

MEMORANDUM

June 15, 2018

TO: County Council

FROM: Robert H. Drummer, Senior Legislative Attorney 
Amanda Mihill, Legislative Attorney 

SUBJECT: Expedited Bill 18-18, Human Rights and Civil Liberties – Human Trafficking Prevention Committee - Amendments

PURPOSE: Motion and Action – Council roll call vote required

Expedited Bill 18-18, Human Rights and Civil Liberties – Human Trafficking Prevention Committee - Amendments, sponsored by Lead Sponsor Councilmember Hucker and Co-Sponsors Councilmembers Rice, Katz, Council Vice President Navarro, Councilmember Berliner, Council President Riemer and Councilmember Elrich, was introduced on May 15. A public hearing was held on June 12 at which there were no speakers.

Bill 18-18 would modify the membership of the Human Trafficking Prevention Committee by removing the requirement that each voting member be a resident of the County and adding two voting members from the community.

Discussion

Bill 27-17, enacted by the Council on October 10, 2017 and signed into law on October 19, 2017, established the Human Trafficking Prevention Committee with 15 voting members. The Committee is a permanent part of the County government charged with recommending best strategies to combat human trafficking to the Executive and the Council. Expedited Bill 18-18 would add 2 voting members. Each of the new voting members should be a public member with a direct interest in the prevention of human trafficking. The current law requires each voting member to be a County resident. The Bill would modify this requirement by requiring that 9 of the 17 voting members be either a resident of the County or a County employee.

Council staff recommendation: enact the Bill as introduced. This Bill did not go to Committee. The Bill needs a motion to enact before the roll call vote on the Bill.

The Committee is charged with recommending best strategies to combat human trafficking to the County Executive and County Council.

2. An estimate of changes in County revenues and expenditures regardless of whether the revenues or expenditures are assumed in the recommended or approved budget. Includes source of information, assumptions, and methodologies used.

The proposed legislation will not impact revenues or expenditures.

3. Revenue and expenditure estimates covering at least the next 6 fiscal years.

As mentioned above, the legislation will not have a fiscal impact on the County.

4. An actuarial analysis through the entire amortization period for each bill that would affect retiree pension or group insurance costs.

None.

5. An estimate of expenditures related to County's information technology (IT) systems, including Enterprise Resource Planning (ERP) systems.

None.

6. Later actions that may affect future revenue and expenditures if the bill authorizes future spending.

None.

7. An estimate of the staff time needed to implement the bill.

None.

8. An explanation of how the addition of new staff responsibilities would affect other duties.

None.

9. An estimate of costs when an additional appropriation is needed.

None.

10. A description of any variable that could affect revenue and cost estimates.

None.

11. Ranges of revenue or expenditures that are uncertain or difficult to project.

None.

12. If a bill is likely to have no fiscal impact, why that is the case.

The addition of two voting members is not expected to increase expenses associated with the Human Traffic Prevention Committee.

13. Other fiscal impacts or comments.

Economic Impact Statement
Bill 18-18, Human Rights and Civil Liberties -Human Trafficking Prevention
Committee -- Amendments

Background:

Bill 27-17, enacted by the Council on October 10, 2017 and signed into law on October 19, 2017, established the Human Trafficking Prevention Committee with 15 voting members. The Committee is a permanent part of the County government charged with recommending best strategies to combat human trafficking to the Executive and the Council. Expedited Bill 18-18 would add 2 voting members. Each of the new voting members should be a public member with a direct interest in the prevention of human trafficking. The current law requires each voting member to be a County resident. The Bill would modify this requirement by requiring that 9 of the 17 voting members be either a resident of the County or a County employee.

1. The sources of information, assumptions, and methodologies used.

There were no sources of information, assumptions, or methodologies needed in the formulation of this economic impact statement.

2. A description of any variable that could affect the economic impact estimates.

There are no variables associated with this bill that could affect economic impact estimates. The bill's intent is to modify the membership of the Committee to help it function more effectively.

3. The Bill's positive or negative effect, if any on employment, spending, savings, investment, incomes, and property values in the County.

While this change to the committee's composition may have a subsequent impact on developing policies that can have an economic impact, this Bill does not have a direct impact on employment, spending, savings, investment, incomes, or property values in the County.

4. If a Bill is likely to have no economic impact, why is that the case?

Please see paragraph 3.
