

LIST OF POTENTIAL ROADS FOR ADOPTION

Updated Monthly – Effective 1/6/2017

The Adopt A Road (AAR) Program allows citizens and businesses of Montgomery County to participate in a community activity by keeping roads litter free. When left uncollected, litter, oil and debris is washed into our storm drains, and ultimately into the watersheds that feed into our water system and since the County has no funded litter collection program, the AAR program is a valuable tool in helping to minimize litter and keep our roads and streams environmentally healthy.

Thank you for your interest in the AAR program, below is a list of roads that the Community Outreach office has recognized as being good candidates for adoption. Due to the large amount of road inventory within Montgomery County there may be additional road segments not yet identified. If a road you want is not listed it could be located within a municipality and therefore maintained by the City it resides or is being maintained by a Business District or Homeowners Association. Roads that contain a route number are owned by the Maryland State Highway Administration (MSHA) and are also not eligible. To adopt a State road contact **MSHA Adopt A Highway program at 301-948-2477 or 301-513-7300 for more information.**

Even though this list is updated often, you may choose a road that is already adopted, so when filling out your application please provide a second choice, should the first choice not be available. These roads were identified through the Maryland’s Master Roadway Plan and are classified as either Business, Residential Primary, Arterial, Major Highway or Rustic Road (*Rustic Roads that are adopted are identified by using brown signage*).

Currently, there are over 450 participants in the program who have agreed to not only clean their road but also report their cleanings to our office (**the program guidelines stipulate that each adopted road segment be cleaned a minimum of six times per year, the equivalent of every other month, and to report these cleanings to our office**). In exchange for participation, a sign bearing the organization or individual’s name will be installed for recognition. For road segments under .50 miles, all bus stops/shelters are to be included when cleaning.
