

Resolution No.: 16-1151
Introduced: October 20, 2009
Adopted: October 20, 2009

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

By: Councilmember Knapp

SUBJECT: Appointment of the Ad Hoc Water Quality Working Group

Background

1. On October 13, 2009, the Montgomery County Council approved Resolution No. 16-1149 creating the Ad Hoc Water Quality Working Group.
2. The Council has directed the Working Group to complete its report and recommendations by February 1, 2010.
3. The Working Group will collect information on all new and pending State and Federal regulations regarding water quality, stormwater management, and sediment control; analyze how these new requirements could impact future development in Clarksburg, especially in Stage 4; seek input from Clarksburg stakeholders as to the methods they propose for minimizing development impacts on water quality in the Ten Mile watershed; and advise the Council on the steps necessary to preserve water quality in Stage 4.

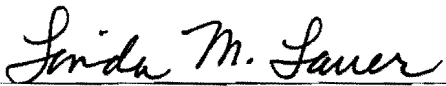

Action

The County Council for Montgomery County, Maryland approves the following resolution:

The Council appoints the following members of the Ad Hoc Water Quality Working Group:
