## SUMMARY OF KEY DISCUSSION POINTS

- This resolution is not approved during the budget because of the time required by Office of Management and Budget staff to prepare it based on the Council's final decisions.
- The Council has approved this schedule every year since Fiscal Year 1975 as the official act to meet Section 305 of the County Charter – all appropriations must be funded.
- These estimates are also used by Executive staff when preparing the approved Operating Budget publication and the Comprehensive Annual Financial Report.

**COUNTY COUNCIL  
FOR MONTGOMERY COUNTY, MARYLAND**

---

Lead Sponsor: County Council

---

**SUBJECT:** Approval of FY23 Schedule of Revenue Estimates and Appropriations

**Background**

1. On May 26, 2022, the Council appropriated funds for the FY 2023 Operating and Capital Budgets for the County Government, the Montgomery County Public School System, Montgomery College, the Maryland-National Capital Park and Planning Commission, and the Washington Suburban Transit Commission.
2. As required by Section 305 of the County Charter and applicable State laws, the County Council must fund these appropriations. On May 26, 2022, the Council set the property tax rates for FY 2023.
3. The Council has examined all sources of revenue, including local taxes, to identify those sources from which receipts are restricted as to use so that the Council may allocate those revenues that are not restricted to respond best to the needs of County residents.

**Action**

1. The County Council approves the attached Schedule of FY 2023 Revenue Estimates and Appropriations.
2. Unrestricted revenues are allocated to fund the budgets to the extent that the budgets are not fully funded from restricted revenues expected during FY 2023. However, before allocating unrestricted revenues to the Montgomery County Public School System, the following MCPS resources must first be used to fund the FY 2023 budget: all unanticipated revenues; all realized expenditure savings (excess of appropriations over actual expenditures and encumbrances); and all other sources of available reserve. For the College, the unrestricted revenue is the County's contribution for the Current Fund and the Emergency Plant Maintenance and Repair Fund.
3. The County Executive must allocate the unrestricted revenues through appropriate fiscal agencies of the County, including the Department of Finance.
