OPINION

Zoning Text Amendment No. 03-25 was introduced on October 14, 2003 to eliminate authority of the District Council to decide a cemetery and family burial site special exception.

The Montgomery County Planning Board in its report to the Council recommended that the text amendment be approved as introduced.

The County Council held a public hearing on November 18, 2003 to receive testimony concerning the proposed text amendment. The text amendment was referred to the Planning, Housing, and Economic Development Committee for review and recommendation.

The Planning, Housing, and Economic Development Committee held a worksession on January 15, 2004 to review ZTA 03-25. The Committee recommended that ZTA 03-25 be approved as introduced. The grant of a special exception for a cemetery and family burial site is the responsibility of the District Council and not the Board of Appeals. It is the only remaining special exception which the District Council decides. ZTA 03-25 would assign the responsibility for deciding a cemetery special exception to the Board of Appeals. The grant of a special exception for a cemetery was once associated with the issuance of a permit which was the responsibility of the Council. This is no longer the case.

The District Council reviewed Zoning Text Amendment No. 03-25 at a worksession held on January 27, 2004 and agreed with the recommendations of the Planning, Housing, and Economic Development Committee.

For these reasons and because to approve this amendment will assist in the coordinated, comprehensive, adjusted and systematic development of the Maryland-Washington Regional District located in Montgomery County, Zoning Text Amendment No. 03-25 will be approved as introduced.
