SUBJECT: Resolution to adopt a Board of Health Regulation concerning Executive Order 082-20, Covid-19 Local Order – Phase 2

PURPOSE: Introduction/Public Hearing/Action – Council vote required

On Tuesday, June 16, the Council is scheduled to act on a Resolution approving Executive Order No. 082-20, COVID-19 Local Order – Phase 2 sitting as the County Council. If the Council approves the Executive Order, the Council, sitting as the Board of Health, is scheduled to introduce a Board of Health regulation concerning Executive Order 082-20, Covid-19 Local Order – Phase 2. The Board of Health Regulation is sponsored by the County Council. A public hearing and action is tentatively scheduled for later the same day.

Background

On May 15, 2020, the Council adopted Resolution No. 19-456 approving Executive Order No. 067-20, COVID-19 Local Order. EO 067-20 continued the stay at home order of the Governor for the County until certain criteria in slowing the spread of the COVID-19 virus are met. The County's Local Health Officer, Dr. Travis Gayles, determined that certain criteria were met that would permit a Phase 1 reopening. County Executive Elrich signed EO 070-20, COVID-19 Local Order – Phase 1 permitting certain businesses and activities to operate again in the County as of June 1, 2020. The Executive, in consultation with Dr. Gayles, has now determined that enough progress has been made to begin Phase 2 on Friday, June 19. Executive Order 082-20, COVID-19 Local Order – Phase 2 would lift the stay at home order and move the County into Phase 2.

Resolution Approving Executive Order 082-20

The Council is scheduled to approve a resolution approving Executive Order 082-20, Covid-19 Local Order – Phase 2 (EO 082-20) sitting as the County Council. EO 082-20 is once again based on the Governor's Executive Order 20-06-10-01, dated June 10, 2020, which gave Maryland Counties the authority to continue to impose limitations on business and personal activities that were more

restrictive than those permitted under the Governor’s Executive Order. The Executive and the County Health Officer determined that it is necessary and reasonable to continue to impose limitations that are more restrictive than the Governor’s Order to prevent the spread of COVID-19 but that some restrictions could be lifted. EO 082-20 would, effective Friday, June 19, 2020 at 5 pm make the following changes from EO 070-20:

1. lift the stay at home order;
2. establish general operating and social distancing requirements for all businesses, organizations, establishments, and facilities that are permitted to open;
3. permit certain indoor and outdoor gatherings of up to 50 persons with restrictions;
4. permit childcare facilities to open with restrictions;
5. permit fitness centers to open with restrictions;
6. permit food establishments to reopen on site food consumption with restrictions;
7. permit indoor malls to reopen with restrictions;
8. permit manufacturing businesses to open with restrictions;
9. permit miniature golf establishments to reopen with restrictions;
10. permit all offices to reopen with restrictions;
11. permit certain outdoor recreation and youth camps and sports to operate with restrictions;
12. permit certain personal services establishments to operate with restrictions;
13. permit indoor and outdoor pools to reopen if they comply with MDH orders;
14. permit religious facilities to operate under the same general operating procedures imposed on other businesses;
15. permit retail establishments to open with restrictions; and
16. permit car washes and pick your own farms to reopen with restrictions.

Provisions of the Board of Health Regulation

The Board of Health Regulation would approve EO 082-20, COVID-19 Local Order – Phase 2, which was signed by County Executive Elrich on June 15. The Board of Health Regulation would adopt the terms of EO 082-20 as a Board of Health Regulation applicable throughout the County.
