

## BALLOT for FAWSETT ROAD IMPROVEMENTS

**Purpose:** The purpose of the Fawsett Road project is to improve the existing Fawsett Road to County Standards for acceptance and maintenance by Montgomery County Department of Transportation. The project is regulated by the Dedicated but Unmaintained County Roads policy.

**Cost:** The total project cost will be distributed equally to each affected property owner. Based on the preliminary engineering report dated October 28, 2011, the approximate cost to each affected property owner is **\$28,000**.

The cost participation by the affected property owners will be assessed on the property tax of each of the subject properties. The tax assessment will be for a 20-year period at the same interest rate as the bond rate used for the financing of the subject road improvement by the County.
