COUNCIL DECISION POINTS & COMMITTEE RECOMMENDATION

• To introduce Bill – no vote expected.

DESCRIPTION/ISSUE

Bill 29-20 would require the Director of Finance to offer a payment in lieu of taxes for a residential or commercial high-rise building constructed by a private developer on property leased from the Washington Metropolitan Area Transit Authority (WMATA) at a Metro Station. The Bill would require the payment in lieu of taxes that would exempt 100% of the real property tax that would otherwise be levied for a period of 15 years beginning in the year a use and occupancy permit is issued for the qualifying development.

SUMMARY OF KEY DISCUSSION POINTS

• Does encouraging this type of development provide a reasonable return to the County for the loss of property tax and the expansion of the Charter limit cap on property tax revenue from new construction?
• Should the exemption be automatic or should each proposed development be reviewed independently?

MEMORANDUM

July 2, 2020

TO: County Council

FROM: Robert H. Drummer, Senior Legislative Attorney

SUBJECT: Bill 29-20, Taxation – Payments in Lieu of Taxes – WMATA property - Established

PURPOSE: Introduction – no Council votes required

Bill 29-20, Taxation – Payments in Lieu of Taxes – WMATA property - Established, sponsored by Lead Sponsors Councilmember Riemer and Friedson and Co-Sponsors Councilmembers Glass, Navarro, Council President Katz, Councilmember Albornoz and Vice President Hucker, is scheduled to be introduced on July 7, 2020. A public hearing is tentatively scheduled for July 28 at 1:30 p.m.¹

Bill 29-20 would require the Director of Finance to offer a payment in lieu of taxes for a high-rise building constructed by a private developer on property leased from the Washington Metropolitan Area Transit Authority (WMATA) at a Metro Station. The Bill would require the payment in lieu of taxes that would exempt 100% of the real property tax that would otherwise be levied for a period of 15 years beginning in the year a use and occupancy permit is issued for the qualifying development.

WMATA does not currently pay property tax because it is an instrumentality of the State of Maryland.² Property tax can be levied against a lessee of government property used for a private purpose under Md. Tax-Property Code Ann. §6-102(e). WMATA has agreed to a long-term lease with a developer of some of its property at the Grosvenor-Strathmore Metro Station. Md. Tax-Property Code Ann. §7-501 authorizes the Council to enact a law providing for a payment in lieu of taxes for property leased from a government agency that is otherwise subject to a tax levy under §6-102(e).

Bill 29-20 would apply to any property leased from WMATA at a Metro Station in the County for a qualifying development of a residential or commercial high-rise building.
