1. The Council approves the FY10 Operating Budget for the Montgomery County Government and appropriates the funds as shown on the attachment to this resolution in the following sections.

Any appropriation for and spending on any project funded by non-County funds is contingent on notice of receipt of the non-County funds.

Section E: The Special Revenue Funds Self-Supporting Funds Budget contains both grant and non-grant-funded appropriations for self-supporting (non-tax-supported) funds.

Section F: The Enterprise Funds Budget contains both grant and non-grant-funded appropriations for enterprise funds and the debt service appropriation for enterprise funds, and notes the total appropriations for the County's Risk Management Liability and Property Coverage Self-Insurance Fund and Employees Health Benefits Self-Insurance Fund.

- 2. This resolution re-appropriates or appropriates revenue received from non-County sources for programs funded in whole or in part from those non-County funds:
 - a) together with matching County funds, if any; and
 - b) to the extent that the program period approved by the non-County source requires more than one fiscal year to complete the grant program, under the terms of receipt of the non-County revenues.
- 3. This resolution re-appropriates the fund balances of the following funds:
 - Central Duplicating Fund Drug Enforcement Forfeitures Fund Economic Development Fund Housing Initiative Fund Motor Pool (DGS) Internal Service Fund Rehabilitation Loan Fund Restricted Donation Special Revenue Fund

- 5. Section G of this resolution lists the entities designated to receive non-competitive contract awards under Section 11B-14(a)(4) of the County Code, which states: "A contract may be awarded without competition if the Chief Administrative Officer makes a written determination that the contract award serves a public purpose and a proposed contractor has been identified in a grant or appropriation resolution approved by the Council." Appropriations for these awards are included in the departmental and non-departmental appropriations in Sections A through F. The Chief Administrative Officer has determined that the entities listed in Section G serve a public purpose and contract awards are in the public interest. The amounts listed in Section G are estimates only and may vary due to

changed circumstances. The Council in Resolution 14-490 adopted the process to designate entities under this provision.

Section G of this resolution also includes entities eligible to receive a non-competitive payment from the Department of Health and Human Services as a supplement for direct services to promote normalization of persons with developmental disabilities. For FY10, the total amount paid to these entities must not exceed \$8,349,360.

If an error in the name of an entity or the stated purpose for a non-competitive contract identified in Section G does not alter the substance of the Chief Administrative Officer's determination and Council's approval of the award, the Director of the Department of General Services may proceed with the non-competitive contract without an amendment to Section G. The Director of the Department of General Services must notify the Council within 7 days after making such a determination.

6. In the following agency budgets, the Council appropriates payments to the Risk Management Liability and Property Coverage Self-Insurance Fund. The Director of Finance must transfer the following amounts from the respective appropriations for County Government, the Montgomery County Public Schools, and Montgomery College to the Risk Management Liability and Property Coverage Self-Insurance Fund on or immediately after July 1, 2009. The Office of Management and Budget must maintain a record to ensure that the total appropriation is not exceeded.

The amount of the transfer must equal the difference between the amount appropriated and the grant award.

 - a) Council approval is not required to substitute the non-County funds for County funds. In this case, there is no change in the appropriation.
 - b) Council approval is required to increase the appropriation. The Council may decide to substitute non-County funds for County funds instead of increasing the appropriation.
- 11. When the County Government receives official notice that government aid or grant funds will be less than was budgeted for a program:
 - a) Council approval is required to substitute County tax-supported funds for non-County funds. In this case, there is no change in appropriation.
 - b) The Executive must report to the Council any recommendation to reduce expenditures in an affected program to offset any loss of non-County funds. - 34. For FY10 this resolution includes an appropriation for each element of the fire and rescue system, consisting of the Montgomery County Fire and Rescue Service (excluding the local fire and rescue departments), the local fire and rescue departments, and the Fire and Rescue Commission. This designation reflects the intent of Charter Section 306. Notwithstanding the separate appropriation items, the Council intends that funds be transferable, within the limits set in Charter Section 309, between the Montgomery County Fire and Rescue Service and the local fire and rescue departments.
- 35. County tax funds appropriated for use by local fire and rescue departments must not be spent or encumbered, directly or indirectly, for legal fees or expenses related to pursuing any claim against County Government or any County agency, except as expressly agreed to by the Executive with prior advice and review by the Council as part of a settlement of a civil action to which the County is a party. Of the funds appropriated for the administration of the Arts and Humanities Council, \$31,350 must be used only to provide health insurance benefits for one or more of the Council's full-time employees. The Arts and Humanities Council's Board of Directors must determine how these benefits are provided. If the County Attorney finds that these employees' participation is consistent with Federal and County law, these funds may be

used to buy health insurance for these employees through the County Government's Group Health Insurance program. These funds must not pay more than 80% of the cost of the premium of the health insurance coverage selected by the Arts and Humanities Council's Board of Directors.

The Arts and Humanities Council must administer all funds appropriated in this resolution under Assistance to Individual Organizations except those funds appropriated for assistance to the American Film Institute, which for FY10 may be administered by an Executive branch department.

- 38. As required by County Code §2-151(f), the Council recommends projected budgets for the Office of Inspector General of \$661,389 in FY 2011, \$689,167 in FY 2012, and \$718,112 in FY 2013.
- 39. As required by Charter Section 209 and as a condition of spending any funds appropriated in this resolution to fund new merit system positions in County Government, the Office of Management and Budget must notify the Council President each month, no later than the tenth of the month, of each permanent full or part-time position created in the County Government during the preceding month. The notice must also specify the source of funds for each position.
- 40. This resolution appropriates \$249,530 for inflation adjustments for tax-supported contractors with the Department of Health and Human Services (DHHS). DHHS must award these funds to private non-profit service providers whose contracts continue beyond the first year of a contract period and who have satisfactorily performed their contracted duties. Any inflation adjustment awarded under this paragraph must not exceed 1% of the total contract price. Contracts funded by non-County grants are not eligible for an inflation adjustment under this paragraph.
- 41. This resolution appropriates \$1,558,730 to the Department of Police to contract for operation of the County Animal Shelter. These funds may be used to pay the costs associated with amending the current contract with the Montgomery County Humane Society.
- 42. This resolution appropriates \$19,919,270 from the General Fund as a contribution to the Montgomery Housing Initiative Fund. The FY10 appropriation, combined with the re-appropriation of the FY09 fund balance, loan repayments, investment income, and revolving resources available in the capital improvements program, is estimated to provide more than \$57.8 million to acquire, rehabilitate, and preserve affordable housing, and implement the County's Housing First Plan.
- 43. The Department of Housing and Community Affairs may allocate up to \$1 million from the Housing Initiative Fund for "Building Neighborhoods to Call Home" services. As a part of this initiative, the Department must allocate the following:

\$92,500 to CASA de Maryland, Inc. to operate the Pine Ridge Community Center.

\$100,000 to Montgomery Housing Partnership to provide training and support for owners of small rental properties.

\$41,000 to Interfaith Works, Inc. to fund the cost of a part-time property manager.

\$200,000 to Rebuilding Together for operating support to enable the organization to assist low-income homeowners with home repairs (including accessibility modifications) and referrals to community resources.

\$350,000 for tenant counseling in Long Branch.

\$150,000 for revitalization planning in the Long Branch area.

- 44. The Department of Housing and Community Affairs must allocate \$592,120 from the Housing Initiative Fund for the Closing Cost Assistance Program and \$500,000 for closing cost assistance targeted to county employees.
- 45. The Department of Housing and Community Affairs must reserve \$8.9 million of the non-revolving program appropriation to the Housing Initiative Fund for continued implementation of the Housing First Plan. The Housing First model helps chronically homeless and hard-to-serve individuals and families to access and sustain permanent, stable housing and has been shown to be more cost effective than short term housing solutions such as the use of motels. These funds may be used to fund costs associated with any element of the Plan, but must be used in conjunction with funds appropriated to the Department of Health and Human Services to continue capacity of at least 1,767 clients in the Rental Assistance Program and 225 clients in the Housing Initiative Program (formerly known as SHRAP). The Department of Housing and Community Affairs and Department of Health and Human Services may use these reserve funds to increase capacity in these programs or other programs in the Housing First Initiative in order to move households quickly into permanent housing and reduce the reliance on motels and shelters. The allocation of this reserve does not limit the amount that may be spent from the Housing Initiative Fund or other sources for homeless persons or persons at risk of homelessness, and does not impose any limit on projects that may be funded with the revolving Acquisition and Preservation Program. If the Department of Housing and Community Affairs and Department of Health and Human Services determine that expenditure of \$8.9 million is not needed in FY10, these funds may be reallocated for other priority affordable housing purposes after the Director of the Department of Housing and Community Affairs sends written notice to the Council.
- 46. This resolution appropriates \$3.047 million of the net revenue attributable to the increase in the rate of the recordation tax enacted in Bill 11-07, *Recordation Tax – Rate*, to the Housing Initiative Fund. \$1.890 million of these funds must be used for the Housing Opportunities Commission's Rent Supplement Program and \$1.157 million must be used

by the Department of Health and Human Services for emergency rental assistance for low and moderate income households.

47. The Director of Finance must maintain a record of all payment-in-lieu-of-taxes (PILOT) agreements currently in effect under the Tax-Property Article of the Maryland Code. The record must estimate (in current year dollars) the amount of property taxes abated for each agreement for each of the next 10 fiscal years. As authorized by County Code §52-18M, the Director of Finance may sign payment-in-lieu-of-taxes agreements for affordable housing that abate annual property tax revenues, up to the following annual limits, for all properties not owned or operated by the Housing Opportunities Commission:

Cumulative Maximum for Nor	n-HOC PILOT Tax Abatements
FY10	\$ 8,800,000
FY 2011	\$ 9,240,000
FY 2012	\$ 9,702,000
FY 2013	\$10,187,100
FY 2014	\$10,696,455
FY 2015	\$11,231,278
FY 2016	\$11,792,842
FY 2017	\$12,382,484
FY 2018	\$13,001,608
FY 2019	\$13,651,688

The Director of Finance must not sign any payment-in-lieu-of-taxes agreement that would increase the total amount of abated property tax revenues above any of the listed annual limits without prior approval of the County Council by resolution.

The Director of Finance must calculate in the FY 2011 annual operating budget the total amount of property taxes to be abated under all PILOT agreements (including those for properties owned or operated by the Housing Opportunities Commission) that will be in effect during FY 2011.

- 48. As required by Charter Section 209 and as a condition of spending any funds appropriated in this resolution, the Office of Management and Budget must provide to the Council the second and third quarterly budget analysis of department and office expenditures and revenues no later than 45 days after the end of the second and third fiscal quarters.
- 49. As a condition of spending any funds appropriated in this resolution and not disapproved or reduced under Charter Section 306, the Executive must transmit to the Council any recommended budget savings plan or similar action. As used in this paragraph, "similar action" includes any recommendation to spend less than 90% of the funds appropriated for any non-competitive contract award listed in Section G of this resolution. Any budget savings plan or similar action is subject to review and approval by the Council. This paragraph does not apply to any hiring freeze which applies to all or substantially all departments and offices of County Government.

- 50. The County Executive must inform the Council within 30 days if the Executive makes any changes in the fund balance policy for any non-tax supported fund in County Government or the addition or elimination of any non-tax supported fund in County Government.
- 51. This resolution appropriates \$125,000 to the Regional Services Centers to be used in equal allocations of \$25,000 per center to provide Urban District type services under the Emerging Communities Initiative. The \$25,000 allocated to the Silver Spring Regional Services Center must be used to provide neighborhood maintenance services in the Long Branch commercial area.
- 52. As a condition of spending any funds appropriated in this resolution, each noncompetitive contract awarded as a Community Grant that was recommended by the County Executive or a Council Grant must require each recipient to submit a one-page report by February 1, 2010, and a one-page report by July 30, 2010 to the Office of Management and Budget and the contracting department describing the results achieved with the funds awarded. The Office of Management and Budget must submit all reports to the Council by February 16, 2010, and August 16, 2010, respectively.
- 53. As a condition of spending any funds appropriated in this resolution, the Chief Administrative Officer must require that any contractor providing health and human services or recreation programs must enter and update appropriate information in the Info Montgomery system.
- 54. The Department of Environmental Protection may use Water Quality Protection Funds allocated for residential and commercial Low Impact Development projects for a rebate program. This is intended to increase the range of incentives to encourage broader participation among residents and businesses in this component of the County's Water Quality Protection program.
- 55. This resolution appropriates \$656,760 to the Climate Change Implementation Non-Departmental Account (NDA) to implement the initiatives the Council adopted in Bills 29-07, Environmental Sustainability Climate Protection Motor Vehicles; 30-07, Buildings Energy Efficiency; 32-07, Environmental Sustainability Climate Protection Plan; and 35-07 Consumer Protection Energy and Environmental Advocacy; and to fund the Clean Energy Rewards program established in County Code §18A-11. The funds appropriated in this NDA must be allocated as follows:

Purpose	Amount
Tank Cleaning and filter costs to ready County fleet for	\$ 24,000
B-20 fuel	
Implementation of the Telecommuting Action Plan	\$ 34,760
Implementation of Sustainability Workgroup Recommendations	\$ 50,000
Consultant to assist the Office of Consumer Protection with	\$ 30,000
participation in matters before federal and state agencies	
Clean Energy Rewards	\$518,000
TOTAL Climate Change Implementation NDA	\$656,760

- 56. For FY10, when the County Government decides that it will apply for a grant or respond to a granting agency on how it would spend a formula-awarded grant, the Chief Administrative Officer or his designee must notify the Council Staff Director in writing of the name and purpose of the grant, the amount being requested or the formula-driven award amount, the name of the agency the application is directed to, the term of the grant, and the name of the department or departments that seek to receive the grant award. This requirement applies when any of the following conditions are met:
 - the application is for a new grant of more than \$200,000 or formula-driven award of more than \$200,000 for a new program; or,
 - the grant or award would require the appropriation of new tax-supported funds in the current or any future fiscal year; or,
 - the grant application or proposal to spend formula-driven funds will create a new position in County Government.

Upon request, the Chief Administrative Officer or his designee must send a copy of the grant application or description of the proposed use of a formula-driven award to the Council Staff Director within 3 working days after submitting it to the funding agency.

57. For FY10, when the County Government decides that it will execute a new lease or leasepurchase agreement that will annually exceed \$500,000 in the current or any future fiscal year, or increase the cost of an existing lease or lease-purchase agreement annually by more than \$500,000, the Chief Administrative Officer or his designee must notify the Council Staff Director in writing, at least 14 days before executing the new or modified lease, of the location of the property that will be leased, the County programs that will occupy the leased space, and the cost of the lease in the current and future fiscal years. For new leases, the cost should include the estimated cost for build-out and maintenance and utilities if this cost would be paid directly by the County and not the property owner. For continuing leases, increases in costs for taxes and utilities are not subject to this provision.

This is a correct copy of Council action.
