

LIST OF POTENTIAL AARROADS FOR ADOPTION

Last Updated 12/15/19

The Montgomery County Department of Transportation's (MCDOT) Adopt A Road (AAR) Program allows residents and businesses (located in Montgomery County) to participate in a community activity by helping to keep roads litter free. When left uncollected, litter and debris are washed into our storm drains, and ultimately into the watersheds that feed into our water system. Because the County has no funds for litter collection, the AAR program is a valuable tool in helping to minimize trash and keep our roads and streams environmentally healthy and beautiful.

The roads below were identified through the Maryland's Master Roadway Plan and classified as either Business, Residential Primary, Arterial, Major Highway or Rustic. (for rustic roads a brown AAR sign will be installed instead of the generic purple sign). Due to the large amount of road inventory there may be additional road segments not yet identified. If a road is not listed it could already be adopted or not eligible in the program because it is already being maintained by a municipality (such as Rockville, Takoma Park or Gaithersburg cities), downtown business district (such as Bethesda or Silver Spring), HOA or is owned by the State (these roads are identified with a route number).

To be a program participant you agree to clean your adopted road segment as needed, with a minimum of six times a year (or every other month) and report the cleaning results to the AAR program. In recognition, two AAR signs bearing the organization or individual's name will be installed (normally, one sign at the beginning and one sign at the end of the road segment).

The AAR program can be reached by phone 240-777-7155, by email mcdot.outreach@montgomerycountymd.gov or online at www.montgomerycountymd.gov/adoptaroad.
