Re: Chevy Chase Library Site

Dear Chief Warner:

We obtained a copy of your office's request for developer Expressions of Interest for the Redevelopment of the Chevy Chase Library Site and as we are the library's neighbor directly South of the library and the owner of the property on which the Chevy Chase Fire Department is sited, we are very interested in what plans the county has for the library site.

We realize that your planning and future decision making is in the preliminary stages; however, the Chevy Chase Fire Department, Incorporated requests to be kept informed as the process for a formal Request for Proposal moves forward.

Any development has the potential to impact our ability to respond, whether during construction or upon completion due to increased traffic congestion on Connecticut Avenue.

We ask to be placed on your mailing list for any updates regarding the Chevy Chase Library site and we look forward to receiving information and being able to comment on your library plans as they develop.

Thank you,
