

Keep Montgomery County Beautiful

APRIL eNEWSLETTER

April is a Great Time to Schedule your Group's Spring Cleaning of your Adopted Road!

Every person on Earth shares the responsibility to do as much as they can to preserve the planet's limited natural

resources. Help support our environmental issues. Keeping our roadways clean of litter will prevent debris from washing into our local streams and watersheds.

Think Globally and Act Locally.

In observance of April as Earth Month Montgomery County reminds residents that volunteers are needed to help with stream cleanups that are taking place throughout the County. [Read More](#)

Here are the Winners of the Most Bags Picked Up for November through February!

We are recognizing the Volunteer groups who reported the highest number of trash bags collected for the month of March.

Need cleaning equipment? Before you pick up equipment make sure to fill out the

Earth Day is Celebrated every Year on April 22nd although Montgomery County Celebrates the Whole Month of April!

Earth Day, the modern environmental movement, has been celebrated since 1970 and is on *Wednesday, April 22nd* this year, although we celebrate it all month and it's becoming one of the most important hallmarks in the world of conservation, recycling and

demonstrates a healthy, sustainable environment. It gives those people who have not taken part in going 'green' the opportunity to make changes to their community that will be cherished for a lifetime. www.earthday.org

Earth Day/Month aims to inspire awareness of and appreciation for the earth's environment, and calls for the protection of our planet. How will you give back this Earth Day?
