COUNTY COUNCIL  
FOR MONTGOMERY COUNTY, MARYLAND

---

By: County Council

SUBJECT: Supplemental Appropriation #06-59  
FY06 Operating Budget  
Montgomery County Public Schools  
Entrepreneurial Activities Fund  
\$100,000

Background

1. Section 5-105(d) of the Education Article of the Annotated Code of Maryland provides for the expenditure of non-local funds by the County Board of Education after adoption of the budget, only with the approval of the County fiscal authority.
2. Section 307 of the Montgomery County Charter provides that any supplemental appropriation shall be recommended by the County Executive who shall specify the source of funds to finance it. The Council shall hold a public hearing on each proposed supplemental appropriation after at least one week's notice. A supplemental appropriation that would comply with, avail the County of, or put into effect a grant or a Federal, State or County law or regulation, or one that is approved after January 1 of any fiscal year, requires an affirmative vote of five Councilmembers. A supplemental appropriation for any other purpose that is approved before January 1 of any fiscal year requires an affirmative vote of six Councilmembers. The Council may, in a single action, approve more than one supplemental appropriation. The Executive may disapprove or reduce a supplemental appropriation, and the Council may reapprove the appropriation, as if it were an item in the annual budget.
3. The County Executive received the Board of Education's action of September 26, 2005, requesting a supplemental appropriation to the operating budget as follows:

<u>Category</u>	<u>Amount</u>	<u>Funding Source</u>
81 Entrepreneurial Activities Fund	<u>\$ 100,000</u>	Other: Charges for Service
Total	\$ 100,000	

4. The Board of Education has stated that this appropriation is needed to receive and expend \$100,000 for the Entrepreneurial Activities Fund. The Entrepreneurial Activities Fund provides extra resources for the Montgomery County Public Schools (MCPS) through the sale of goods and services. MCPS seeks additional staff and supplies to satisfy increased demand for electronic graphics and printing. This request does not require County funds. This supplemental appropriation will be funded from additional revenues generated by providing graphics and printing services to local governments and nonprofit organizations.
5. The County Executive recommends a supplemental appropriation to the FY06 Operating Budget of \$100,000 and has specified that the source of funds will be charges for service related to additional sales.
6. Notice of a public hearing was given, and a public hearing was held.
