

Zeal's Bike Safety

Tips

Obey signs and signals.

3 Feet

Ride in a straight line at least **3 feet** from parked cars.

Never ride against traffic.

Always wear a helmet.

Use lights at night and when visibility is poor.

Use hand signals to tell drivers what you intend to do.

Safe Routes to School

MCDOT

Zeal's Walking Safety

Tips

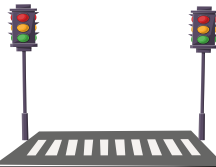

Watch out for
blind spots
around trucks
and buses.

Use the
pushbuttons
and wait for the
walk signal.

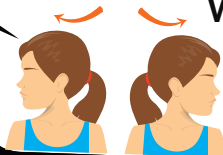

Cross the street
at crosswalks and
intersections.

Be visible. Wear
something light
or reflective.

Watch for turning
vehicles. Look
left, right, and
left again.
