

Resolution No.: 16-1202  
Introduced: October 27, 2009  
Adopted: December 1, 2009

**COUNTY COUNCIL  
FOR MONTGOMERY COUNTY, MARYLAND**

---

By: Planning, Housing, and Economic Development Committee

---

**SUBJECT:** Amendment to the FY09-14 Capital Improvements Program  
Montgomery County Public Schools  
Seneca Valley Cluster ES Solution

**Background**

1. Section 302 of the Montgomery County Charter provides that the Council may amend an approved capital improvements program at any time by an affirmative vote of no fewer than six members of the Council.
2. The Planning, Housing, and Economic Development Committee recommends adding this project to program sufficient funds to design and construct four permanent elementary school classrooms in the Seneca Valley high school cluster. These classrooms would meet capacity requirements under the Growth Policy, ending a residential moratorium in the Seneca Valley cluster. It is anticipated that ultimately the Board of Education will request one or more specific projects that will add these classrooms by the start of the 2014-2015 school year, and that these funds would be used for that purpose.
3. Notice of public hearing was given and a public hearing was held.

**Action**

The County Council for Montgomery County, Maryland, approves the following action:

The FY09-14 Capital Improvements Program of the Montgomery County Public Schools is amended as reflected on the attached project description form.

This is a correct copy of Council action.

  
\_\_\_\_\_  
Linda M. Lauer, Clerk of the Council

**DESCRIPTION**

Due to increasing enrollment growth, this project includes funds to design and construct four permanent elementary school classrooms in the Seneca Valley high school cluster. These additional classrooms would meet capacity requirements under the Growth Policy, ending a residential moratorium in the Seneca Valley cluster. The County Council anticipates that ultimately the Board of Education will request one or more specific projects that will add these classrooms by the start of the 2014-2015 school year, and that these funds would be used for that purpose.
