to talking to you soon.

Sincerely,

Justin Malcom

Councilmembers,

It would be without question an honor to serve my fellow Montgomery County residents as a Planning Board Member. I am submitting this application with my professional experiences outlined in the attached resume and my qualifications for the role in this cover letter. I am eagerly equipped to promote the continued success of this great county through appropriate master planning with the Planning Board.

My life journey within this vast county will carry an incredible value as a planning board member. Aside from my studies, I have been a resident of Montgomery County for all my life and collected a great deal of personal experiences in our diverse landscape. I grew up in Laytonsville spending my time in the agricultural reserve and nearby up-county neighborhoods. I attended Gaithersburg High School getting to know the unique character of Olde Towne Gaithersburg and the sprawling suburban city. As a young adult I rented an apartment in a downtown Bethesda high-rise and I now reside in a single-family home in the dense Capitol View neighborhood of Silver Spring. I have held professional positions with two of the county's largest employers Clark Construction and Marriott International. I have commuted to several different long-term assignments by foot, by car, and by mass transit. I have had the pleasure of capturing a wide range of experiences our fellow Montgomery County residents are currently living and it puts me in an exceptional position to provide relatable context to our planning goals.

We are in an unprecedented building boom as lending environments and building delivery methods have allowed more developments than ever to become viable. The opportunity to see fit how the county interconnects the public works, infrastructure, and school system into these plans is a vital task for the long-term success of our county and I am confident to deliver on the needs of our residents in these planning decisions. In this rapid building environment, we are seeing accelerated demographic shifts that have not been accounted for in historic planning processes. The burden on our public school system and affordable housing options for our county workforce are issues I hope to help focus on if I am selected as a Planning Board member. I have strongly felt much of the traffic issues our county faces are anchored by a lack of affordable housing options near our employment hubs. Additionally, our residential real estate demand in certain school districts is suppressed by the perceived lack of quality in those schools which has created a snowball effect in our real estate markets. Housing prices have skyrocketed in desired school districts while remaining relatively flat in others. Historically, much of the

demand for commercial development has been transit oriented, but it can be argued the same demand for development in this county is shown in preferred school districts. Fostering smart growth and investment in areas of the county that have not received the attention of other areas would be a prioritized goal of mine.

As we continue to urbanize the county, the zoning code must adapt to sustain character within our growing communities. Encouraging collaborative improvements to our public right of ways within urbanizing areas will be critical to providing livable communities of the future. I would be eager to refine our zoning code to help facilitate the building of culture into these urban landscapes. It is also important to understand the role technology will play on our future developments in infrastructure. I hope to be a key contributor on the Planning Board investigating the needs of infrastructure improvements in relation to evolving transportation technology and how demand for existing infrastructure will change.

I believe we have great public parks framework in the county, but the existing parks and recreation options are not adequate to support the growing population. Our urban centers are particularly weak in this area and need to be addressed with public input. A focus on continuing to integrate safe bike and pedestrian measures into master planning is a focus of mine.

Through my professional experience in real estate and construction I have gained strong context in reviewing the complex projects in our downtown environments. Managing large urban projects with Clark Construction helped provide understanding of the complexity each project encounters from a planning and public interaction standpoint. My understanding of site plan utilization and feasibility for Marriott will help provide insight on determining if the site logistics are the best use for our citizens. In my role with Marriott I facilitate development on sites throughout the nation by travelling to many other blossoming communities with the opportunity to see what is working in those communities. I hope to bring those ideas back with me to our county.

I appreciate your time in reviewing this application for a position with the Planning Board and hope to hear from you soon.

Thank you,

Justin Malcom

LEED AP BD+CTM

- Ensure construction excellence while delivering a variety of high quality, complex hotel projects focused primarily in the Midwest and Eastern United States, managing 40 active construction projects and promoting a pipeline of 100 hotel developments having opened 36 successful hotel properties.
- Develop collaborative teams by engaging owners, architects, contractors, vendors, and hotel operations in the development process, capitalizing efficient use of brand requirements and negotiating best value.
- Resourcefully provide clarity to an ambiguous environment, helping franchisees navigate to completion.
- Communicate development pipeline and construction trends to internal stakeholders for accurate quarterly growth projections to the public markets.

- Assisted in building turnover and compiled closeout warranty and O&M documentation.

Council President Sidney Katz
County Council Office
Stella B. Werner Council Office Building
100 Maryland Avenue,
Rockville, Maryland 20850

Dear Council President Katz:

I am writing to express my interest in the *vacant* position of Planning Commissioner at the Montgomery County Planning Board. I feel **very** qualified for this position since I consider myself a subject matter expert on issues of urban planning and affordable housing. I am also unaffiliated to a political party. I have a very strong academic record including a Masters degree in urban planning from Harvard university and Ph.D. studies from the University of California at Berkeley. I not only have the academic qualifications but also the experience having worked at GAO for the 25 years doing work related to urban planning, housing, and community development. During those years I advised Congressional majority and minority staff and provided objective and fact-based advice on these issues to members of Congress.

I also have a very extensive volunteer community service to Montgomery County where I have lived for the last 30 years. Some of my major contributions in community service include recently completing a one-year assignment as Chair of the Interagency Commission on Homelessness. I also served for 12 years on the Board of the Housing Opportunities Commission, the last four as the Chair. Some of the successes as the Chair included recruiting a new Executive Director, implementing the Rental Assistance Demonstration initiative, creating more housing choice vouchers for homeless veterans, and obtaining a higher share of low income housing tax credits from the state.

I look forward to hearing from you and please do not hesitate if you need additional information.

Sincerely,

Roberto Pinero (signed)

ROBERTO R PINERO

PROFESSIONAL EXPERIENCE

Senior Analyst, Financial Markets and Community Investment, U.S. Government Accountability Office, Washington, DC, March 1997 - September 2016. (Retired)

Reviewed and made recommendations regarding the housing programs administered by HUD and Treasury under the Recovery Act.

Reviewed and made recommendations on the consolidation of federal financial literacy programs administered by 15 federal agencies.

Assisted in Preparing Testimonies on FEMA's National Flood Insurance Program and on HUD's Project-Based Section 8 Program.

Reviewed HUD's Project-Based Section 8 Program and made recommendations to improve the program.

Reviewed EDA's Use of Excess Funds and Performance Awards which led the agency to implement the awards as required by legislation.

Reviewed EDA's Brownfield Program and made recommendations on how to streamline the program.

Reviewed HUD's Section 8 Program, High-Risk and Troubled Public Housing Authorities and recommended actions HUD can take to improve their operations.

- Reviewed the employment discrimination complaint process at USDA and recommended actions USDA can take to address the delays.
- Reviewed the proposed rescissions to FY98 USDA's budget incorporated in a report by the Office of General Counsel to the Congress.

Analyst, Resources, Community, and Economic Development Division, U.S. General Accounting Office, Washington, DC, October 1990 - March 1997.
Band Level I

- Undertook an assignment on USDA's Team Nutrition Initiative examining issues related to personnel and travel that resulted in referrals to the USDA's Inspector General and the U.S. Attorney for possible criminal investigation.

E Conducted a budget analysis of USDA that identified millions of dollars of potential reductions to USDA's appropriations for fiscal years 1997 and 1998.

- Worked with congressional staff on audits covering housing and community development issues., and more recently, on food and nutrition issues.
- Planned and participated in three major audits of housing and community development programs at the Federal Home Loan Mortgage Corporation (Freddie Mac) multifamily program, the U.S. Small Business Administration (SBA) surety bond assistance programs, and the Resolution Trust Corporation (RTC) affordable housing disposition program.
- Audits led to major revision in Freddie Mac, SBA and RTC operations and regulations, including the suspension of Freddie Mac's multifamily program.
- Special Commendation Award for detecting financial and management problems at Freddie Mac.

Special Assistant to the Director, Office of Management and Budget, Commonwealth of Puerto Rico, 1987 - 1990.

- Developed a long-range plan and integrated planning and budget system for the Commonwealth government.
- Represented the Director in meetings with Federal officials, bond underwriters, and national associations.
- Coordinated the budget and management divisions and designed the capital improvements office.
- Liaison with the Governor's Office and the Legislature in the preparation and execution of the budget
- Supervised outside consultants hired to restructure the budget process.

Economic Planner, Governor's Economic Advisory Council, Commonwealth of Puerto Rico, 1986 - 1987.

- Directed efforts to design and restructure the budget process of the Commonwealth government.
- Coordinated the budget planning restructuring with outside consultants and the National Association of State Budget Officers (NASBO).
- --successfully advised the Governor's Office on ways to restructure the budgets of the Education Department and the Metropolitan Bus Authority, resulting in improved operations and major savings to the government.

Director of the Housing Element, Planning Board, Commonwealth of Puerto Rico, 1975 - 1979.

- Directed the design of a comprehensive housing plan for the island and its municipalities.
- Developed a housing information system and a model for allocating housing funds that was implemented by HUD's Caribbean Office for allocating

- housing and community development funds.
- Conducted housing market research and rendered various reports to the Legislature on housing cost and finance.
- Supervised a staff of 9 professionals.

OTHER WORK EXPERIENCE

Chairman, Interagency Commission on Homelessness of Montgomery County, November 2018-2019.

Subject: Sierra Club Endorsement for Planning Board

Dear Council President Katz and County Councilmembers,

The Sierra Club Montgomery County Group is pleased to recommend Robert Pinero for appointment to the Montgomery County Planning Board:

To arrive at our recommendation, we distributed a questionnaire to each candidate to determine their experience with and perspective on land use, transportation, and other climate change and environmental issues. We received completed questionnaires from all four candidates and then interviewed each of them.

While all the candidates were serious in their responses - and indicated a commitment to public ~~e~~Nice, we were most impressed with Roberto Pinero, who stood out for several reasons.

We believe that Mr. Pinero's strong academic background in city planning, extensive experience in housing and community development at GAO and in our county, and his personality would make him an outstanding addition to the Planning Board. In his interview with Sierra Club, he impressed us as sincere, thoughtful, and authentic. We believe he would come to the Planning Board with a strong equity lens - he emphasized the need for transportation and land use decisions that will improve the transportation and housing options for lower income households.

Former colleagues of his at the Housing Opportunities Commission describe Pinero as hard working and a team player - both are critical attributes for a Planning Board member. He would be a passionate advocate for affordable housing and good transportation options for those without cars, but he would not be a disruptive force.

Mr. Pinero understands Smart Growth and is committed to its central tenets - encouraging most development in high density, walkable, transit-served, mixed-use, mixed-income neighborhoods with plenty of affordable housing and many parks and plazas.

Mr. Pinero has an impressive resume, which we will not repeat here. But a few pieces of his experience are worth underlining in addition to his strong academic credentials that include a degree from Harvard's Graduate School of Design.

SIERRA CLUB
MONTGOMERY COUNTY, MD

Mr. Pinero's many years of service on the Housing Opportunities Commission (HOC) board (including four years as Board Chair) and on the Commission on Homelessness gives him valuable hands-on experience in working with a variety of key organizations and agencies. He has a good understanding of many of the county's challenges and opportunities; and has good working relationships with some key players. Because he has dealt with the Planning Board and the Planning Department on several occasions in recent years, he would start with some knowledge of important Planning Board processes. In addition, Pinero has demonstrated the ability to engage the participation of low- and moderate-income residents in complex land use decisions - always needed, but usually hard to achieve.

In sum, Sierra Club is impressed with Mr. Roberto Pinero and believe that he would be a valuable addition to the Planning Board. We encourage the Council to appoint him.

Sincerely,

Shruti Bhatnaga;
Chair, Sierra Club Montgomery County

Montgomery County Council

For Immediate Release

March 27, 2020

FOR INFORMATION: Anne Brown, 240-777-7925 anne.brown@montgomerycountymd.gov

Montgomery Council seeks applicants for Montgomery County Planning Board

Application Deadline extended to Friday, April 17, at 5 p.m.

ROCKVILLE, Md., March 27, 2020-The Montgomery County Council is seeking applicants to fill a vacancy on the Montgomery County Planning Board. The first term of Gerald Cichy (Republican) will expire on June 14, 2020.

Applications must be received no later than 5 p.m. on Friday, April 17.

Members serve four-year terms and are limited to two full terms. No more than three members of the Planning Board may be from the same political party, and each member must be a resident and registered voter of Montgomery County when appointed. This position must be filled by a Republican, a voter who is unaffiliated with a party, or a voter who is a member of another party officially recognized by the Board of Elections. This position cannot be filled by a Democrat.

In addition to Mr. Cichy (Rep), current board members are Chair Casey Anderson (Dem), Vice Chair Natali Fani-Gonzalez (Dem), Tina Patterson (Unaffiliated) and Partap Verma (Dem). Annual compensation for Board members is currently \$30,000, and the chair currently earns \$209,754.

The Planning Board serves as the Council's principal adviser on land use planning and community planning. Planning Board members also serve as commissioners of the Maryland-National Capital Park and Planning Commission.

The Planning Board's responsibilities with regard to planning include preparation and amendment of the County General Plan; preparation and amendment of master plans and functional plans; formulation of subdivision regulations; preparation of

or recommendations on text amendments to the County Zoning Code; implementation of the subdivision process by reviewing and approving all preliminary plans, site plans and other plans for development; offering or providing advice on the planning implications of capital facilities and programs of the County government, Montgomery College, Washington Suburban Sanitary Commission and Montgomery County Public Schools; commenting, under its mandatory referral authority, on plans for public facilities of local, state and federal agencies; and approving of the work program and the annual operating budget for the Planning Department and the Commission's bi-county offices.

The Planning Board sits as the Park Commission and approves the annual Parks Department operating budget and Capital Improvements Program (CIP); land acquisition contracts and major development contracts for parks; development plans for individual park facilities; policies for park operations; and park user fees.

The Planning Board meets all day every Thursday, including many Thursday evenings, and will schedule other meetings, as needed. The entire Maryland-National Capital Park and Planning Commission meets the third Wednesday of every month. On average, a Planning Board member may spend two full days a week in scheduled and informal meetings. Additionally, substantial time is required for preparatory work and other activities related to Planning Board responsibilities.

Application Process and Deadline

Letters of application expressing interest, including a resume (no more than 4 pages) listing professional and civic experience, political party affiliation, home and office telephone numbers and an email address, should be addressed to: Council President Sidney Katz, County Council Office, Stella B. Werner Council Office Building, 100 Maryland Avenue, Rockville, Maryland 20850. Applications can also be submitted via email to county.council@montgomerycountymd.gov

Letters of application and resumes are made public as part of the appointment process, and are available for public review. The interviews are conducted in public and will be televised.

Letters with resumes must be received no later than 5 p.m. on Friday, April 17. It is the Council's policy not to consider applications received after the deadline. After the closing date, Councilmembers will review the letters of application and select applicants for interviews to be held soon thereafter.

Financial Disclosure

A financial disclosure statement of assets, debts, income and family property interests will be required to be filed by each applicant. The financial disclosure form will be sent to you after we receive your letter of application. Only the financial disclosure statement of the ultimate appointee will be made available to the public; all others will be returned to the applicants.
