Added to existing law by original bill.

Deleted from existing law by original bill.

Added by amendment.

Deleted from existing law or the bill by amendment.

Existing law unaffected by bill.

The County Council for Montgomery County, Maryland approves the following Act:

1 **Sec. 1. Section 16-2 is amended as follows:**

2 **16-2. Boundaries of Council districts.**

3 The boundaries of the 5 Council districts required under Section 103 of the
4 County Charter are as follows.

5 [(a) District 1. The southern boundary of District 1 begins at the junction of
6 the boundary lines of Montgomery County (Maryland), the District of
7 Columbia and Fairfax County (Virginia); thence northwesterly along
8 the boundary line of Montgomery County and Fairfax County to a point
9 on a line of prolongation from Muddy Branch; thence north along said
10 line of prolongation, crossing the Potomac River and circumscribing
11 Watkins Island to Muddy Branch; thence meandering northerly and
12 easterly along the center line of Muddy Branch to its intersection with
13 Turkey Foot Road; thence easterly along the center line of Turkey Foot
14 Road to its junction with Travilah Road; thence northeasterly along the
15 center line of Travilah Road to its junction with Piney Meetinghouse
16 Road; thence southerly along the center line of Piney Meetinghouse
17 Road to its intersection with the right-of-way of the Potomac Electric
18 Power Company (PEPCO) power line; thence easterly along the center
19 line of the PEPCO right-of-way to its intersection with Falls Road (Md.
20 Route 189); thence northeasterly along the center line of Falls Road to
21 its immediate junction with Montrose Road; thence east along the center
22 line of Montrose Road, continuing as Randolph Road at Rockville Pike
23 (Md. Route 355), to the intersection of Randolph Road with Parklawn
24 Drive; thence north along the center line of Parklawn Drive to its
25 intersection with the right-of-way of the Rockville Facility (formerly the
26 proposed Outer Beltway right-of-way); thence northeast along the
27 center line of the Rockville Facility right-of-way approximately 2000

28 feet and due north to its junction with a southern boundary line of Rock
29 Creek Regional Park; thence east along said Park boundary line and a
30 line of prolongation to Rock Creek at a point opposite Edgebrook Road;
31 thence meandering southeasterly along the center line of Rock Creek to
32 its intersection with the boundary line of Montgomery County and the
33 District of Columbia; thence southwest along said boundary line to its
34 junction with the boundary lines of Montgomery County, the District of
35 Columbia and Fairfax County, the point of beginning.]

36 [(b) District 2. The southwestern boundary of District 2 begins at the
37 confluence of Muddy Branch with the Potomac River; thence
38 continuing south along a prolongation from Muddy Branch across the
39 Potomac River and circumscribing Watkins Island, to the boundary line
40 of Montgomery County (Maryland) and Fairfax County (Virginia);
41 thence northwesterly and northeasterly along said boundary line,
42 continuing as the boundary line of Montgomery County and Loudoun
43 County (Virginia), to its junction with the boundary line of Montgomery
44 County and Frederick County (Maryland); thence northeast along said
45 boundary line, continuing as the boundary line of Montgomery County
46 and Carroll County (Maryland) to its convergence with the boundary
47 line of Montgomery County and Howard County (Maryland); thence
48 southwesterly and southeasterly along said boundary line to its junction
49 with Ednor Road; thence southwesterly along the center line of Ednor
50 Road, continuing as Layhill Road (Md. Route 182) at Norwood Road,
51 to its junction with Norbeck Road (Md. Route 28); thence southwesterly
52 along the center line of Norbeck Road to its junction with Muncaster
53 Mill Road (Md. Route 115); thence northwesterly along the center line
54 of Muncaster Mill Road, continuing as Snouffer School Road at

55 Woodfield Road (Md. Route 124), to the junction of Snouffer School
56 Road with Goshen Road; thence south along the center line of Goshen
57 Road, continuing as North Summit Avenue at Girard Street, to its
58 intersection with the municipal boundary line of the City of
59 Gaithersburg on the north side of Park Avenue; thence southwest and
60 northwest along said municipal boundary line, crossing through the
61 Asbury Methodist Home property, to its junction with the municipal
62 boundary line on the southeastern side of Odend'hal Avenue; thence
63 northeast along the southeastern side of Odend'hal Avenue to its
64 junction with Lost Knife Road; thence northwesterly along the south
65 side of Lost Knife Road to its junction with Montgomery Village
66 Avenue; thence southwesterly along the center line of Montgomery
67 Village Avenue to its junction with the municipal boundary line of the
68 City of Gaithersburg; thence west, northerly, and southwesterly along
69 said municipal boundary line to its intersection with Whetstone Run;
70 thence meandering westerly along Whetstone Run to its immediate
71 intersection with Watkins Mill Road; thence northeasterly along the
72 center line of Watkins Mill Road to its intersection with a northern
73 municipal boundary line of the City of Gaithersburg; thence westerly
74 along said municipal boundary line to its intersection with Frederick
75 Road (Md. Route 355); thence northwesterly along the center line of
76 Frederick Road to its immediate intersection with Great Seneca Creek;
77 thence meandering southwesterly along the center line of Great Seneca
78 Creek to its intersection with the right-of-way of the Potomac Electric
79 Power Company (PEPCO) power line; thence southeasterly along the
80 center line of the PEPCO right-of-way to its intersection with
81 Darnestown Road (Md. Route 28); thence southwesterly along the

82 center line of Darnestown Road to its junction with Jones Lane; thence
83 southerly along the center line of Jones Lane to its intersection with
84 Turkey Foot Road; thence southeasterly along the center line of Turkey
85 Foot Road to its intersection with Muddy Branch; thence meandering
86 southwesterly along the center line of Muddy Branch to its confluence
87 with the Potomac River, the point of beginning.]

88 [(c) District 3. The southwestern boundary of District 3 begins at the
89 intersection of Muddy Branch and Turkey Foot Road; thence
90 northwesterly along the center line of Turkey Foot Road to its junction
91 with Jones Lane; thence northerly along the center line of Jones Lane to
92 its junction with Darnestown Road (Md. Route 28); thence northeasterly
93 along the center line of Darnestown Road to the right-of-way of the
94 Potomac Electric Power Company (PEPCO) power line; thence
95 northwesterly along the center line of the PEPCO right-of-way to its
96 intersection with Great Seneca Creek; thence meandering northeasterly
97 along the center line of Great Seneca Creek to its intersection with
98 Frederick Road (Md. Route 355); thence southeasterly along the center
99 line of Frederick Road to its immediate intersection with the northern
100 municipal boundary line of the City of Gaithersburg; thence
101 northeasterly, southeasterly, and northeasterly along said municipal
102 boundary line to its intersection with the center line of Watkins Mill
103 Road; thence southwest along the center line of Watkins Mill Road to
104 its intersection with Whetstone Run; thence meandering easterly along
105 Whetstone Run to its immediate intersection with a northern municipal
106 boundary line of the City of Gaithersburg; thence southeasterly along
107 said municipal boundary line to its junction with Montgomery Village
108 Avenue; thence northeasterly along the center line of Montgomery

109 Village Avenue to its junction with Lost Knife Road; thence
110 southeasterly along the south side of Lost Knife Road to its junction
111 with Odend'hal Avenue; thence southwesterly along the southeastern
112 side of Odend'hal Avenue to its intersection with the north side of
113 Russell Avenue; thence southeast, following the municipal boundary
114 line of the City of Gaithersburg and crossing through the Asbury
115 Methodist Home property to the junction of said municipal boundary
116 line on the north side of Park Avenue with North Summit Avenue;
117 thence north along the center line of North Summit Avenue, continuing
118 as Goshen Road at Girard Street, to its junction with Snouffer School
119 Road; thence southeasterly along the center line of Snouffer School
120 Road, continuing as Muncaster Mill Road (Md. Route 115) at
121 Woodfield Road (Md. Route 124), to the intersection of Muncaster Mill
122 Road with the North Branch of Rock Creek; thence meandering
123 southwesterly along the center line of the North Branch to its
124 northeastern confluence with Lake Bernard Frank; thence southwesterly
125 along the center line of Lake Bernard Frank to its southwestern
126 confluence with the North Branch of Rock Creek; thence meandering
127 southwesterly along the center line of the North Branch to its
128 confluence with Rock Creek; thence meandering southerly along the
129 center line of Rock Creek to a point opposite Edgebrook Road; thence
130 due west along a line of prolongation from a southern boundary line of
131 Rock Creek Regional Park to its junction with the right-of-way of the
132 Rockville Facility (formerly the proposed Outer Beltway right-of-way);
133 thence southwesterly along the center line of the Rockville Facility
134 right-of-way to its intersection with Parklawn Drive; thence south along
135 the center line of Parklawn Drive to its intersection with Randolph

136 Road; thence west along the center line of Randolph Road, continuing
137 as Montrose Road at Rockville Pike (Md. Route 355), to the junction of
138 Montrose Road with Falls Road (Md. Route 189); thence southwesterly
139 along the center line of Falls Road to its immediate intersection with the
140 right-of-way of the Potomac Electric Power Company (PEPCO) power
141 line; thence westerly along the PEPCO right-of-way to its intersection
142 with Piney Meetinghouse Road; thence northeasterly along the center
143 line of Piney Meetinghouse Road to its junction with Travilah Road;
144 thence southwesterly along the center line of Travilah Road to its
145 junction with Turkey Foot Road; thence westerly along the center line
146 of Turkey Foot Road to its intersection with Muddy Branch, the point of
147 beginning.]

148 [(d) District 4. The southeastern boundary of District 4 begins at the junction
149 of the boundary line of Montgomery County (Maryland) and Prince
150 George's County (Maryland) with Cherry Hill Road; thence
151 northwesterly along the center line of Cherry Hill Road to Columbia
152 Pike (U.S. Route 29); thence southwesterly along Columbia Pike,
153 continuing as Colesville Road (U.S. Route 29) at Northwest Branch, to
154 the intersection of Colesville Road and University Boulevard West (Md.
155 Route 193); thence northwesterly along the center line of University
156 Boulevard West to its intersection with Georgia Avenue (Md. Route
157 97); thence north and northwesterly along the center line of Georgia
158 Avenue to its intersection with Weller Road; thence westerly along the
159 center line of Weller Road to its intersection with Connecticut Avenue
160 (Md. Route 185); thence southerly along the center line of Connecticut
161 Avenue to its intersection with Veirs Mill Road (Md. Route 586);
162 thence northwesterly along the center line of Veirs Mill Road to its

163 intersection with Rock Creek; thence meandering northerly along the
164 center line of Rock Creek to its junction with the North Branch of Rock
165 Creek; thence meandering northeasterly along the center line of the
166 North Branch to its southwestern confluence with Lake Bernard Frank;
167 thence northeasterly along the center line of Lake Bernard Frank to its
168 northeastern confluence with the North Branch of Rock Creek; thence
169 meandering northeasterly along the center line of the North Branch to
170 its intersection with Muncaster Mill Road (Md. Route 115); thence
171 southeast along the center line of Muncaster Mill Road to its junction
172 with Norbeck Road (Md. Route 28); thence northeasterly along the
173 center line of Norbeck Road to its junction with Layhill Road (Md.
174 Route 182); thence northeast along the center line of Layhill Road,
175 continuing as Ednor Road at Norwood Road, to the intersection of
176 Ednor Road with the boundary line of Montgomery County and
177 Howard County (Maryland); thence southeasterly along said boundary
178 line to its junction with the boundary line of Montgomery County and
179 Prince George's County; thence southwesterly along said boundary line
180 to its intersection with Cherry Hill Road, the point of beginning.] .

181 [(e) District 5. The southern boundary of District 5 begins at the junction of
182 the boundary lines of Montgomery County (Maryland), Prince George's
183 County (Maryland), and the District of Columbia; then northwest along
184 the boundary line of Montgomery County and the District of Columbia
185 to the northernmost apex of the District of Columbia; then southwest
186 along the boundary line of Montgomery County and the District of
187 Columbia to its intersection with Rock Creek; then meandering westerly
188 and northwesterly along the center line of Rock Creek to its intersection
189 with Veirs Mill Road (Md. Route 586); then southeast along the center

190 line of Veirs Mill Road to its intersection with Connecticut Avenue
 191 (Md. Route 185); then northerly along the center line of Connecticut
 192 Avenue to its intersection with Weller Road; then northeasterly along
 193 the center line of Weller Road to its intersection with Georgia Avenue
 194 (Md. Route 97); then southeasterly and south along the center line of
 195 Georgia Avenue to its intersection with University Boulevard West
 196 (Md. Route 193); then southeasterly along the center line of University
 197 Boulevard West to its intersection with Colesville Road (U.S. Route
 198 29); then northeasterly along the center line of Colesville Road,
 199 continuing as Columbia Pike at Northwest Branch, to the junction of
 200 Columbia Pike and Cherry Hill Road; then southeasterly along the
 201 center line of Cherry Hill Road to its intersection with the boundary line
 202 of Montgomery County and Prince George's County; then southwest,
 203 southeast, south, and southwesterly along that boundary line to its
 204 junction with the boundary line of Montgomery County and the District
 205 of Columbia, the point of beginning.]

206 **District 1:** The southern boundary of District 1 begins at the junction of the
 207 boundary lines of Montgomery County (Maryland), the District of
 208 Columbia, and Fairfax County (Virginia); then northwesterly along the
 209 boundary line of Montgomery County and Fairfax County to a point on
 210 a line of prolongation from Muddy Branch; then north along said line of
 211 prolongation, crossing the Potomac River and circumscribing around
 212 the northwestern end of Watkins Island to Muddy Branch; then
 213 meandering northerly and easterly along the center line of Muddy
 214 Branch to its intersection with Turkey Foot Road; then easterly along
 215 the center line of Turkey Foot Road to its junction with Travilah Road;
 216 then northeasterly along the center line of Travilah Road to its junction

217 with Piney Meetinghouse Road; then southerly along the center line of
218 Piney Meetinghouse Road to its intersection with the right-of-way of the
219 Potomac Electric Power Company (PEPCO) power line; then easterly
220 along the center line of the PEPCO right-of-way to its intersection with
221 Watts Branch; then meandering northeasterly along the center line of
222 Watts Branch to its intersection with the southern municipal boundary
223 line of the City of Rockville; then southeasterly along the southern
224 municipal boundary line to its junction with the center line of Falls
225 Road; then southerly along the center line of Falls Road to its
226 intersection with the southern municipal boundary line of the City of
227 Rockville; then southeasterly and northeasterly along the municipal
228 boundary line of the City of Rockville to its junction with the center line
229 of Seven Locks Road; then southerly along the center line of Seven
230 Locks Road to its intersection with the center line of Montrose Road;
231 then east along the center line of Montrose Road to its junction with the
232 municipal boundary line of the City of Rockville east of Wilmart Street;
233 then northerly and easterly along the municipal boundary line to the
234 center line of East Jefferson Street; then north along the center line of
235 East Jefferson Street to the municipal boundary line of the City of
236 Rockville; then easterly along the municipal boundary line to the center
237 line of Rockville Pike (Md. Route 355); then northwesterly along the
238 center line of Rockville Pike to its intersection with Halpine Road; then
239 northeasterly along the center line of Halpine Road to a point on a line
240 of prolongation from Fishers Lane; then easterly along said line of
241 prolongation to Fishers Lane; then easterly along the center line of
242 Fishers Lane to its junction with the western boundary line of Parklawn
243 Cemetery; then following the western, southern and eastern boundary

244 lines to the junction with the Rock Creek Park boundary line; then east,
 245 south, and again east, along the Rock Creek Park boundary line, and
 246 east on a line of prolongation from the Rock Creek Park boundary line
 247 to Rock Creek at a point opposite to Edgebrook Road; then meandering
 248 southeasterly along the center line of Rock Creek to its intersection with
 249 the boundary line of Montgomery County and the District of Columbia:
 250 then southwest along said boundary line to its junction with the
 251 boundary lines of Montgomery County, the District of Columbia and
 252 Fairfax County, the point of beginning.

253 **District 2:** The southwestern boundary of District 2 begins at the confluence
 254 of Muddy Branch with the Potomac River; then continuing south along
 255 a line of prolongation from Muddy Branch across the Potomac River
 256 and circumscribing around the northwestern end of Watkins Island, to
 257 the boundary line of Montgomery County and Fairfax County; then
 258 northwesterly and northeasterly along said boundary line, continuing as
 259 the boundary line of Montgomery County and Loudoun County
 260 (Virginia), to its junction with the boundary line of Montgomery County
 261 and Frederick County (Maryland): then northeast along said boundary
 262 line, continuing as the boundary line of Montgomery County and
 263 Carroll County (Maryland) to its convergence with the boundary line of
 264 Montgomery County and Howard County (Maryland): then
 265 southwesterly and southeasterly along the boundary line of
 266 Montgomery County and Howard County to its intersection with
 267 Georgia Avenue (Md. Route 97); then southerly along the center line of
 268 Georgia Avenue to the municipal boundary line of Brookeville: then
 269 northerly, easterly and southerly along the municipal boundary to the
 270 center line of Brighton Dam Road; then easterly and northeasterly along

271 the center line of Brighton Dam Road to its intersection with the center
272 line of Hawlins River; then meandering southerly along the center line
273 of Hawlins River to its intersection with the center line of Gold Mine
274 Road; then northeasterly along the center line of Gold Mine Road to its
275 junction with the center line of New Hampshire Avenue (Md. Route
276 650); then southeasterly along the center line of New Hampshire
277 Avenue to its junction with the center line of Brooke Road; then
278 southwest and southeast along the center line of Brooke Road to its
279 intersection with the center line of Olnev-Sandy Spring Road (Md.
280 Route 108); then southwest and northwest along the center line of
281 Olnev-Sandy Spring Road to its junction with the center line of [[Doctor
282 Bird Road (Md. Route 182); then southeasterly along the center line of
283 Doctor Bird Road to its immediate junction with Batchellors Forest]]
284 Old Baltimore Road; then south and westerly along the center line of
285 [[Batchellors Forest]] Old Baltimore Road to its junction with the center
286 line of Georgia Avenue; then [[northerly]] southerly along the center
287 line of Georgia Avenue to its junction with the center line of Emory
288 Lane; then westerly along the center line of Emory Lane to its junction
289 with the center line of Cashell Road; then northwesterly along the center
290 line of Cashell Road to its junction with the center line of Bowie Mill
291 Road; then northeasterly along the center line of Bowie Mill Road to its
292 junction with the center line of Olnev-Lavtonsville Road (Md. Route
293 108); then northwesterly along the center line of Olnev-Lavtonsville
294 Road to its junction with the center line of Muncaster Road; then
295 southwesterly along the center line of Muncaster Road to its junction
296 with the center line of Muncaster Mill Road (Md. Route 115); then
297 northwesterly along the center line of Muncaster Mill Road, continuing

298 as Snouffer School Road at Woodfield Road (Md. Route 124), to its
299 intersection with the center line of Goshen Road; then south along the
300 center line of Goshen Road to its junction with the center line of
301 Odend'hal Avenue; then westerly along the center line of Odend'hal
302 Avenue to its intersection with the southwest side of Lost Knife Road;
303 then northwesterly along the southwest side of Lost Knife Road to its
304 junction with the center line of Montgomery Village Avenue; then
305 southwesterly along the center line of Montgomery Village Avenue to
306 its intersection with the municipal boundary line of the City of
307 Gaithersburg; then westerly, northerly, and northwesterly along the
308 municipal boundary line to its intersection with the center line of
309 Watkins Mill Road; then northeasterly along the center line of Watkins
310 Mill Road to its intersection with a northern municipal boundary line of
311 the City of Gaithersburg; then northwesterly, southwesterly, westerly,
312 southerly, and again northwesterly along the municipal boundary line to
313 its intersection with the center line of Game Preserve Road; then
314 southerly along the center line of Game Preserve Road to its intersection
315 with the center line of Frederick Road (Md. Route 355); then
316 northwesterly along the center line of Frederick Road to its intersection
317 with Great Seneca Creek; then meandering southwesterly along the
318 center line of Great Seneca Creek to its intersection with the right-of-
319 way of the Potomac Electric Power Company (PEPCO) power line;
320 then southeasterly along the center line of the PEPCO right-of-way to
321 its intersection with Darnestown Road (Md. Route 28); then
322 southwesterly along the center line of Darnestown Road to its junction
323 with the center line of Jones Lane; then southerly along the center line
324 of Jones Lane to its junction with the center line of Turkey Foot Road;

325 then southeasterly along the center line of Turkey Foot Road to its
 326 intersection with Muddy Branch; then meandering southwesterly along
 327 the center line of Muddy Branch to its confluence with the Potomac
 328 River, the point of beginning.

329 **District 3:** The southwestern boundary of District 3 begins at the intersection
 330 of Muddy Branch and Turkey Foot Road; then northwesterly along the
 331 center line of Turkey Foot Road to its junction with the center line of
 332 Jones Lane; then northerly along the center line of Jones Lane to its
 333 junction with the center line of Darnestown Road (Md. Route 28); then
 334 northeasterly along the center line of Darnestown Road to the right-of-
 335 way of the Potomac Electric Power Company (PEPCO) power line;
 336 then northwesterly along the center line of the PEPCO right-of-way to
 337 its intersection with Great Seneca Creek; then meandering northeasterly
 338 along the center line of Great Seneca Creek to its intersection with the
 339 center line of Frederick Road (Md. Route 355); then southeasterly along
 340 the center line of Frederick Road to its intersection with the northern
 341 municipal boundary line of the City of Gaithersburg; then northerly,
 342 southeasterly, again northerly, easterly, again northeasterly, and
 343 southeasterly along the municipal boundary line to its intersection with
 344 the center line of Watkins Mill Road; then southwesterly along the
 345 center line of Watkins Mill Road to its intersection with the northern
 346 municipal boundary line of the City of Gaithersburg; then southeasterly,
 347 southerly, and westerly along said municipal boundary line to its
 348 intersection with the center line of Montgomery Village Avenue; then
 349 northeasterly along the center line of Montgomery Village Avenue to its
 350 junction with the southwest side of Lost Knife Road; then southeasterly
 351 along the southwest side of Lost Knife Road to its junction with

352 Oden'hal Avenue; then easterly along the southern edge of Oden'hal
353 Avenue to its intersection with the center line of Goshen Road; then
354 north along the center line of Goshen Road to its junction with the
355 center line of Snouffer School Road; then southeasterly along the center
356 line of Snouffer School Road, continuing as Muncaster Mill Road (Md.
357 Route 115) at Woodfield Road (Md. Route 124), to the intersection of
358 Muncaster Mill Road with the North Branch of Rock Creek; then
359 meandering southwesterly along the center line of the North Branch of
360 Rock Creek to its northeastern confluence with Lake Bernard Frank;
361 then southwesterly along the center line of Lake Bernard Frank to its
362 southwestern confluence with the North Branch of Rock Creek; then
363 meandering southwesterly along the center line of the North Branch of
364 Rock Creek to its confluence with Rock Creek; then meandering
365 southerly along the center line of Rock Creek to a point opposite to
366 Edgebrook Road; then west along a line of prolongation from a southern
367 boundary line of Rock Creek Regional Park, to that boundary line; then
368 west, north, and again west to the eastern boundary line of Parklawn
369 Cemetery; then following that boundary line westerly, southwesterly,
370 northwesterly, again westerly, and again northwesterly to its intersection
371 with the center line of Fishers Lane; then westerly along the center line
372 of Fishers Lane, and continuing along a line of prolongation from the
373 center line of Fishers Lane to the center line of Halpine Road; then
374 southwesterly along the center line of Halpine Road; then southwesterly
375 along the center line of Halpine Road to its intersection with the center
376 line of Rockville Pike (Md. Route 355); then southeasterly along the
377 center line of Rockville Pike to its intersection with the municipal
378 boundary line of the City of Rockville; then westerly along the

379 municipal boundary line to the center line of East Jefferson Street; then
 380 south along the center line of East Jefferson Street to the municipal
 381 boundary line of the City of Rockville; then westerly and southerly
 382 along the municipal boundary line to its junction with the center line of
 383 Montrose Road; then west along the center line of Montrose Road to its
 384 intersection with the center line of Seven Locks Road; then northerly
 385 along the center line of Seven Locks Road to the municipal boundary
 386 line of the City of Rockville; then westerly along the municipal
 387 boundary line to its intersection with the center line of Falls Road; then
 388 northerly along the center line of Falls Road to its junction with the
 389 municipal boundary line of the City of Rockville; then northwesterly
 390 along the municipal boundary line to its intersection with the center line
 391 of Watts Branch; then meandering southwesterly along the center line of
 392 Watts Branch to its intersection with the Potomac Electric Power
 393 Company (PEPCO) right-of-way; then westerly along the PEPCO right-
 394 of-way to its intersection with the center line of Piney Meetinghouse
 395 Road; then northeasterly along the center line of Piney Meetinghouse
 396 Road to its junction with the center line of Travilah Road; then
 397 southwesterly along the center line of Travilah Road to its junction with
 398 the center line of Turkey Foot Road; then westerly along the center line
 399 of Turkey Foot Road to its intersection with Muddy Branch, the point of
 400 beginning.

401 **District 4** The southeastern boundary of District 4 begins at the intersection
 402 of the boundary line of Montgomery County and Prince George's
 403 County (Maryland) with Cherry Hill Road; then northwesterly along the
 404 center line of Cherry Hill Road to Columbia Pike (U.S. Route 29); then
 405 southwesterly along the center line of Columbia Pike, continuing as

406 Colesville Road (U.S. Route 29) at Northwest Branch, to the
407 intersection of Colesville Road and University Boulevard West (Md.
408 Route 193); then northwesterly along the center line of University
409 Boulevard West to its junction with the center line of Arcola Avenue;
410 then northwesterly along the center line of Arcola Avenue to its junction
411 with the eastern boundary line of Wheaton Regional Park; then

413 northeasterly along the park boundary line to its intersection with the
414 center line of Randolph Road; then southwesterly along the center line
415 of Randolph Road to its intersection with the center line of Connecticut
416 Avenue (Md. Route 185); then southerly along the center line of
417 Connecticut Avenue to its intersection with the center line of Veirs Mill
418 Road (Md. Route 586); then northwesterly along the center line of Veirs
419 Mill Road to its intersection with Rock Creek; then meandering
420 northerly along the center line of Rock Creek to its junction with the
421 North Branch of Rock Creek; then meandering northeasterly along the
422 center line of the North Branch of Rock Creek to its southwestern
423 confluence with Lake Bernard Frank; then northeasterly along the
424 center line of Lake Bernard Frank to its northeastern confluence with
425 the North Branch of Rock Creek; then meandering northeasterly along
426 the center line of the North Branch of Rock Creek to its intersection
427 with Muncaster Mill Road (Md. Route 115); then northwesterly along
428 the center line of Muncaster Mill Road to its junction with the center
429 line of Muncaster Road; then northeasterly along the center line of
430 Muncaster Road to its junction with the center line of Olney-
431 Lavtonsville Road (Md. Route 108); then southeasterly along the center
432 line of Olney-Lavtonsville Road to its junction with the center line of

433 Bowie Mill Road; then southwesterly along the center line of Bowie
434 Mill Road to its junction with the center line of Cashell Road; then
435 southeasterly along the center line of Cashell Road to its junction with
436 the center line of Emory Lane; then easterly along the center line of
437 Emory Lane to its intersection with the center line of Georgia Avenue
438 (Md. Route 97); then [[southerly]] northerly along the center line of
439 Georgia Avenue to its intersection with the center line [[Batchellors
440 Forest]] of Old Baltimore Road; then easterly and northerly along the
441 center line of [[Batchellors Forest]] Old Baltimore Road to its junction
442 with the center line of [[Doctor Bird Road (Md. Route 182); then
443 northwesterly along the center line of Doctor Bird Road to its junction
444 with the center line of]] Olney-Sandy Spring Road; then southeasterly
445 and northeasterly along the center line of Olney-Sandy Spring Road to
446 its junction with the center line of Brooke Road; then northwesterly and
447 northeasterly along the center line of Brooke Road to its junction with
448 the center line of New Hampshire Avenue (Md. Route 650); then
449 northwesterly along the center line of New Hampshire Avenue to its
450 junction with the center line of Gold Mine Road; then southwesterly
451 along the center line of Gold Mine Road to its intersection with the
452 center line of Hawlings River; then meandering northerly along the
453 center line of Hawlings River to its intersection with Brighton Dam
454 Road; then southwesterly and westerly along the center line of Brighton
455 Dam Road to its junction with the municipal boundary line of
456 Brookeville; then northerly, westerly, and southerly along the municipal
457 boundary line to its intersection with Georgia Avenue; then northerly
458 along the center line of Georgia Avenue to its intersection with the
459 boundary line of Montgomery County and Howard County; then

460 southeasterly along said boundary line to its junction with the boundary
 461 line of Montgomery County and Prince George's County; then
 462 southwesterly along said boundary line to its intersection with Cherry
 463 Hill Road, the point of beginning.

464 **District 5:** The southern boundary of District 5 begins at the junction of the
 465 boundary lines of Montgomery County, Prince George's County, and
 466 the District of Columbia; then northwest along the boundary line of
 467 Montgomery County and the District of Columbia to the northernmost
 468 apex of the District of Columbia; then southwest along said boundary
 469 line to its intersection with Rock Creek; then meandering westerly and
 470 northwesterly along the center line of Rock Creek to its intersection
 471 with Veirs Mill Road (Md. Route 586); then southeast along the center
 472 line of Veirs Mill Road to its intersection with the center line of
 473 Connecticut Avenue (Md. Route 185); then northerly along the center
 474 line of Connecticut Avenue to its intersection with the center line of
 475 Randolph Road; then northeasterly along the center line of Randolph
 476 Road to its junction with the eastern boundary line of Wheaton Regional
 477 Park; then southeasterly, southerly, westerly, southwesterly, again
 478 westerly, and again southerly along that boundary line to its junction
 479 with Arcola Avenue; then southeasterly along the center line of Arcola
 480 Avenue to its junction with the center line of University Boulevard
 481 West (Md. Route 193); then southeasterly along the center line of
 482 University Boulevard West to its intersection with the center line of
 483 Colesville Road (U.S. Route 29); then northeasterly along the center
 484 line of Colesville Road, continuing as Columbia Pike (U.S. Route 29) at
 485 Northwest Branch, to its intersection with the center line of Cherry Hill
 486 Road; then southeasterly along the center line of Cherry Hill Road to its

487 intersection with the boundary line of Montgomery County and Prince
488 George's County; then southwest, southeast, south, and southwesterly
489 along the boundary line to its junction with the boundary line of
490 Montgomery County and the District of Columbia, the point of
491 beginning.
